This statement has been prepared by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Attention is drawn to the fact that the figures for the corresponding quarter and half year ended September 30, 2016 including the reconciliation of Profit / (Loss) under IND AS of the corresponding quarter with Profit / (Loss) reported under previous GAAP, as reported in this financial statements have been approved by the Board of the Company but have not been subjected to review. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, Engagements to Review Financial Statements issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement.
