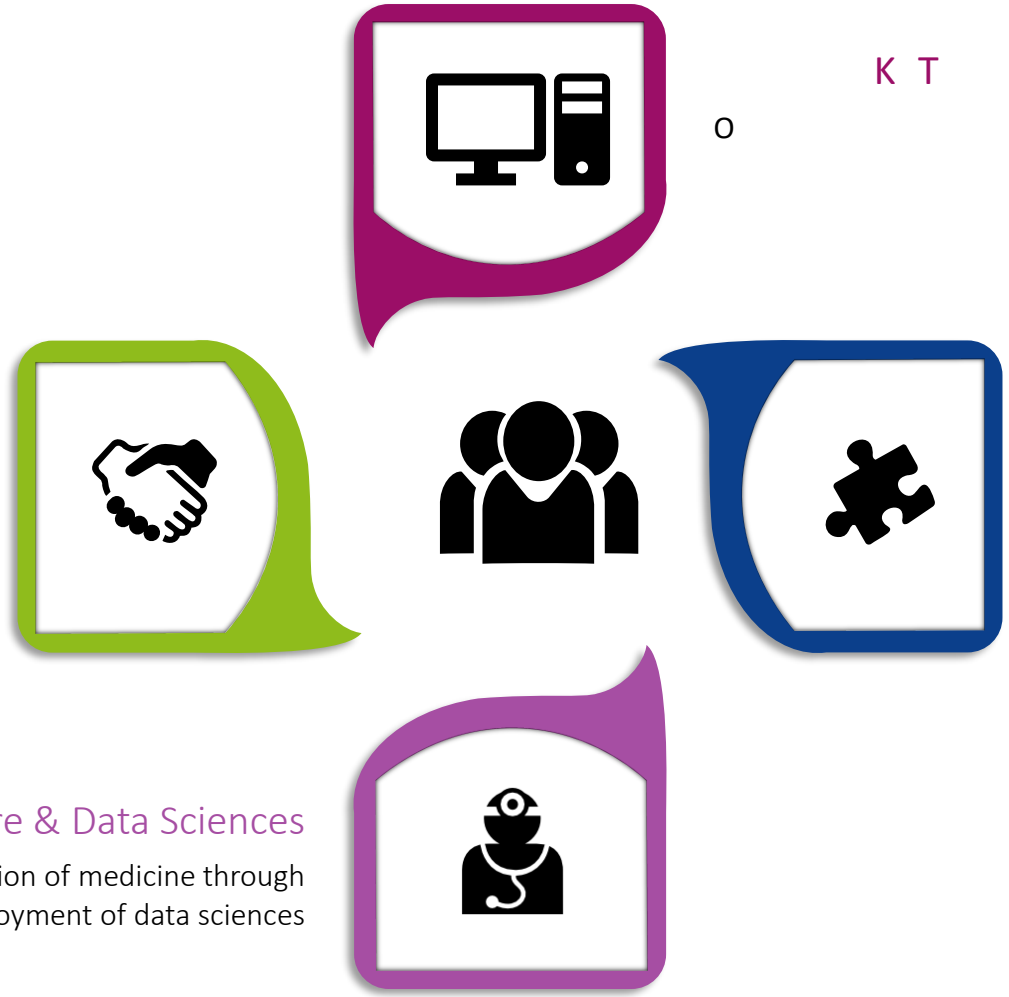
Way Forward

“The world is changing very fast. Big will not beat small anymore. It will be the fast beating the slow” – Rupert Murdoch

Our Strategy for Value Creation…

K T

O



Healthcare Delivery

Make quality healthcare accessible through brick and click model. Brick model for the medically underserved markets in India and click model (mobile app based ecosystem) to provide quality out-patient care pan-India

Healthcare & Data Sciences

Personalization of medicine through deployment of data sciences

K

The bedrock of IT Business providing scale and creating opportunities for deployment of new technologies and facilitating deeper understanding of new business verticals. Strategic deployment of Bench strength for new product development
