RCom skips payment of ₹375-cr debentures

PRESS TRUST OF INDIA
New Delhi, February 9

DEBT-RIDDEN TELECOM FIRM Reliance Communications has skipped payment of debentures worth ₹375 crore which was due on February 7. "Company has not made payment of third installment of ₹375 crore of principal on NCD's (non-convertible debentures) which was due on 7th

February 2018," RCom said in a regulatory filing.

It said the company is in strategic debt restructuring (SDR) invoked by the JLF (joint lenders forum comprising holders of non-convertible debentures) and that no record date shall be fixed for payment on NCDs.

RCom referred to its earlier communication regarding asset monetisation pro-

gramme and the signing of binding agreements for sale of wireless spectrum, tower, fibre and media convergence node (MCN) assets.

"Presently, the company is working expeditiously to complete the process and expects to close the same in a phased manner by March, 2018, subject to receipt of applicable approvals," the company said.

Adani's Australia coal mine takes hit as rail plan axed

BLOOMBERG
Sydney February 9

ADANI ENTERPRISES CAN'T catch a break. The Indian conglomerate trying to build one of the world's largest coal mines has already had its own funding bid for a rail line stymied by the Queensland

state government. Now, a funding proposal for another line that could carry its coal to the coast for export has been canned.

Rail operator Aurizon Holdings said on Friday it was withdrawing its application because it hadn't locked in any contracts with customers.
