Escorts Kubota Limited Tractor Volume grew by 38.5% in December 2025

Faridabad, January 1st, 2026: Escorts Kubota Limited Agri Machinery Business in December 2025 sold 7,577 tractors registering a growth of 38.5% as against 5,472 tractors sold in December 2024.

Domestic tractor sales in December 2025 were at 6,828 tractors registering a growth of 36.1% as against 5,016 tractors in December 2024. The domestic tractor industry sustained its strong performance in December, propelled by supportive government policies, lower GST rates, and continued state subsidies that enhanced affordability for farmers. Industry benefited from a strong Kharif output, enhanced Rabi sowing as compared to last year, increased water availability, and positive rural sentiment, all of which contributed to heightened retail demand. With these encouraging factors in place, the industry is poised to sustain its growth momentum in the upcoming months.

Export tractor sales in December 2025 were at 749 tractors registering a growth of 64.3% as against 456 tractors sold in December 2024.

Company Announcement

Escorts Kubota Limited Construction Equipment sold 812 machines in December 2025

Faridabad, January 1st, 2026: Escorts Kubota Limited Construction Equipment Business Division in December 2025 sold 812 machines as against 873 machines sold in December 2024. Sales volume for December 2025 is not comparable to December 2024, which saw a pre-buying ahead of emission norm changes last year, however there is visible improvement in the sentiment in Dec compared to previous months.

In the short run, the Construction Equipment industry continues to face challenges from slow project mobilization, and weak rental rates & elevated costs from CEV Stage V compliance, though government infrastructure spending and fund-flow initiatives are expected to support gradual recovery into 2026.

Sales figure are as follows:

Particulars	December			October - December (Q3)			April - December (9M)
