## RITES, iSky Transport sign MoU to explore urban mobility solutions

**Gurugram, August 01, 2025:** RITES Ltd., a premier transport infrastructure consultancy organization, today signed a Memorandum of Understanding (MoU) with Bengaluru-based iSky Transport Systems Pvt. Ltd., a company known for its innovative Suspended String Rail Technology (SSRT) and sustainable urban transit solutions. This strategic partnership aims at exploring and implementing transformative infrastructure projects, with a focus on futuristic urban mobility, container logistics, and material handling solutions across India.

Under the MoU, both parties will work together to combine RITES's infrastructure expertise with iSky Transport's execution capabilities and technological innovation to deliver sustainable transport technologies. The collaboration is focused on providing efficient, eco-friendly, and cost-effective transportation solutions. The partnership will leverage RITES's vast experience in infrastructure consultancy and project execution, along with iSky Transport's Suspended String Rail Technology (SSRT) and its innovation-led approach to urban mobility. This alliance reflects a shared vision to contribute significantly to India's infrastructure development, particularly in the areas of smart cities and multimodal connectivity.
