Q2 FY2020 Sales Performance

Apollo Pipes delivers a steady sales volume growth of 11% to 10,306 MTPA

New Delhi, October 1, 2019: Apollo Pipes Limited, among the top 10 leading piping solution providing Company in India, today announced its sales performance for the quarter ended September 30, 2019. The Company delivered a steady sales volume growth of 11%, at 10,306 MTPA compared to 9,271 MTPA in Q2 FY19. This growth was driven by a steady contribution from the cPVC HDPE pipe and value-added product segment of Fittings.

The Company is witnessing a steady revival across its product categories. Going forward, the Company remains confident of improving its sales volumes on the back of Government initiatives, a revival in the demand environment and new upcoming capacities in the coming quarters.
