**Sub: Market stock Movement on September 30, 2025**

Dear Sir/Madam,

This letter concerns the recent movement of the Company's securities on both exchanges. We would like to clarify that the fluctuations observed in the stock price appear to be market-driven, and management is not associated with these movements.

Additionally, there has been no change in the Company's business strategy and medium-term outlook beyond what was communicated during the investor/analyst call on Wednesday, July 30, 2025, for the quarter ended June 30, 2025, and at the 8th Annual General Meeting held on August 12, 2025. The changes in stock price are also not related to any alteration in promoter stake within the Company.

No information or announcement (including impending announcements) has been made, to our knowledge, that would impact the trading of the Company's equity shares. We have circulated all required releases on the exchanges.

We assure you that the Company remains committed to maintaining the highest standards of corporate governance and shall continue to do so in the interest of shareholders.

Thanking you.

Yours faithfully,

For **KPIT Technologies Limited**
