## **ADDITIONAL INFORMATION :**

### **i. Status of the Company's application earlier filed with the BIFR :**

In view of huge loss incurred by the Company (mpm) over successive years since 2009 and following the accumulated loss exceeding the threshold limit, the Company was declared SICK, by the Board for Industrial & Financial Reconstruction (BIFR), New Delhi in Case No. 601/2012. Thereafter, the BIFR held several hearings and had even appointed the erstwhile State Bank of Mysore (SBM) as an Operating Agency (OA) to prepare a 'Revival Scheme' for the Company. A draft Revival Scheme prepared by M/s. Deloitte Touche Tohmatsu India Pvt. Ltd., Bangalore, a Consultant was submitted to the Government of Karnataka, being a major stakeholder, for its consideration. Meanwhile, considering huge losses incurred by the company for over several years, the Govt. of Karnataka, in consultation with the company, took a conscious decision to stop the

operations of the company, in view of its un-viability, in the Paper Mill from November, 2015 and at Sugar Mill from March, 2016 and to lease out the operations of the Company to a private entity. Subsequently, following the enforcement of the repeal of the SICA, 2003 from December, 2016 onwards and consequential abatement of the aforesaid reference made to the BIFR, a further reference was required to be made by the Company before the National Company Law Tribunal (NCLT) under Insolvency and Bankruptcy Code, 2016 for adjudication of the matter. However, in view of the aforesaid decision of the Govt. to lease out operations of the Company to a private entity, a further reference was not made to the NCLT.

Further, in this direction, the Govt. also constituted an High Power Committee (HPC) during Oct. 2015 under the Chairmanship of the Chief Secretary to Govt. of Karnataka to oversee the necessary preparatory works and monitor the process of leasing out the operations of the Company to a private entity. The High Power Committee has held several meetings till now and had also constituted a `Forest Committee` to consider / approve sale / disposal of the matured pulpwood grown in the Captive Plantations raised by the Company in the forest lands leased to the Company which also held eight meetings till now. The harvesting of the matured pulpwood is being done only till the said lease is made out to avoid deterioration of pulpwood quality.

Further, the Company has engaged the services of IDeCK, the Transaction Consultant for preparation of bid documents like Request for Qualification (RFQ), Request for Proposals (RFP), Lease Deed and Project Information Memorandum (PIM) and for conducting of the bid process. Further, the Company had uploaded RFQ in 2017 and 2018 which did not elicit good response as expected. Hence, in September, 2020 the Company floated RFP directly for which again, there was no response. However, keeping in mind the expectations of the prospective bidders, the Company has revised the RFP which has been approved by the said HPC.

The GoK has banned raising of Eucalyptus plantations in State vide notification dated 23.02.2017. Meanwhile, the Hon'ble High Court of Karnataka has stayed the said notification. The Company has requested the Govt. of Karnataka to exempt at least MPM for raising Eucalyptus Plantations in the Forest land leased to mpm. The demand of the prospective bidders, inter-alia, is lifting of ban for raising of Eucalyptus plantations in the forest lands leased to the company for ensuring uninterrupted supply of Eucalyptus as a major raw material to the successful bidder. The response from the Govt. is awaited and further action will be taken thereafter.

**ii. Earlier Directions of CPCB for stoppage of mills for inadequate compliance of pollution control norms – appeal before the NGT :**

During December, 2014, the Central Pollution Control Board (CPCB) had ordered the company to close down its entire operations due to non-meeting of certain pollution control measures, adequately, at the plant /mills. After efforts of the company did not yield any favorable response from the CPCB, the Company had then approached the National Green Tribunal (NGT) for granting stay to the said order. However, the NGT after holding several hearings at its Southern Bench, Chennai, permitted the company to continue the production at Paper Mill for a restricted quantity and extended the sugar cane crushing only for a limited period. Thereafter, the company met all other pending pollution control norms, including setting up of an ESP with the financial assistance from the Govt., to the satisfaction of the NGT following which the NGT had then directed the CPCB to revoke its closure order and grant necessary permissions. However in view of the impending leasing out of operations of the Company, coupled with directions of the Govt., thereafter the plant/s were not re-started to reduce the losses.

**iii. Introduction of Voluntary Retirement Scheme / Voluntary Separation Scheme to the workforce of the Company.**

As directed by the Govt. in 2017, as a prelude to leasing out the operations of the company to a private entity, the Company has also implemented the Voluntary Retirement Scheme (VRS) / Voluntary Separation Scheme (VSS), as applicable, for its entire workforce,. The Government, inter-alia, had directed to ensure zero manpower with the said implementation of VRS / VSS to the workforce to ensure early leasing out of operations of the company to a private entity and ensuring zero manpower at the plant was also another condition of the prospective bidders to take on lease. Accordingly, the company has implemented VRS/VSS scheme to its permanent employees and contract workers respectively excluding employees working in Forest Division and Forest Field Watchers. However, few of the employees and officers did not avail the said VRS and were still on the muster rolls of the Company.

The GoK had infused Rs.34500 crore towards settlement of various liabilities payable as VRS/VSS benefits to eligible workforce and outstanding dues payable to forest field workers.

**iv. Grant of permission for closure of the Company :**

As there is no revenue generation in the company, the day to day administration of the company is carried out by the financial assistance extended by GoK from time to time. In order to mitigate the financial hardship faced by the Company, as per the communication dtd.01.02.2019 received from GoK, an application seeking permission for closure of manufacturing activities of the company was filed before Labour Secretary on 11.03.2019. The Labour Secretary had then passed the order on 28.06.2019 for closure of manufacturing activities of the company. However, the same was challenged by MPM Employees` Association (MPMEA) & others in the Hon'ble High Court of Karnataka. The Hon'ble High Court of Karnataka had passed the order on 09.01.2020 setting aside the order of Labour Secretary and remanded back to reconsider and pass reasoned order in accordance with law in an expedite matter & in any event not later than 4 weeks from the date of receipt of certified copy of the order ie., 23.01.2020. In pursuance of the said order of the Hon'ble High Court of Karnataka, the Labour Secretary, GOK, had held several hearing/s thereafter. Subsequently the Appropriate Authority i.e., Additional Chief Secretary, Labour Department, GoK, after hearing arguments in favour and against, has passed an order No. PÁE 226 LRF 2019 dated 07.10.2021 permitting MPM for closure of its manufacturing activities. As per provisions of the Industrial Dispute Act, 1947, the company had to pay closure compensation upto the cut-off date being 22.10.2021 to its remaining employees including any other statutory payments. The Company has already given effect to the aforesaid closure (revised) order passed by the said Appropriate Authority and made payment of the closure compensation to the remaining employees as per the Industrial Disputes Act, 1947 as also to the Officers as per the MPM OSCCAR 2008 thereof. However, the workforce engaged in raising and maintenance of Captive Plantations has been continued .

**v. Settlement of Outstanding Liability to Consortium of Bankers as OTS :**

Due to continuous losses and lack of sufficient funds for meeting the working capital requirements, the company had become defaulter i.e., NPA by not making payment to consortium of Banks with whom cash credit facility was availed during 2012 from fund and non-fund based limits. The aggregate of default amount of principal as on 31.03.2016 was Rs. 9210.83 lakhs.

As the company was unable to pay the outstanding principal amount and interest thereof, the State Bank of India, the lead banker have taken the possession of the MPM immovable

property under SARFAESI Act 2002 during December 2017 and Members of Consortium Banks also filed cases before Debt Recovery Tribunal / National Company Law Tribunal, Bengaluru. The hearings of the said cases are going on.

Meanwhile, the company in order to clear the above outstanding principal amount + interest thereon had proposed an OTS to the Members of Consortium Banks. In the latest OTS proposal offered by the company was of 85% of the principal amount and waiver of interest till payment for their consideration, as the company has stopped its manufacturing activities and there is no revenue generation. After the deliberations, the Company paid a sum of Rs. 7672 lakhs to the Consortium of Banks with the financial assistance of Govt. of Karnataka in full and final settlement of the One Time Settlement. All the members of the Consortium of Bank have confirmed the receipt of the above OTS amount of 85% of the principal amount and waiver of payment of interest till payment and accordingly the company has received acknowledgements from all the members of consortium in this regard. In view of the said OTS, the recovery suits filed by the respective Banks have been disposed off accordingly.

**vi. MESCOM Liability :**

It is pertinent to mention that a major liability still exists i.e., MESCOM dues to the extent of Rs.259.25 Cr including Interest arrears as on 31<sup>st</sup> March 2025 and that the Company has requested the MESCOM for waiver of interest levied for the delay in payment of power bill. The matter of the said outstanding dues has been taken up with the MESCOM, Energy Department and KPTCL vis-a-vis various other long pending issues like water dues from MESCOM to the Company ; value of 27 acre of land (of mpm) occupied by MESCOM/KPTCL ; revision in export power rate the negotiations for which is under progress.

**vii. Forestry activities including Renewal of Lease of Forest Lands for another 40 years :**

The Forest Wing supplied 56227 MT of pulpwood by harvesting about 616.61 hectares of captive plantations during 2015-16. Totally, 2945.15 ha. of harvested plantation areas were regenerated by replanting / coppicing with species like Acacia hybrid (387.90), Eucalyptus pellita (108.50 Ha) and Eucalyptus camaldulensis (189.50 Ha) during the year under review.

The programme of raising large scale clonal plants of Eucalyptus species in dry zone nurseries has been continued which will double the present yield from average 30 MT/Ha to over 60 MT/Ha where about  $\frac{1}{2}$  of the captive plantations are located in dry zone. The achievement with clonal plantations of Acacia hybrid in wet zone is already with an average yield of 100 MT/Ha.

The average weighted cost of Acacia and Eucalyptus pulpwood obtained from captive plantations works out to Rs. 1,970/- per tone as against Rs. 5,800/- per tone sold by KFDC in market. Thus Rs. 2153.49 lakhs plus tax were saved by obtaining 56227 MT of pulpwood from captive plantations and also which has minimized the consumption of chemicals and maximized the yield of pulp for production of paper. During 2015-16, 40,000 MT of acacia pulpwood was supplied from Captive Plantations which has helped in minimizing the consumption of chemicals worth over Rs. 23.71 lakhs. Hence, Captive forestry was responsible for saving a total sum of Rs. 2177.20 lakhs during 2015-16.

The Govt. of Karnataka had leased forest C&D grade lands to the extent of around 30,000 ha for a period of 40 years w.e.f. 11.08.1980 for raising captive plantations as a raw material for manufacturing of paper and the company had in possession of 22616.85 ha in which the company has raised plantation in a phased manner in accordance with the Management Plan approved by Government of India. The said lease had expired on 10.08.2020. On the request of the company the Govt. of Karnataka, MPM being a Government company, issued a GO No.FEE 121 FLL 2015 dtd.20.11.2020 for renewal of lease granted in favour of MPM to an extent of 20005.42 ha for a period of 40 years from 11.08.2020 to 10.08.2060 subject to further renewal by mutual consent. The said lease is granted in accordance with the provisions provided under Section 2(iii) of the Forest (Conservation) Act, 1980 by invoking the provisions of the Karnataka Forest Act 1963 and the Karnataka Forest Rules 1969. Accordingly, a lease agreement has been executed on 21.11.2020 between the Principal Chief Conservator of Forests (HoFF), Forest Department, GoK, for and behalf of Governor of Karnataka and The Mysore Paper Mills Limited represented by the Managing Director, giving effect to the above GO issued, incorporating the clauses of the said GO therewith. The said lease agreement has also been registered before the office of the Sub-Registrar, Bhadravati, Shimoga as per the Karnataka Stamps Act 1957 upon payment of stamp duty and registration charges of Rs.73,15,39,224/- which has been met out of the funds released by the Govt, for the purpose, as loan to the Company. Necessary applications have been made to the Ministry of Environment and Forests, Govt. of India, through Govt. of Karnataka, for issue of Management Plan

afresh for the period FY 2022 to 2029 as the earlier one is expiring in July, 2022 and same is under the consideration the Govt. of India.

**viii. BSE Trading Stoppage :**

It may be noted that the Comptroller and Auditor General of India, New Delhi had appointed M/s. MNS & Co., Bengaluru as Statutory Auditors of the Company for the FY 2014-15. Accordingly the said statutory auditors though completed the Statutory Audit for the said FY had then raised an issue of `on-going concern` and had urged the Company to get a Letter of Comfort from the Govt. of Karnataka, being a major stakeholder assuring that the required funds would be infused by the Govt. to the company in the backdrop of company's weak financials vis-à-vis mounting liabilities failing which they would like to restate the financial statements at realizable value. After great deal of deliberations and exchange of correspondence and explanations provided to them by the Company, they have finally signed the Annual Accounts for the said FY 2014-15 only during Jan, 2021 and also issued their revised report during Oct. 2021. Hence there has been inordinate delay in holding the AGM for FY 2014-15. In view of this the Company thereafter, has not been able to file regulatory filings within the time limits which lead to suspension of trading of equity shares with effect from November, 2016 by the Bombay Stock Exchange (BSE) where the Company Equity Shares are listed with penalties thereof. The Company has already made application/s for revocation of the suspension of trading at BSE in view of the aforesaid reasons and also sought waiver of the penalties imposed thereof and the same is under the consideration of the Exchange. The Registrar of Companies in Karnataka has also been apprised of the reasons for delay in holding AGMs.

**ix. Arrears of Books of Accounts & Audit of the Company.**

The finalization of Accounts and Audit are in arrears for the period 2016-17 to 2024-25 due to earlier delay in closure of books for the period 2014-15 and closure of operations of the company. The company has initiated the process of preparation of accounts and is coordinating with the Statutory Auditors and C&AG.

**Disclaimer of Opinion**

We were engaged to audit the accompanying standalone financial statements of **The Mysore Paper Mills Limited** ("the Company"), which comprise the balance sheet as at **31st March 2016**, the statement of Profit and Loss and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements")

We do not express an opinion on the accompanying financial statements of the entity, because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report. We have also not been able to obtain sufficient and appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

**Basis for Disclaimer of Opinion**

During our audit examination, the following limitations have significantly impacted our ability to provide an opinion on financial statements for the year ending 31st March 2016:

**1) Not obtaining all the information and explanations necessary for the audit**

- i. The audit for the year ending 31st March 2015 was completed in January 2021, resulting in further delays in preparing the information and records to be made available for our review.
- ii. The computer systems used to record transactions were damaged, consequent to which accounting data relevant to the audit period were damaged and records could not be retrieved from the same. Additionally, sufficient physical records were unavailable due to the passage of time.
- iii. Following the implementation of the Voluntary Retirement Scheme (VRS) in 2017, the majority of the staff, including the Chief Financial Officer of FY 2015-16, have retired. Consequently, there was no adequate finance team to prepare and provide the necessary information and records for our audit review.

## 2) Going Concern Assumption

### A) Negative Net-Worth

The company has been incurring continuous cash losses, resulting in a fully eroded net worth. As of 31st March 2016, the company's net worth is negative, amounting to INR 67,503 Lakh.

### B) VRS/VSS settlement of Employees and Contract Labourers

The company has offered VRS/VSS to all employees, except for forest division staff and forest watchers to maintain continuity of the afforestation plan. This indicates that the company has no intention to resume production in the foreseeable future.

### C) Long overdue creditors

The Company has current liabilities due for a period more than the contractual period and outstanding for a long period. The Company has not taken steps to identify the realistic value of liabilities and has no arrangements to clear these liabilities.

### D) Order of Debt Recovery Tribunal and Attachment of Company's Assets and One-Time Settlement (OTS)

The company has not been able to repay the Outstanding Bank Dues, which resulted in loan accounts becoming NPA. Application under section 19 of the Debts Due to Banks and Financial Institution Act 1993, was filed before Hon'ble Debts Recovery Tribunal-II at Bangalore by the State Bank of India for recovery of the Bank dues. The Karnataka Bank a member of the Consortium Bankers had also filed an application before the Debt Recovery Tribunal II, Bengaluru and had obtained the Garnishee order against the company's account maintained at Corporation Bank, Bhadravathi for non-payment of their outstanding dues. The State Bank of India, the leader of Consortium Banks had attached all the immovable properties of the company under SARFAESI ACT, 2002 by fixing the notice on the main gate of the factory on 31.12.2018 and also publishing the same in all leading newspapers for non-payment of their outstanding dues. During FY 2021-22, the company entered into an OTS arrangement with the banks by which 85% of the principal due to banks has been agreed and settled. Consequently, the accrued interest and 15% of the principal due to banks have been waived off.

### E) No assurance from the Government of Karnataka (herein referred to as "GoK") for financial support

The State Government has neither assured nor provided any letter of comfort regarding funding for the operation of the company or the clearance of outstanding liabilities.

**F) Non-operation of Paper and Sugar mills since 2015-16**

Based on decisions by the National Green Tribunal and Central Pollution Control Board, the paper mill's operations were suspended in November 2015 and the sugar mill's operations were suspended in March 2016. The Board passed a resolution in its 553rd meeting dated 17<sup>th</sup> December 2015 to suspend operations and minimize the workforce. The company received directions later from GoK to suspend its manufacturing activities including maintenance.

**G) Order of labour secretary, GoK for closure of manufacturing activities of the company**

The Labour Secretary GOK has issued the closure order vide GO No KA.E:IDG:2019 Dated 28.06.2019. The same was challenged by the MPM Employees Association in the Hon'ble High Court of Karnataka and the Hon'ble High Court of Karnataka has passed the order dtd.09.01.2020 which was received on 23.01.2020 has set aside the said closure order and remanded matter to the appropriate authority to reconsider and pass a reasoned order. Subsequently, on 7<sup>th</sup> October 2021, Order has been passed for closure of the company.

**H) Status of company's application with BIFR**

As GOK has decided to lease out the operations of the mill to a third party, as a part of the revival of the company, no further initiative from the company for pursuing with BIFR. With the Bankruptcy Code coming into effect, all proceedings pending before the BIFR and AAIFR stand abated.

**I) Unsuccessful attempts at leasing out the operations of the Company to a Private Entity**

MPM uploaded Request for Quotations (RFQ) on the Karnataka e-portal in April 2017 and June 2018, but no responses were received. A Request for Proposal (RFP) was subsequently uploaded in September 2020, with a due date of January 2021, which also received no responses. In the High Power Committee meeting convened on 26.07.2021, chaired by the Chief Secretary of GoK, it was decided to postpone re-floating the RFP until the GoK issues an order modifying the notification banning eucalyptus cultivation in Karnataka.

In view of the above, we have serious reservations about the company's ability to be classified as a going concern as per the Standards on Auditing 570. The company has prepared its financial statements on a going concern basis, which we believe is inappropriate. Consequently, we are unable to express an opinion on the financial statements.

3) We draw attention to Note 3.01 of the financial statements, which indicates that due to a delay in the enhancement of authorized capital, the share application money received from the Government of Karnataka between the periods 2012 to 2014 amounting to INR 14,821.21 Lakh is pending for allotment. Consequently, the Company fails to comply with Section 42(6) of the Companies Act, 2013, i.e., the Company has neither allotted securities within 60 days from the date of receipt of money nor refunded the amount within 15 days after the expiry of 60 days. Additionally, as required by the aforementioned section, the application money is not kept in a separate bank account in a scheduled bank, has been utilized for purposes other than those mentioned and no interest has been accrued. Furthermore, the Company has not complied with the Companies (Acceptance of Deposit) Rules, 2014.

4) We are unable to obtain details for capital reserves of **INR 5.5 Lakh** and workings for opening revaluation reserve amounting to **INR 57.25 Lakh**. During the year, the company has impaired fixed assets, however corresponding impact of such impairment on revalued assets is not given to revaluation reserve, therefore we are unable to verify and comment on the impact of the same, if any on financial statements.

5) A loan from Govt of Karnataka amounting to **INR 9,092 Lakh** is subject to balance confirmation and reconciliation, therefore we were unable to comment on the consequent impact of the same, on the financial statements.

6) **Unavailability of Statements and Balance Confirmations relating to Short Term Borrowings**

- i. We were unable to obtain statements for 4 OD/CC accounts having a closing balance of INR 2,166.20 Lakh. Consequently, we were unable to verify the transactions during the year and closing balances for the year ending March 31, 2016. As a result, we are unable to comment on the impact of the same, if any on the financial statements.
- ii. In addition to the above, a balance of INR 1,112.42 Lakh as of March 31, 2016, is subject to balance confirmation and reconciliation. As a result, we are unable to comment on the impact of the same, if any on the financial statement.

7) We were unable to obtain complete Party-wise closing balance breakup, transaction details for Trade Payables, Trade Receivables, Advances received from debtors, Capital Advances, Trade Deposits, Loans and Advances, Claim Receivable and security deposits amounting to INR 8,923.04 Lakh, INR 1282.01 Lakh, INR 745.25 lakh, INR 0.50 Lakh, INR 39.63 Lakh, INR 151.84 Lakh, INR 67.38 Lakh, INR 393.25 lakh respectively, the same is subject to balance confirmation and reconciliation. Hence, we are unable to verify the balances and their impact if any on the financial statements.

8) We were unable to obtain transaction-wise details, breakups, challans, and returns for the statutory dues remitted and payable during FY 2015-16. Hence, we are unable to verify and comment on the non-compliance, timeliness of remittance, accuracy of outstanding payable and consequent impact, if any on the financial statements.

9) For FY 2015-16, it was noted that the company has neither submitted its quarterly audited financial results nor undergone a limited review of its unaudited quarterly financial results as required under the SEBI regulations for listed entities. As a result of this non-compliance, we are unable to assess and comment on the financial impact of potential penalties on the company's financial position.

10) According to the information and explanations given to us and on the basis of our examination of the available records,

- i. The undivided share of land for the flats in Mumbai, Bengaluru, and Delhi has not been separately accounted for and is included under buildings, which are being depreciated. Due to the unavailability of purchase deeds, we are unable to verify and comment on the impact of this on the financial statements.
- ii. No Physical verification of Fixed assets has been conducted as on 31st March 2016.

- iii. We are unable to obtain asset-wise accumulated depreciation and revaluation reserve for opening balance and assets impaired during the year, due to which, we are unable to verify the correctness and completeness of depreciation calculated for the year ended 31st March 2016.
- iv. The company has not maintained proper records showing full particulars including quantitative details, date of purchase and useful life.
- v. As per AS-10, the Gross carrying amount should be without making any deduction for accumulated impairment loss, however, the company has reduced the value of impaired assets from the gross carrying value.

**11) Instances of accounting on a Hybrid basis and lack of cut-off procedures impacting the period concept**

Plantation and nursery expenses incurred towards captive plantation are being recorded at the time of settlement by the Chief Forest Officer and not on an accrual basis. In the absence of adequate records made available to us, we are unable to quantify prior period expenses accounted during the year and the amount to be accrued for the year ending 31st March 2016.

12) We were unable to obtain the inward register, weighment slips and goods received note (GRN) to verify yield from captive plantation during the year amounting to **INR 499.28 Lakh**, therefore we are unable to comment impact if any of the same on the closing valuation of standing corps and captive plantation as at 31st March 2016.

13) We were appointed as an auditor of the company for FY 2015-16 on 6<sup>th</sup> July 2016; therefore, we were not able to take part in the year-end physical verification process. Further, due to the non-availability of adequate subsequent details, we are not able to roll back to verify the closing stock as on 31st March 2016.

- i. Based on the information and explanation given to us and based on the management physical verification report obtained, it was noted that physical verification was not conducted for Raw material amounting to **INR 4,807.97 Lakh** as at 31st March 2016. We were appointed to conduct an audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is not sufficient and appropriate to provide a basis of opinion.

### **Other Matters**

The financial statements of the company for the year ended March 31, 2015, were audited by another auditor, who expressed a modified opinion on those statements in their audit report dated 6th October 2021. Details regarding the basis for the modified opinion are included in their audit report. Our opinion is not modified in this regard.

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report but does not include the financial statements and our auditor's report thereon. The Director's report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for

preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has an adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## **ANNEXURE B - to the Independent Auditors' Report**

Referred to in paragraph 2(f) under the 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of The Mysore Paper Mills Limited for the year ended 31<sup>st</sup> March 2016.

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We were engaged to audit the internal financial controls over financial reporting of The Mysore Paper Mills Limited as of March 31, 2016, in conjunction with our audit of the standalone financial statements of the Company for the year ended 31<sup>st</sup> March 2016.

#### **Responsibilities of Management and Those Charged with Governance for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note" on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility for Internal Financial Controls**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Because of the matter described in the Disclaimer of Opinion paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the internal financial controls system over the financial reporting of the Company.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) Provide reasonable assurance regarding the prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

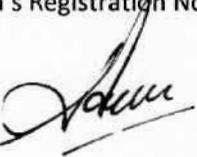

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Disclaimer of Opinion**

According to the information and explanation given to us, the Company has not established its internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion on whether the Company had adequate internal financial controls over financial reporting and whether such internal financial controls were operating effectively as at 31<sup>st</sup> March 2016.

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company, and the disclaimer does not affect our opinion on the financial statements of the Company.

We have examined the compliance of conditions of corporate governance by The Mysore Paper Mills Limited, for the year ended on 31<sup>st</sup> March 2016, as stipulated in Clause 49 of the Listing Agreement of the Company with Stock Exchange.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the company.

In accordance with the scope of our verification, we have performed the following procedures to obtain reasonable assurance about the Company's compliance with the conditions of Corporate Governance as stipulated under Clause 49 of the Listing Agreement:

- i. Reviewed the records, minutes of meetings of the Board of Directors and Audit Committees to verify compliance with the composition, frequency, and procedural requirements prescribed under Clause 49;
- ii. Obtained written representations and explanations from the Management regarding the Company's compliance with the mandatory and non-mandatory requirements of Clause 49, and the reasons for deviations, if any; and
- iii. Verified, on a test-check basis, the existence and adequacy of supporting documentation evidencing compliance with the Corporate Governance framework during the financial year under review.
- iv. Reviewed the Code of Conduct adopted by the Company for Directors and Senior Management Personnel and verified, on a test-check basis, its disclosure on the Company's website in accordance with the requirements of Clause 49.

#### Conclusion

In our opinion and to the best of our information and according to the explanations given to us, the company has complied with the conditions of the Corporate Governance as stipulated in the above mentioned Listing Agreement subject to the following Observation / Qualifications:

1. During the financial year 2015–16, the Company held three Board Meetings as against the minimum requirement of four meetings in a year, as stipulated under Clause 49 (II)(D) of the Listing Agreement. Consequently, the Company did not fully comply with the prescribed frequency of Board Meetings of 120 days gap between the meetings. However, all other provisions relating to the conduct and procedure of the meetings were duly complied with. Hence, there was a partial non-compliance with respect to the number of Board Meetings held during the year.
2. As per Clause 49 (II)(B) of the Listing Agreement, the Audit Committee is required to meet at least four times during the year, with a maximum gap of four months between two meetings, and the quorum for the meeting shall comprise either two members or one-third of the members of the Audit Committee, whichever is greater, with at least two independent directors present.

During the financial year 2015-16, the Company convened three Audit Committee meetings. In the 132<sup>nd</sup> audit meeting, though the quorum requirement of two members was met, only one of them was an Independent Director, which is not in full conformity with the provisions of Clause 49 (II)(B).

3. As per the non-mandatory requirements under Clause 49 of the Listing Agreement, the Company may establish a Nomination and Remuneration Committee comprising three Non-Executive Directors and

adopt a Whistle Blower mechanism to enable directors and employees to report concerns about unethical behaviour or fraud.

During the financial year 2015–16, although the Company had constituted a Nomination and Remuneration Committee, no meeting of the Committee was held during the year. Further, the Company had not formulated or implemented a Whistle Blower Policy / Vigil Mechanism during the said period.

We state that, as per the report of the Investor Grievance Committee for the financial year 2015–16, there were no investor grievances pending against the Company during the aforesaid period.

We further state that such compliance is neither an assurance as to the future viability of the company nor the efficiency or effectiveness with which the management has conducted the affairs of the company.

#### **Restriction on Use**

We confirm that this certificate is for information and for use by the Company only.

This certificate may be made available by the Company in the manner it deems appropriate to meet its statutory or regulatory requirements, and it is not to be used, reproduced, or relied upon for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or any other person to whom this report is shown or into whose hands it may come without our prior consent in writing.
