PRESS RELEASE**JUJHAR LOGISTIC (SUBSIDIARY OF CDG PETCHEM) ACHIEVES HIGHEST-EVER QUARTERLY VEHICLE DELIVERY VOLUME IN Q3 FY26**

2 January 2026 – Jujhar Logistic & Travels Limited (51% subsidiary of CDG Petchem Ltd), a leading automotive logistics solutions provider, announced that it achieved its highest-ever quarterly vehicle delivery volume during the October–December 2025 quarter (Q3 FY26), reflecting strong operational execution and sustained growth momentum.

The Company recorded a significant growth in total vehicle deliveries of 35.62 % and 30.12 % compared to preceding quarter (July–September 2025) and the corresponding quarter of the previous year (October–December 2024) respectively. This performance underscores the scalability of operations and the Company’s ability to support increasing OEM logistics requirements.

Quarterly Vehicle Delivery Performance (Consolidated)

Period	Total Vehicle Deliveries (Units)	QoQ Growth (%)	YoY Growth (%)
October – December 2025	42,068	35.62 %	30.12 %
July – September 2025	31,018		
October – December 2024	32,330		

Management Commentary

Commenting on the above performance, Mr. Arshdeep Singh Mundi, Director said:

“We are pleased to report the highest-ever quarterly vehicle delivery volumes in the October–December 2025 period. This milestone reflects the strength of our operating platform, disciplined execution, and our teams’ ability to scale efficiently alongside OEM production growth.

The improvement in quarterly volumes, both sequentially and year-on-year, reinforces our confidence in the long-term growth of the automotive logistics sector. We remain focused on operational excellence, asset optimization, and prudent capital allocation as we continue to support our customers’ expanding logistics requirements.”
