A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. This Statement includes the results of the Holding Company and the following entities:

5. Based on our review conducted and procedures performed as stated in paragraph 7 above nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in Ind AS 34 and other recognised accounting principles generally accepted in India has not disclosed the information required to be disclosed in terms of the Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. The Statement includes the interim financial results of a subsidiary which are not subject to review, whose financial results reflect total revenue of Rs. Nil and total net profit/(loss) after tax of Rs. Nil and total comprehensive income / (loss) of Rs. Nil for the quarter ended December 31, 2023 and for the period from April 01, 2023 to December 31, 2023, respectively. These interim financial results have been furnished to us by the Holding Company's Management and our conclusion on the Statement in so far as it relates to the amounts and disclosures included in respect of this subsidiary is based solely on such management provided unreviewed interim financial results. According to the information and explanations given to us by the Management, these interim financial results are not material to the Group.

Our conclusion is not modified in respect of the above matter.
