Sub: Intimation under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") – **COVID 19 Update and utilization of Distillery Unit to manufacture Hand Sanitizers**

Dear Sir,

As you know BCL Industries Limited is into the production of Edible Oils and Extra Neutral Alcohol. In view of the escalating COVID-19 situation and in compliance with Government directions, our top priority at this moment is the safety and well-being of our employees, customers, vendors and all other stakeholders. We are implementing various preventive measures in line with guidelines issued by the government healthcare departments. As a responsible Company, we have taken all the precautionary measures in line with best market practices and have been following stringent hygiene protocols at all our facilities to ensure that our products stay safe for consumption and that our workforce upholds highest standards of preparedness and hygiene.

We would like to inform, that the Company was facing labour related challenges since the announced nationwide lockdown and hence had to shut down operations at both the facilities. We are happy to announce that we have resolved these labour issues to a certain extent and have restarted production with effect from 02<sup>nd</sup> April, 2020 at both the plants.

Furthermore, we would also like to inform that the company has received the required permission from Commissionerate of Food & Drugs Administration, Punjab to produce and supply **hand sanitizers** from our Distillery, within any regions of India, as hand sanitizers are a major component for the prevention of Covid-19 and the supply for which is in the interest of humanity. As you are aware that the company's distillery capacity is of 200 KLPD, which is fungible to produce hand sanitizers and hence we have dedicated a capacity of 100 KLPD for the same.

The Company has also restarted production at its Edible Oil manufacturing plant as the same falls under essential commodities in line with the orders from the Central and State Governments. The Company is taking all possible efforts to ensure uninterrupted supplies of edible oils to our customers across channels viz. General Trade and Modern Trade.
