## **Ritco Logistics Ltd. Continues Its Winning Streak with Prestigious Contracts across Transportation, Warehousing, and Multimodal Sectors**

Ritco Logistics Ltd., a leader in India's integrated logistics landscape, has once again reinforced its position as a trusted partner for some of the country's top industrial giants. Demonstrating its commitment to efficiency, reliability, and excellence, Ritco has secured multiple high-value contracts across key verticals.

### **A. Transportation vertical - Expanding Reach with Industry Leaders**

**Tata Steel Contract** - Ritco has strengthened its long-term partnership with Tata Steel through a new multi-year logistics contract. This collaboration reflects Ritco's proven reliability, performance, and capability in managing large-scale industrial freight efficiently.

**AMNS Contract** - Further enhancing its presence in the steel logistics sector, Ritco has secured a new transportation contract from ArcelorMittal Nippon Steel (AMNS). This win underscores Ritco's agility and commitment to delivering customized, high-quality logistics solutions for leading industrial clients.

**JSW Steel Contract** - A major addition to Ritco's industrial logistics portfolio, JSW Steel has awarded a one-year transportation contract, reaffirming Ritco's role as a trusted partner for time-critical and high-volume cargo operations in the steel industry.

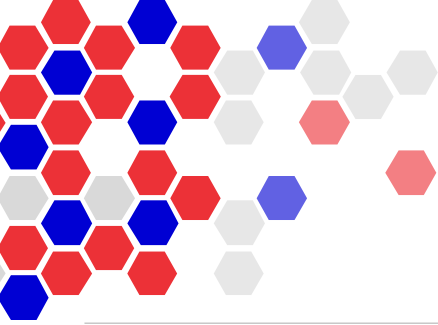

### **Additional Strategic Business Wins**

Ritco continues to expand its presence across diverse industries through multiple new contracts. Esteemed clients such as **Mother Dairy, Virchow Laboratories, Epack Petrochem, Sunflag Iron and Steel, Maruti Steel, JK Tyre, Anna A-One Alloy, and Chettinad** have partnered with Ritco for their logistics needs. These strategic additions collectively enhance Ritco's market reach and underscore our versatility in serving sectors such as FMCG, pharmaceuticals, specialty chemicals, automotive, and alloy manufacturing.

### **B. 3PL & Warehousing**

**Mangalore Refinery and Petrochemicals Limited Contract** - Expanding its 3PL and warehousing capabilities, Ritco has secured a two-year contract with MRPL. This partnership reinforces Ritco's commitment to delivering integrated logistics solutions through efficient space management, inventory handling, and value-added services.

**Indian Synthetic Rubber Private Limited Contract** - Ritco has secured a three-year contract with ISRPL for 3PL and warehousing services. This collaboration highlights Ritco's growing role as an end-to-end logistics partner, offering integrated storage, inventory management, and distribution solutions tailored to industrial requirements.

## C. Rail & Multimodal - Driving Innovation in Cargo Movement

Building on the successful execution of cargo movement for a Bio Mass company in Uttar Pradesh, in collaboration with Indian Railways, Ritco is now expanding similar multimodal logistics solutions to four additional states: **Haryana, Maharashtra, Gujarat, and Rajasthan**. This expansion reflects Ritco's commitment to reducing logistics costs and carbon emissions through innovative rail-road integration and sustainable transportation strategies.

Additionally, Ritco has successfully carried out **rake movement of organic manure from Kakinada to Ongole, Andhra Pradesh**, further demonstrating our agility in handling sector-specific cargo with specialized needs.

Several new rake movements are currently in the pipeline, with a mix of planned and ongoing operations expected to be completed shortly. These developments reinforce Ritco's growing leadership in multimodal logistics and our continued investment in rail-integrated supply chain solutions.

## D. Information Technology

**Endpoint Security:** To prevent unauthorized information access, all company devices are encrypted with antivirus software, encryption, and USB/device usage controls.

**Identity and Access Management (IAM):** Role-based access control, Multi-Factor Authentication (MFA), and strong password policies guarantee that only personnel with permission can access sensitive systems.

**Regular Patching and Updates:** To guard against known vulnerabilities, all software and systems receive regular updates with the newest security patches.
