Aditya Thackeray criticises Dy CM Shinde over tender process for Gaimukh Tunnel

Mumbai, May 31 (UNI) : Shiv Sena (UBT) MLA Aditya Thackeray criticised Maharashtra Deputy Chief Minister Eknath Shinde and the state government over the tendering process for the Gaimukh Tunnel project.

Thackeray said that the court has taken a dig at the tendering process of the Gaimukh Tunnel.

(On Friday, the Mumbai Metropolitan Region Development Authority (MMRDA) informed the Supreme Court that it has decided to scrap the tender process for the Gaimukh

tunnel project and an elevated road project in "public interest".)

Thackeray alleged that "there is big scam in it" and questioned whether a case will be registered against Deputy Chief Minister Eknath Shinde or will he be removed from the government. He said

"Many issues have come before us. We have brought these issues before the media today regarding the Gaimukh Tunnel".

"I congratulate the court and contractor L&T," he said. (Earlier this month, L&T filed two petitions before the Bombay HC, contending that MMRDA did not follow a fair and transparent tender process.)

Thackeray said the cost of the Gaimukh-Bhayander Twin Tunnel was expected to be Rs 14,000 crore but the contract process was to be completed within 20 days. "How can there be such a short notice for this big project," he questioned.

When they went to court, MMRDA said that they are giving a contract time of 60 days instead of 20 days, claimed Thackeray.

'Hindi has now become spoken language of Mumbai': Minister

Mumbai, May 31 (UNI) Maharashtra Transport Minister Pratap Sarnaik claimed on Saturday that Hindi has now become the spoken language of Mumbai. "We call Marathi our mother tongue. However, Hindi has become the spoken language of Mumbai. I sometimes communicate with people in pure Marathi. However, when I go to Mira-Bhayander, which is my constituency, Hindi automatically comes out of my mouth," he said.

Meanwhile, Shiv Sena (UBT) MP Sanjay Raut strongly criticised Sarnaik for his statement, arguing that Shiv Sena founder Bal Thackeray formed Shiv Sena so that the Marathi people can live with dignity.

CM, DyCM pay their respects to Punyashlok Ahilyadevi Holkar on her 300th birth anniversary

On this occasion, Chairman of the Legislative Council Prof Ram Shinde, Ministers Radhakrishna Vikhe Patil, Atul Save, MLA Gopichand Padalkar, district collector Dr Pankaj Asia, Zilla Parishad chief executive officer Anand Bhandari were present.

On this occasion, both the CM and DyCM also visited the Mahadev temple in the area of Ahilyabai Holkar memorial and offered their prayers. They also performed a Maha Aarti on this occasion. Speaking at a programme organised on

occasion of 300th birth anniversary, Fadnavis announced that the state government will make a multilingual film on the life of Ahilyadevi Holkar.

Congress MP Varsha Gaikwad expresses shock over condition of health services in suburban Mumbai

Mumbai, May 31 (UNI) : City Congress president and MP Varsha Gaikwad on Saturday expressed shock over the current condition

of suburban health services in Mumbai and questioned where did the Health department's Rs 7K crore fund go.

Responding to questions after visiting Bhabha Hospital in suburban Bandra and interacting with citizens

there, she said, "The Brihanmumbai Municipal Corporation is one of the richest municipal corporations in the country. The Corporation presented a budget of Rs 74,000 crore this year, of which Rs 7,000 crore has been allocated for the Health department, but the condition of suburban health services in Mumbai is very bad. If even basic facilities cannot be provided to patients, then where exactly did the municipal corporation's money go."

The BMC had assured that it would not inaugurate the hospital without providing facilities like cathlab,

nephrology, neurology, cardiac and blood bank in this building, but till date these facilities have not been started.

In 2024-25, a provision of Rs 12 crore was made for medicines, which has been reduced to Rs six crore this year. Tenders for medicines have not been floated for 14 months.

There are ICU, trauma ICU, and pediatric ICU departments in the intensive care unit, but there are no doctors available. Also, the number of beds in the intensive care unit is very less compared to the hospital beds.

Furthermore, 2D UCO machine is not available, pathology facility is also closed, she complained.

There are no facilities available in these suburban hospitals for tests like CT scan, MRI, she alleged and said if such tests are required, patients have to go out at a huge expense.
