Mr. Santosh Kumar (DIN: 09687204) was appointed as Whole Time Director for a period of five years with effect from November 01, 2024, by means of an Ordinary Resolution passed by the Members vide Postal Ballot notice dated September 12, 2024, on the terms and conditions including payment of remuneration as mentioned therein. Further, Mr. Santosh Kumar resigned as Whole Time Director of the Company from the close of business hours on December 31, 2024.

Ms. Varsha Chaudhary Jain (DIN: 08388940) was appointed as Whole Time Director for a period of five years w.e.f. November 12, 2024. by means of an Ordinary Resolution passed by the Members vide Postal Ballot notice dated November 11, 2024, on the terms and conditions including payment of remuneration as mentioned therein.

The Nomination and Remuneration Committee and the Board of Directors have at their respective meeting(s) held on May 27, 2025, accorded their approvals for waiver of the recovery of the excess remuneration aggregating to Rs. 9,602,657/- (Rupee Ninety Six Lakh Two Thousand Six Hundred Fifty Seven only) (including Rs. 33 Lakhs paid to Mr. Arvind Bhandari in excess of his shareholder's approval) paid / payable to all the Executive Directors in the form of fixed pay or otherwise including the Managing Director(s) & Whole Time Director(s) (current and former) of the Company for the Financial Year 2024- 25 exceeding the managerial remuneration limit of 10% of net profits calculated under Section 198 of the Companies Act, 2013.

In furtherance to above, the Nomination and Remuneration Committee and the Board of Directors have at their respective meeting(s) held on May 27, 2025, accorded their approvals for waiver of the recovery of the excess overall remuneration aggregating to Rs. 6,465,065/- (Rupee Sixty Four Lakh Sixty five Thousand and Sixty Five only)(including Rs. 33 Lakhs paid to Mr. Arvind Bhandari in excess of his shareholder's approval) paid / payable to all the Directors in the form of fixed pay or otherwise including the Managing Director(s) & Whole Time Director(s) (current and former) for the Financial Year 2024- 25 exceeding the overall managerial remuneration limit of 11% of net profits calculated under Section 198 of the Companies Act, 2013.

The payment of excess remuneration was a result of many factors directly associated with the Company including but not limited to low profitability, talent acquisition, category leadership, completion of tenure of Director, appointment of the new Directors and other various macro factors that have affected the Company's profitability. Further, the total number of Executive Directors has increased to three, compared to two in prior years. Owing to the above factors, the financial performance of the Company in the Financial Year ended March 31, 2025 did not meet the expectations.

As a result of the above, the remuneration paid to Managing Director(s) & Whole Time Director(s) (current and former) for the financial year 2024-25 exceeded the limits specified under Section 197 of the Companies Act, 2013 (the Act) read with Schedule V thereto. Pursuant to Section 197(10) of the Act, the members of the Company can waive the recovery of excess remuneration by passing a special resolution.

The Board of Directors of the Company believes that the remuneration as paid to Managing Director(s) & Whole Time Director(s) (current and former) of the Company is justified in terms of their key role within the Company and, in the interest of the Company have recommended the aforesaid resolution as set out in this Notice for approval of the Members.

Accordingly, it is proposed that approval of the members of the Company by way of a special resolutions be obtained for the waiver of recovery of excess remuneration paid to Managing Director(s) & Whole Time Director(s) (current and former) of the Company.

All the other terms and conditions related to the appointment and remuneration of Directors shall remain same in accordance with respective Shareholder's approval of the Company for the remaining tenure of the Director(s).

The Company has not defaulted in payment of dues to any bank or public financial institution or non-convertible debenture holders or other secured creditor, if any.

The relevant documents referred to in the accompanying AGM Notice and the Explanatory Statement shall be available for inspection at the Registered Office of the Company during normal business hours (11:00 A.M. to 1:00 P.M. IST) on all working days except Saturday, up to and including the date of the 64th AGM of the Company.

Save and except Directors and their relatives to the extent of their shareholding interest, if any, in the Company for item no. 6&7 none of the other Directors / Key Managerial Personnel and their relatives are in any way, concerned or interested, financially or otherwise, in the resolutions set out in item no. 6& 7.

The Board recommends the Special Resolution as set out in Item No. 6&7 of the Notice of the AGM for approval by the Members.

FINANCIAL YEAR

April 01, 2024 to March 31, 2025

Message from the Chairman & Managing Director

Dear Shareholders,

Warm greetings to you and your family!

India is expected to retain its status as the world's fastest-growing major economy in FY2025, with a projected GDP growth rate of 6.5%. This growth outlook reflects strong fundamentals, continued infrastructure investments, and robust government spending aimed at stimulating key sectors.

A significant driver of this momentum is India's resilient domestic consumption facilitated by rising disposable incomes, expanding urbanization, and recovery in rural demand.

While global geopolitical uncertainties—including ongoing conflicts and trade disruptions—pose risks to the global economy, India has so far remained relatively insulated. Policy continuity, a strong domestic market, and prudent fiscal management are helping buffer external shocks and preserve investor confidence.

Despite various odds, Goodyear India Limited is firmly committed to focusing on and growing its presence in the Indian market. Guided by our vision in Asia Pacific to make Goodyear #1 in tires and service in Luxury, SUV and EV by 2028, we are working on key strategic plans to expand our distribution network and increase our footprint across the country.

We are fast-tracking our transformation by leveraging Goodyear's advanced global technologies to boost operational agility and deliver enhanced customer value. Our digital journey focuses on embedding innovation across core functions and customer touchpoints, with unified mobile apps enhancing engagement and ease of interaction. With that in mind, I am pleased to share that Goodyear is establishing a Global Capability Center (GCC) in Hyderabad. The proposed center will oversee Goodyear's research and development (R&D) and IT operations.

Equally important is our emphasis on cultivating a vibrant organizational culture that encourages employee engagement, innovation, and long-term success. We promote open communication and cross-functional collaboration, supported by a leadership team that leads with integrity and transparency. These cultural foundations not only contribute to a more energized and productive workforce but also position the Company to confidently navigate current challenges and capitalize on future opportunities.

These initiatives are aimed at reinforcing our position in the Farm business and expanding into key segments of the Consumer Replacement business, driving long-term growth and competitiveness.

For the Financial Year 2024-25, the total income of the Company was Rs. 262,557 Lakhs as compared to Rs. 256,868 Lakhs in the previous Financial Year 2023-24.

Profit before tax (PBT) during the Financial Year 2024-25 was Rs. 7,468 Lakhs, a decline of 41.67% from a year ago.

The Board of Directors has recommended a Final dividend of Rs. 23.90 /- per equity share of Rs. 10/- each for the Financial Year 2024-2025.

Our Company's organizational culture is anchored in professionalism, integrity, and a commitment to continuous improvement across all functions, with a focus on the efficient utilization of resources to achieve sustainable and profitable growth.

I sincerely thank our shareholders, employees and customers for their continued trust and support, which propel our journey toward long-term success and sustainable growth.

Best Regards,

Arvind Bhandari

Total comprehensive income for the year	5,610	9,674

2. FINANCIAL HIGHLIGHTS

During the Financial Year 2024-25, the total income was Rs. 262,557 Lakhs as compared to Rs. 256,868 Lakhs in the previous Financial Year 2023-24.

The revenue from operations was Rs. 260,805 Lakhs as compared to Rs. 255,171 Lakhs in the previous Financial Year 2023-24, increase by 2.21%.

Profit before tax (PBT) during the year was Rs. 7,468 Lakhs as compared to Rs. 12,803 Lakhs in the previous Financial Year 2023-24, a decrease of 41.67%.

The total comprehensive income stood at Rs. 5,610 Lakhs as compared to Rs. 9,674 Lakhs in the previous Financial Year 2023-24, a decrease of 42.01%.

Capital expenditure incurred during the year amounted to Rs. 2,181 Lakhs as compared to Rs. 4,016 Lakhs in the previous Financial Year 2023-24. The interest and other finance cost was Rs. 468 Lakhs as compared to Rs. 424 Lakhs in the previous Financial Year 2023-24.

3. OPERATIONS

The Company manufactures and sells automotive tyres viz. farm tyres and commercial truck bias tyres at its Ballabgarh plant. The Company also markets and sells passenger car tyres which are manufactured by Goodyear South Asia Tyres Private Limited ('GSATPL'), Aurangabad, in the replacement market. Other products which the Company markets and sells include tubes and flaps.

Farm businesses in the Financial Year 2024-25 is navigating a particularly turbulent landscape shaped by a mix of economic, environmental, and policy-related challenge. According to the Economic Survey 2024-25, agriculture sector growth for the current fiscal is pegged at 3.8 per cent (source: BS 2nd Jun'25). The Company maintained a volume growth of 3%.

In the Financial Year 2025-26 Industry expected to grow at 3%-3.5%, the combination of favorable climatic conditions, supportive government policies, and technological advancements will drive the industry volume (Source: Business Standard Jun'25).

The Farm OE has seen a growth of 4% in the Financial Year 2024-25 on Y-O-Y basis. Financial Year 2025-26 looks positive, with continued growth in farm mechanization, supported by government initiatives and advancements in technology.

However, challenges such as the affordability of equipment for smaller farmers and climate uncertainties remain. OEMs that focus on sustainability, innovation, and accessibility are well-positioned to capture the growing demand for farm machinery in India.

Farm Replacement segment has seen a growth of 1.2% in the Financial Year 2024-25 on Y-O-Y basis which is mainly impacted due to multiple challenges including portfolio gap & intense competition however efforts were directed at sustaining distribution footprint and channel expansion, while also prioritizing product quality.

In the Financial Year 2025-26 Business is working on portfolio improvement with new launches and enhancing consumer satisfaction, fill the white spaces & continue to strengthen our position in market, building on the strong brand equity of Goodyear.

This approach ensured that Goodyear tyres are preferred by consumers & are easy to buy, own and recommend.

The Company maintained its leadership position in the Farm business category by its efficient and competitive operations.

Weak consumption-led GDP growth, indicative of economic stress, negatively affected the Consumer Replacement business. Reduced spending power due to lower consumption

and high inflation constrained growth in this sector. However, Consumer Replacement business continued its focus to grow in the target market segments through the following key initiatives:

- Building distribution and expanding reach to ensure wider spread availability of Goodyear products to its consumers.
- Launch of technologically superior products like Assurance Maxguard in passenger segment.
- Leveraging technology & analytics to enhance customer connect and productivity.

4. DIVIDEND

The Board has recommended a final dividend of Rs. 23.90 per equity share amounting to Rs. 5,513 lakhs for the Financial Year 2024-25 as against final dividend of Rs. 15/- per equity share and special interim dividend of Rs. 26 /- per equity share in the previous Financial Year 2023-24.

The Dividend recommendation is in accordance with the Dividend Distribution Policy of the Company available at the Investors Relations section on the Company's website at www.goodyear.co.in/investor-relations.

The final dividend of Rs. 23.90 per equity share, as recommended by the Board for the Financial Year 2024-25, shall be paid to the eligible members within the stipulated time-period, if approved at the ensuing Annual General Meeting (AGM) of the Company.

5. TRANSFER TO GENERAL RESERVE

During the Financial Year 2024-25, the Company has not transferred any amount towards General Reserve.

6. AWARDS AND RECOGNITIONS

During the Financial Year 2024-25, the Company was honoured with the prestigious "Golden Peacock Award" for Excellence in Corporate Governance in the rubber sector. This esteemed recognition underscores Goodyear's unwavering commitment to maintaining a robust, sustainable, and effective Corporate Governance framework. The Golden Peacock Awards are regarded as a benchmark of corporate excellence, and this accolade reflects the Company's continuous pursuit of best governance practices.

7. DIRECTORS' RESPONSIBILITY STATEMENT

In terms of Section 134 of the Companies Act, 2013 ("the Act"), the Directors make the following statements that:

- (i) in the preparation of the annual accounts for the Financial Year 2024-25, the applicable accounting standards have been followed and that there are no material departures;
- (ii) appropriate accounting policies have been selected and applied consistently and judgements and estimates that are reasonable and prudent have been made so as to give a true and fair view of the state of affairs of the Company as at March 31, 2025 and of the profit and loss of the Company for that period;

- (iii) proper and sufficient care have been taken for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (iv) the annual accounts for the Financial Year 2024-25 have been prepared on a going concern basis;
- (v) they have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively; and
- (vi) they have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

8. FUTURE OUTLOOK

Indian Economy

Maintaining the strong momentum from the previous year, India's future outlook remains positive, with most institutions forecasting a GDP growth rate between 6.3% and 6.7% for the year 2025-26.

The fundamental drivers of India's long-term growth story remain strong: a youthful and expanding population, a burgeoning middle class with rising disposable incomes, and increasing digital penetration. These factors are expected to fuel consumption across various sectors, from essential goods to discretionary spending, including the burgeoning demand for premium and technologically advanced products.

Government initiatives focused on infrastructure development are laying the groundwork for enhanced connectivity and efficiency, which will be crucial for sustained economic expansion. The emphasis on boosting domestic manufacturing through schemes like Production-Linked Incentives (PLI) is also expected to bear fruit, attracting investments, creating jobs, and reducing reliance on imports. Furthermore, India's growing prowess in the services sector, particularly in IT and digital services, positions it favorably in the global landscape. The ongoing digital transformation across industries is unlocking new efficiencies and opportunities for innovation.

However, the path ahead is not without its hurdles. Managing inflationary pressures will be critical to maintaining macroeconomic stability and consumer confidence. Creating sufficient high-quality jobs to absorb the growing workforce remains a paramount challenge. Additionally, sustained efforts are needed to improve the ease of doing business, attract higher levels of foreign direct investment, and address income disparities to ensure inclusive growth. The global economic environment, characterized by geopolitical uncertainties and potential shifts in trade policies, also presents external risks that India will need to carefully navigate.

Looking ahead, the Indian economy is poised for continued growth, potentially solidifying its position as a major global economic power. The key lies in effectively leveraging its demographic dividend, sustaining the momentum of structural reforms, and proactively addressing the existing and emerging challenges. By focusing on enhancing productivity, fostering innovation, and ensuring equitable development, India can unlock its immense potential and chart a course towards a prosperous and sustainable economic future.

Farm Segment:

Indian farm segment update based on the latest market insights:

Market Size & Growth Projections

The Indian agricultural tractor market is projected to grow from **USD 7.92 billion in 2025** to **USD 10.95 billion by 2030**, at a **CAGR of 6.7%** (source: <https://www.mordorintelligence.com/industry-reports/india-agricultural-tractor-machinery-market>)

The sector is expected to benefit from **increased mechanization, government subsidies, and technological innovations.**

Key Growth Drivers

- **Government Support:** Subsidies, tax incentives, and schemes like Pradhan Mantri Krishi Sinchayee Yojana, PM Kisan Yojana, PM-KUSUM, SMAM and Sub-Mission on Agricultural Mechanization are encouraging farmers to adopt modern machinery.
- **Technological Advancements:** Adoption of GPS-guided tractors, precision farming tools, and electric tractors is on the rise.
- **Changing Farm Dynamics:** Larger farm sizes and the emergence of commercial farming are driving demand for high-horsepower tractors (>50 HP).
- **Horticulture Expansion:** The area under horticulture has increased, boosting demand for specialized tractors.
- **Labour Shortages:** Migration and aging rural populations are pushing farmers toward mechanization.

Emerging Challenges:

- **Climate Variability:** Unpredictable monsoons and extreme weather events can impact tractor sales.
- **Input Cost Inflation:** Rising costs of fuel, steel, and components may affect pricing and margins.
- **Fragmented Land Holdings:** Small and marginal farmers still dominate, limiting the affordability of high-end tractors.
- **Competition from Substitutes:** Power tillers and harvesters are gaining traction in certain segments

OEM Strategies

- **Product Diversification:** Companies like TAFE and Somalia are launching **electric and hybrid tractors** with smart features like auto-steer and farm management systems
- **Localized Innovation:** OEMs are tailoring products for **regional agro-climatic conditions** and **crop-specific needs.**
- **Sustainability Focus:** There's a growing emphasis on **eco-friendly tractors** with lower emissions and better fuel efficiency.
- **Digital Integration:** Use of **IoT, telematics, and mobile apps** for real-time monitoring and predictive maintenance.

Outlook Summary

The Indian farm tractor industry in FY 2025-26 is poised for robust growth, driven by:

- Strong policy support,
- Technological innovation,
- Evolving farming practices,
- And a shift toward sustainable agriculture.

OEMs that align with these trends and invest in smart, sustainable, and affordable solutions will be best positioned to lead the market

As India continues its push toward agricultural modernization, the farm tractor industry will play a crucial role in boosting productivity, reducing labor dependency, and supporting the country's overall economic growth.

Consumer Replacement Segment:

The consumer replacement tyre market has experienced modest expansion in Financial Year 2024-25, largely due to sluggish urban demand and slower car sales growth during the pandemic period. Nevertheless, robust growth is expected to resume in the medium to long term, propelled by India's favorable demographics and low vehicle ownership rates.

The rising popularity of SUVs and compact SUVs over traditional hatchbacks, alongside the consistent growth of the premium car market driven by increased disposable incomes and a growing middle and upper class with a younger demographic, are key trends.

While still nascent, the electric vehicle market is gaining significant traction due to government support and higher fuel costs, creating new demands for manufacturers. Your company has strategically identified these expanding segments—Luxury, SUV, and EV—as key targets, and all organizational efforts are focused on achieving success within them.

Overall, the Indian consumer replacement tyre industry holds a promising future, supported by a large and increasing vehicle base, greater consumer awareness, and a growing preference for quality tyres.

Auditor's responsibility

Based on audit, our responsibility is to express an opinion on the compliance with the applicable laws and maintenance of records by the Company. We conducted our audit in accordance with the auditing standards CSAS 1 to CSAS 4 ("CSAS") prescribed by the Institute of Company Secretaries of India ("ICSI"). These standards require that the auditor complies with statutory and regulatory requirements and plans and performs the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the CSAS. Our report of even date is to be read along with this letter.

1. Maintenance of secretarial records is the responsibility of the Management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on the random test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.

3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company and for which we relied on the report of statutory auditor.
4. Wherever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. Compliance with the provisions of Corporate and other applicable Laws, Rules, Regulations, Standards is the responsibility of Management. Our examination was limited to the verification of procedures on random test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the Management has conducted the affairs of the Company.

MANAGEMENT DISCUSSION & ANALYSIS REPORT

1. Industry Structure & Developments

The Indian farm tyre industry faced a series of challenges, including rising raw material costs, supply chain disruptions, and external pressures such as fuel price volatility and weak agricultural income.

These factors contributed to slower growth and reduced demand for farm tyres in certain segments of the market. However, despite these challenges, the industry showed resilience and registered growth of 3.8% in the Financial Year 2024-25 on Y-O-Y basis.

Few notable changes in the Consumer segment Industry are

Dominance of Utility Vehicles (UVs) and SUVs: This segment continues to be the primary growth driver and accounts for more than 60% of total passenger vehicle sales. Consumers increasingly prefer the spaciousness, comfort, safety features, and higher ground clearance offered by SUVs and compact SUVs which is driving growth in this segment and hence growing demand for tyres in this segment

Increasing Demand for Premium Vehicles: A notable trend is the rising interest in premium models and high-end variants. Significant majority of Indian car buyers are considering premium options, fueled by rising disposable incomes and a desire for better features and status. This is resulting into migration of tyre demand from lower rim segments to higher rim segments

Growing Traction for Electric Vehicles (EVs): While still a smaller segment compared to petrol and diesel vehicles, the EV market is experiencing a surge in interest and sales. Government incentives, rising fuel prices, and increasing environmental awareness are driving this demand. This segment is also gaining momentum with new model launches.

Hybrid Vehicles as a Bridge: There's a growing preference for hybrid vehicles as consumers explore sustainable options while awaiting more robust EV infrastructure and incentives. Hybrids are seen as a bridge technology, offering a balance between traditional powertrains and full electrification.

Online Sales and Digital Influence: Digital platforms and online channels are playing a more significant role in the tyre and car buying journey. Consumers are increasingly using online resources for research, comparing features and prices, although final purchases often still occur offline.

In summary, the Indian passenger vehicle market is tilting towards SUVs and premium vehicles, with a strong undercurrent of growing interest in EVs and hybrids. Safety, technology, and the digital experience are becoming increasingly important for

consumers, while traditional segments like hatchbacks and sedans are losing ground.

In FY24-25, the Company focused on boosting volume by expanding its retail presence and intensifying extraction efforts. Moreover, the brand's positioning was further reinforced through the introduction of a new premium product lineup, supported by the application of technology and analytics to boost both customer engagement and productivity.

2. Strength, Weakness, Opportunities and Threats

Indian tyre Industry is dominated by the Commercial category (Truck & Bus) which contributes more than 50% of the tyre industry revenue. However, the Company has limited presence in the Commercial tyre category which limits its ability for portfolio selling and ability to mitigate risk of the Farm category. Despite these constraints, the outlook of the Company remains positive.

As India's population, the largest globally at 18% (World Population Review), continues to rise, the need for agricultural products intensifies. Recognizing this, the Government has prioritized agriculture sector, accounting for 18% of the country's GDP. Additionally, more than 50% of India's population is dependent on agricultural products which is further fueling the growth of this sector.

This growth has prompted the farmers to adopt newer and more advanced technologies to deliver higher productivity.

The Farm industry outlook for mid to long-term (3 to 5 years) continues to remain positive. The Company maintained/preserved its leadership position in the Farm business category by its efficient and competitive operations.

A significant consumer shift towards luxury, SUV, and EV vehicles is set to fuel growth in the replacement tyre industry. This preference for larger rim sizes will shape future market demands. Recognizing this, the Company is strategically prioritizing growth in premium segments to enhance profitability. By leveraging its technological, and superior products to differentiate itself, the Company aims to gain market share. Despite strong competition, the Company remains committed to growth through expanding its channels and improving service via technology. Furthermore, it is launching innovative products tailored to the evolving demands of the luxury SUV and EV markets.

3. Segment-wise/ Product-wise Performance

The Company manufactures and sells automotive tyres viz. farm tyres and commercial truck tyres at its Ballabgarh plant. The Company also markets and sells passenger car tyres which are manufactured by Goodyear South Asia Tyres Private Limited

('GSATPL'), Aurangabad, in the replacement market. Other products which the Company markets and sells include tubes and flaps.

The sales performance during the year is as follows:

(Rs. in Lakhs)

Tyres	246,161
Tubes	11,658
Flaps	66

4. Outlook

A positive outlook is emerging for the Financial Year 2025-26, fueled by forecasts of a normal monsoon, positive prospects for the rabi crop, increased wheat output compared to last year, and government support through higher Minimum Support Price (MSP) & multiple DBT schemes,

However erratic monsoon rainfall, water reservoir levels, inflationary pressure, and geopolitical conflicts remain key concern areas for the sector

The Company maintained/ preserved its leadership position in the Farm business category by its efficient and competitive operations. The Farm OE business will continue to focus on delivering excellence in customer service and key account management. In the Farm Replacement business, the Company shall look at prioritizing channel expansion, channel engagement and operational excellence by delivering the right tyre, to the right place, at the right time and cost.

Both the channels will be supported through new product launches in emerging segment to support growing consumer demand

The increasing adoption of larger rim sizes in vehicles is expected to drive robust sales volume in the Consumer Replacement business. This shift is part of a broader change in consumer preference, with SUVs, EVs, and luxury vehicles gaining considerable popularity due to their spaciousness, comfort, safety features, environmental benefits, and alignment with rising disposable incomes.

Recognizing this significant opportunity, the Company will continue its unwavering commitment to introduce new consumer centric innovative products, improve service through technological advancements, and streamline its distribution network.

5. Risks and Concerns

- **Slower Than Expected Growth:** While India is still a fast-growing economy, forecasts for FY25 have been revised downwards by some institutions, reflecting a potential slowdown in urban demand and the impact of global uncertainties.

- **Persistent Core Inflation:** Although headline inflation has eased, core inflation remains sticky, indicating underlying price pressures that could necessitate careful monetary management by the Reserve Bank of India
- **Unemployment and Underemployment:** Creating sufficient quality jobs for India's large and growing workforce remains a significant challenge.
- **Fiscal Constraints:** While the government is focused on infrastructure spending, high levels of government debt and potential impacts on revenue from tax exemptions could limit future fiscal space.
- **Global Economic Uncertainty:** Factors like geopolitical tensions, potential shifts in US trade policy, and volatile commodity prices (especially oil, of which India is a major importer) pose external risks.
- **Trade and Tariff Issues:** Rising trade tensions and potential reciprocal tariffs from major trading partners like the US could negatively impact India's export growth.
- **Climate Impact on Agriculture:** Adverse weather conditions and heatwaves could affect agricultural output, impacting rural incomes and potentially fueling food inflation.
- **Financial Sector Vulnerabilities:** While the situation has stabilized, potential for renewed stress in the financial sector, including the risk of rising interest rates impacting borrowers, remains a concern.
- **Raw Material Price Volatility:** Natural rubber and crude oil derivatives constitute a significant portion of tyre production costs. Fluctuations in these prices can severely impact profitability.

6. Internal Control Systems and Adequacy

The Company has a proper and adequate system of internal control including internal financial controls. The Company has an Audit Committee headed by a Non-Executive Independent Director, inter-alia, to oversee the Company's financial reporting process, disclosure of financial information, and reviewing the performance of statutory and internal auditors with management. The internal control system, including internal financial controls of the Company, is monitored by an independent internal audit team, which encompasses examination/periodic reviews to ascertain adequacy of internal controls and compliance to the Company's policies. Weaknesses noted, if any, along with agreed upon action plans are shared with the Audit Committee, which is designed to ensure orderly and efficient conduct of the business and effectiveness of the internal control system.

The audit function also looks into preventive controls, investigations, as well as other areas requiring mandatory review as per applicable laws. The powers of the Audit Committee, inter-alia, include seeking information from any employee, obtaining outside legal or other professional advice, and investigating any activity of the Company within the

Committee's term of reference. The internal audit department shares regular updates regarding the work that is done, coverage, weaknesses noted and other relevant issues with appropriate management levels including Audit Committee. Observations/ weaknesses noted from time to time are suitably acted upon and followed up at different levels of management. The internal control is supplemented by an extensive program of audits and periodic review by the management.

26. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk opportunity (Indicate positive or negative implications)
1	Decarbonization	Risk	The Company recognizes that climate change can lead to significant impacts and the Company is responsible for reducing greenhouse gas emissions throughout its value chain to align with 2050 net zero science-based targets.	Goodyear has set 2030 and 2050 science-based targets, which were validated by the Science Based Targets initiative (SBTi) in Sept. 2023. Goodyear is also building and implementing decarbonization strategies to address GHG-intensive aspects of its business—purchased goods & services, energy, and transport. Although use phase is not included in the science-based targets, Goodyear sets additional targets to help reduce rolling resistance and tire weight, which can help to improve use phase emissions.	Negative

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk opportunity (Indicate positive or negative implications)
2	Circular innovation	Opportunity	Whether through product, service or business model innovation, major opportunities exist for tire companies to improve business value by moving from linear to more circular value chains. Advancing circular innovation can help the Company and its customers to reduce environmental impact, reduce costs, and unlock new revenue streams. The Company strives to make a positive impact through the choice of the materials we use and through our strategies and approach related to waste and end-of-life tires.	N. A	Positive
3	Climate change adaptation and resiliency	Risk	The Company recognizes that climate change poses the risk of moderate to severe physical events affecting the Company's operations and/or supply chain. The Company could also be affected by chronic weather conditions impacting the supply of raw materials.	The Company's Business Continuity team has an annual budget and develops extensive Business Continuity Plans (BCPs) to help mitigate and minimize physical damage and interruption at its facilities. The Company's involvement in the Global Platform for Sustainable Natural Rubber (GPSNR) and its supplier diversity is also key to mitigating supply chain risks.	Negative
4	Supply chain transparency and governance	Risk	Proactively working with suppliers to identify, evaluate and address environmental and societal impacts, risks and opportunities is critical to sustainable sourcing. Within this lies the opportunity to collaborate with suppliers to build a more sustainable and resilient supply chain, advancing toward our sustainability objectives.	We are committed to managing sourcing in a way that helps reduce environmental and social impacts and improve our global risk management. To that end, we continuously work to expand the company's requirements to include sustainable sourcing guidelines. Topics covered in our Supplier Code of Conduct include child labor and other working condition regulations, safety, business ethics, environmental practices and anti-corruption as well as our requirements related to competition law compliance, conflicts of interest and privacy, among other topics.	Negative

5	Regulatory compliance	Risk	Uncertainty and complexities arising from current/emerging regulations will likely require the Company to continue to evolve its manufacturing operations, use of materials and/or business model. Non-compliance with the regulatory and statutory requirements can impact the Company's operations and its ability to conduct business as well as generating revenue/profits.	The Company has a robust monitoring and governance mechanism to anticipate, plan and adapt to regulatory changes and compliances. The Company makes the investments needed for compliance.	Negative
6	Sustainable mobility	Opportunity	The future of mobility is changing with stakeholder expectations that the transport sector transition to low- or zero-emissions solutions. The demand for advanced mobility solutions leads to the opportunity of new products, new services, and better management of the tire life cycle.	N. A	Positive
7	Human and labour rights	Risk	Companies are expected to implement strong policies on human rights and other social issues – including protecting employee wellbeing and enacting supply chain due diligence and transparency – to help ensure the protection of human rights throughout the Company's operations and supply chain and ensure long-term business resilience.	a. Integrating a strong governance structure for Human Rights from Goodyear Corporate's Global Human Rights Policy, grievance redressal mechanism and due diligence extending to supply chain partners b. Implementation of Diversity and Inclusion (D&I) plan.	Negative
8	Customer satisfaction	Risk/ Opportunity	The Company recognizes the significance of a satisfied customer when it comes to the quality, safety, affordability, and performance of its products. Customer expectations are constantly evolving and to cater the same, the company needs to adapt to the expectations. Satisfied customers bring reputational credibility in the market as well as enhance the potential for the Company's business growth. Focused on strong innovation capability and technology-based solutions, the Company has the right tools to continue to deliver customer satisfaction.	a. Improved customer handling and relevant support systems b. Established mechanisms to identify and mitigate possible technical issues and how they may arise.	Negative/ Positive

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk opportunity (Indicate positive or negative implications)
9	Total worker health	Risk	The nature of Goodyear's business as a manufacturer places paramount importance on health and safety performance.	Occupational health and safety are critical aspects of the Company's commitment to workforce health and safety. The Company aims to eliminate serious injuries and fatalities from its operation and to be recognized as having the safest operations in the sector.	Negative

- b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

Response: The Company prioritizes Occupational Health and Safety by conducting regular internal and external audits to uphold compliance within its manufacturing operations. Key processes involve identifying work-related hazards using design checklists, activity monitoring, and adherence to safety protocols like Job Safety Analysis, Hazard Identification and Risk Assessment (HIRA), standard operating procedures, and operational control procedures. To manage high-severity activities effectively, a stringent Work Permit system is in place to safeguard the well-being of employees and workers.

- c. Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks. (Y/N)

Response: Yes, at our company, we prioritize safety through well-established Standard Operating Procedures (SOP) for employees and workers. These procedures empower our team to identify and report potential work-related hazards effectively. Additionally, we provide comprehensive training to all employees and workers through occupational health and safety modules. These training sessions focus on equipping individuals with the methodology to identify hazards, analyse associated risks, and implement necessary steps to mitigate them. Safety is a core value, and we ensure that our workforce is well-prepared to maintain a secure work environment.

During safety and emergency evacuation drills, employees undergo training on utilizing emergency equipment like fire hydrants, firefighting systems, leak and spill control procedures, and safety alarms. Their proficiency in handling emergency situations is regularly assessed through practical exercises. The combination of hands-on drills and online safety modules ensures that employees are well-prepared to report work-related hazards and safely extricate themselves from such scenarios.

12. Describe the measures taken by the entity to ensure a safe and healthy workplace

Response: The Company prioritizes health and safety through a comprehensive program that monitors key performance indicators closely. With a foundation built on established policies and procedures, the program utilizes monitoring KPI mechanisms like GEMBA audits, reactive monitoring, hazard hunting, incident reporting, and investigation to ensure effective implementation of the EHS program.

Our EHS policy underscores the importance of a safe working environment for employees, contractors, visitors, and neighboring communities. Internal and external audits are conducted regularly to evaluate safety practices in line with the EHS management system. Identified critical areas prompt immediate corrective actions, with thorough analysis of incidents and hazards to prevent re occurrence.

As part of our EHS management system, safety training modules and drills are provided to equip the workforce with the skills to identify and mitigate risks. Continuous safety reviews by the leadership team uphold the program's efficacy.

To safeguard employee well-being, the Company offers health awareness sessions, medical facilities, and insurance benefits. Additionally, voluntary health promotion services such as lifestyle counseling, stress management, and nutritional campaigns aim to foster healthy practices among individuals.

Any individual who has a grievance or concern regarding a potential violation of Goodyear's Human Rights Policy may contact the Company's confidential Integrity Hotline, which is available 24 hours a day, 7 days a week from anywhere in the world via toll-free telephone or by a dedicated website. The Company's Integrity Hotline allows employees and third parties to report a concern or ask a question, anonymously. The Company's employees may also report concerns via the internal channels set forth in the Business Conduct Manual. Each report is reviewed by the Goodyear Compliance & Ethics Department to determine how to best address the matter.

The Compliance and Ethics Department reviews each Integrity Hotline matter including any human rights issue reported and, in cases where an allegation of misconduct is substantiated, the Company takes appropriate disciplinary or remedial action. Goodyear strictly prohibits retaliation against individuals for making a report in good faith. 'Speak Up' education and awareness campaigns are held to remind employees of the Integrity Hotline and to encourage them to raise questions or concerns.

Total energy consumption from non- renewable sources (D+E+F)	GJ	238,652.52	241,416.67
Total energy consumed (A+B+C+D+E+F)		449,194.18	459,876.80
Energy intensity per lakhs rupee of turnover (Total energy consumed / Revenue from operations)		1.74	1.83
Energy intensity per lakhs rupee of turnover adjusted for Purchasing Power Parity (PPP)** (Total energy consumed / Revenue from operations adjusted for PPP)		36.0	41.8
Energy intensity in terms of physical output	GJ/tonnes	7.7	7.3

* Previous year figures restated owing to reclassification of biomass usage to renewable and revised calculation.

**The revenue from operations has been adjusted for PPP based on the latest PPP conversion factor published for the year 2024 by World Bank for India which is 20.662 (previous year 22.88)

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency?(Y/N) If yes, name of the external agency.

Response: Yes, the company has carried out an independent audit by A-Z Energy Engineers Private Limited (external agency).

2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India?(Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.

Response: Not Applicable

3. Provide details of the following disclosures related to water, in the following format.

Parameter	Units	FY 2024-25	FY 2023-24
Water withdrawal by source (in kilolitres)			
(i) Surface water	m ³	2,09,560	2,52,969

Exhibit A

Key terms of the First Lien Credit Agreement in context of Goodyear India Limited as a 'Restricted Subsidiary, are as follows:

- (i) **Restriction on Indebtedness¹:** Goodyear US will not and is required to ensure that any Restricted Subsidiary does not incur any additional indebtedness, subject to certain exceptions. For example, Goodyear US and the Restricted Subsidiaries

are permitted to undertake additional indebtedness in certain circumstances including the following: (a) for Goodyear US and the Subsidiary Guarantors (which does not include Goodyear Singapore or Goodyear India) only, if the Consolidated Coverage Ratio (as defined under the First Lien Credit Agreement) will be greater than 2:1, after the application of the proceeds from such indebtedness; (b) indebtedness is incurred in respect of performance bonds, trade acceptances, bank guarantees, letters of credit and surety or appeal bonds entered into in the ordinary course of business; (c) indebtedness is in the nature

¹ Restricted Payments have been defined under the First Lien Credit Agreement, in respect of any person, as: "(1) the declaration or payment of any dividend, any distribution on or in respect of its Capital Stock or any similar payment (including any payment in connection with any merger or consolidation involving the Borrower or any Restricted Subsidiary) to the direct or indirect holders of its Capital Stock in their capacity as such, except (A) dividends or distributions payable solely in its Capital Stock (other than Disqualified Stock or, in the case of a Restricted Subsidiary, Preferred Stock) and (B) dividends or distributions payable to the Borrower or a Restricted Subsidiary (and, if such Restricted Subsidiary has Capital Stock held by Persons other than the Borrower or other Restricted Subsidiaries, to such other Persons on no more than a pro rata basis); (2) the purchase, repurchase, redemption, retirement or other acquisition ("Purchase") for value of any Capital Stock of the Borrower held by any Person (other than Capital Stock held by the Borrower or a Restricted Subsidiary) or any Capital Stock of a Restricted Subsidiary held by any Affiliate of the Borrower (other than Capital Stock held by a Restricted Subsidiary) (other than in exchange for Capital Stock of the Borrower that is not Disqualified Stock); (3) the Purchase for value, prior to scheduled maturity, any scheduled repayment or any scheduled sinking fund payment, of any Subordinated Obligations (other than the Purchase for value of Subordinated Obligations acquired in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such Purchase); or (4) any Investment (other than a Permitted Investment) in any Person."

of inter-group loans within Goodyear US and its Restricted Subsidiaries; (d) indebtedness from honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business, provided that such indebtedness is extinguished within 5 days of the Chief Financial Officer of Goodyear US becoming aware of it; or (e) indebtedness of Foreign Restricted Subsidiaries which, in an aggregate principal amount that, when added to all other indebtedness permitted to be incurred pursuant to this clause and then outstanding, will not exceed: (x) \$2,000,000,000 plus (y) any amount then permitted to be incurred pursuant to the terms of the First Lien Credit Agreement that Goodyear US instead elects to incur pursuant to this clause.

- (ii) **Restriction on 'Restricted Payments'** : Goodyear US and the Restricted Subsidiaries may be permitted to make 'Restricted Payments', unless at the time of the making such payments: (a) a default has occurred or is continuing or would result therefrom; (b) Goodyear US cannot incur at least \$1 of additional indebtedness under the Consolidated Coverage Ratio test set forth under the terms of the First Lien Credit Agreement; or (c) the aggregate amount of such Restricted Payment and all other Restricted Payments (declared and/or made subsequent from May 11, 2009) exceeds the amounts prescribed under the terms of the First Lien Credit Agreement. There are certain other payments that are not prohibited by this covenant, as set out in the First Lien Credit Agreement, which include: payments on certain subordinated obligations, payments of certain dividends, capital stock purchases in connection with employment agreements, repurchases of capital stock in connection with the vesting or exercise of stock options, and other permitted payments as further set forth in the First Lien Credit Agreement.
- (iii) **Limitation on Sales of Assets:** Goodyear US will not, and is required to ensure that no Restricted Subsidiary makes, any 'Asset Disposition'² unless it is for: (a) at least equal to the fair market value of such assets; and (b) at least 75% of the consideration received by Goodyear US or a Restricted Subsidiary is in the form of cash (including items deemed to be cash as further set forth in the First Lien Credit Agreement) or Additional Assets (as defined in the First Lien Credit Agreement).

- (iv) **Limitation on Transactions with Affiliates of Goodyear US** and is required to ensure that no restricted subsidiary, enters into or conducts and transaction and series of related transactions

Further, Goodyear US will not, and is required to ensure that any Restricted Subsidiary does not merge into, amalgamate or consolidate with any other person or permits any person for such consolidation or sell, transfer, lease or otherwise dispose of (in one, or a series of, transaction(s)) assets (including capital stock of subsidiaries) constituting all or substantially all the assets of Goodyear US and its 'Consolidated Subsidiaries', taken as a whole. However, Goodyear US and/or the Restricted Subsidiaries will be permitted to undertake certain customary actions, including merging into Goodyear US or any Restricted Subsidiary merging into another Restricted Subsidiary (so long as no Domestic Subsidiary merges into a Foreign Subsidiary) provided that at the time thereof and immediately after giving effect thereto, no default shall have occurred and be continuing.

- (v) **Limitation on Transactions with Affiliates of Goodyear US:** Goodyear US will not, and is required to ensure that no Restricted Subsidiary, enters into or conducts any transaction or series of related transactions (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any affiliate of Goodyear US unless such transaction is on the following terms: (a) no less favorable than would be obtained in an arm's-length dealing with a person who is not an affiliate; (b) in the event such transaction involves an aggregate amount in excess of \$25,000,000, it has been set out in writing and has been approved by a majority of the board of directors of Goodyear US who have no personal interest in such transaction; and (c) in the event such transaction involves an amount in excess of \$75,000,000, it has been determined by a nationally recognized appraisal, accounting or investment banking firm to be fair, from a financial standpoint, to Goodyear US and its Restricted Subsidiaries.

There are certain exceptions to this requirement, as set out in the First Lien Credit Agreement, which include: (w) Restricted Payments permitted under the provisions of the First Lien Credit Agreement, (x) any issuance of securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, employment arrangements, incentive compensation plans, stock options and stock ownership plans

² 'Asset Disposition' has been defined under the First Lien Credit Agreement as: "any sale, lease, transfer or other disposition (or series of sales, leases, transfers or dispositions that are part of a common plan) by the Borrower or any Restricted Subsidiary, including any disposition by means of a merger, consolidation or similar transaction (each referred to for the purposes of this definition as a "disposition"), of: (a) any shares of Capital Stock of a Restricted Subsidiary (other than directors' qualifying shares or shares required by applicable law to be held by a Person other than the Borrower or a Restricted Subsidiary); (b) all or substantially all the assets of any division or line of business of the Borrower or any Restricted Subsidiary; or (c) any other assets of the Borrower or any Restricted Subsidiary outside of the ordinary course of business of the Borrower or such Restricted Subsidiary; other than, in the case of clauses (a), (b) and (c) above,

(1) a disposition by a Restricted Subsidiary to the Borrower or by the Borrower or a Restricted Subsidiary to a Restricted Subsidiary; (2) for purposes of the provisions of the First Lien Credit Agreement only, a disposition subject to the terms thereof; (3) a disposition of assets with a Fair Market Value of less than \$20,000,000; (4) a transfer of accounts receivable and related assets of the type specified in the definition of "Qualified Receivables Transaction" (or a fractional undivided interest therein) to a Receivables Entity; and (5) a transfer of accounts receivable and related assets of the type specified in the definition of "Qualified Receivables Transaction" (or a fractional undivided interest therein) by a Receivables Entity in a Qualified Receivables Transaction.

approved by the board of directors of Goodyear US; (y) loans or advances to employees in the ordinary course of business of Goodyear US; and (z) any transaction between or among any of Goodyear US, any Restricted Subsidiary and any joint venture or similar entity which would constitute an affiliate transaction solely because Goodyear US or a Restricted Subsidiary owns equity in or has control of such Restricted Subsidiary, joint venture or similar entity.

- (vi) **Limitation on Liens:** Goodyear US will not, and is required to ensure that any Restricted Subsidiary does not, incur or permit to exist any lien of any nature whatsoever on any of its property or assets (including capital stock of a Restricted Subsidiary), securing any indebtedness, except as permitted under the provisions of the First Lien Credit Agreement, which exceptions include: (x) liens to secure indebtedness permitted under the Credit Agreement and liens securing the obligations under the Goodyear US Loan Documentation, (y) liens to finance the acquisition, construction or improvement of assets, subject to certain limitations, and (z) liens on assets not constituting collateral under the First Lien Credit Agreement to secure indebtedness of any Foreign Restricted Subsidiary incurred in accordance with and as permitted by the First Lien Credit Agreement.
- (vii) **Limitation on Sale/Leaseback Transactions:** Goodyear US will not, and is required to ensure that any Restricted Subsidiary does not, enter into any Sale/Leaseback Transaction³ with respect to any property unless Goodyear US or such Restricted Subsidiary (a) can incur such indebtedness with respect to such Sale/Leaseback Transaction under the First Lien Credit Agreement; (b) is permitted to create a lien on such property securing such indebtedness pursuant to the First Lien Credit Agreement or, to the extent the assets subject to such Sale/Leaseback Transaction do not constitute collateral under the First Lien Credit Agreement, create a lien on such property pursuant to the provisions of the First Lien Credit Agreement; (c) the gross proceeds payable to Goodyear US or the Restricted Subsidiary are at least equal to the fair market value of the

assets subject to the Sale/Leaseback Transaction; or (d) the transfer of such property is permitted by, and, if applicable, Goodyear US applies the proceeds of such transaction in compliance with the provisions relating to Asset Dispositions under the First Lien Credit Agreement.

Exhibit B

Key terms of the Revolving Credit Agreement, in context of Goodyear India Limited as a 'Restricted Subsidiary, are as follows:

- (i) **Restriction on Indebtedness:** Goodyear US will not and is required to ensure that any Restricted Subsidiary does not incur any additional indebtedness, subject to certain exceptions. For example, Goodyear US and the Restricted Subsidiaries are permitted to undertake additional indebtedness in certain circumstances including the following: (a) for Goodyear US and the Subsidiary Guarantors (which does not include Goodyear Singapore or Goodyear India) only, if the Consolidated Coverage Ratio (*as defined under the Revolving Credit Agreement*) will be greater than 2:1, after the application of the proceeds from such indebtedness; (b) indebtedness is incurred in respect of performance bonds, trade acceptances, bank guarantees, letters of credit and surety or appeal bonds entered into in the ordinary course of business; (c) indebtedness is in the nature of inter-group loans within Goodyear US and its Restricted Subsidiaries; (d) indebtedness from honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business, provided that such indebtedness is extinguished within 5 days of the Chief Financial Officer of Goodyear US becoming aware of it; or (e) indebtedness of Foreign Restricted Subsidiaries which, in an aggregate principal amount that, when added to all other indebtedness permitted to be incurred pursuant to this clause and then

³ 'Sale/Leaseback Transaction' under the First Lien Credit Agreement has been defined as: "an arrangement relating to property, plant and equipment now owned or hereafter acquired by the Borrower or a Restricted Subsidiary whereby the Borrower or a Restricted Subsidiary transfers such property to a Person and the Borrower or such Restricted Subsidiary leases it from such Person, other than (i) leases between the Borrower and a Restricted Subsidiary or between Restricted Subsidiaries or (ii) any such transaction entered into with respect to any property, plant and equipment or any improvements thereto at the time of, or within 180 days after, the acquisition or completion of construction of such property, plant and equipment or such improvements (or, if later, the commencement of commercial operation of any such property, plant and equipment), as the case may be, to finance the cost of such property, plant and equipment or such improvements, as the case may be."

outstanding, will not exceed: (x) \$2,000,000,000 plus (y) any amount then permitted to be incurred pursuant to the terms of the Revolving Cred Credit Agreement that Goodyear US instead elects to incur pursuant to this clause.

(ii) **Restriction on 'Restricted Payments'**⁴: Goodyear US and the Restricted Subsidiaries may be permitted to make 'Restricted Payments', unless at the time of the making such payments: (a) a default has occurred or is continuing or would result therefrom; (b) Goodyear US cannot incur at least \$1 of additional indebtedness under the Consolidated Coverage Ratio test set forth under the terms of the Revolving Cred Credit Agreement; or (c) the aggregate amount of such Restricted Payment and all other Restricted Payments (declared and/or made subsequent from May 11, 2009) exceeds the amounts prescribed under the terms of the Revolving Cred Credit Agreement. There are certain other payments that are not prohibited by this covenant, as set out in the Revolving Cred Credit Agreement, which include: payments on certain subordinated obligations, payments of certain dividends, capital stock purchases in connection with employment agreements, repurchases of capital stock in connection with the vesting or exercise of stock options, and other permitted payments as further set forth in the Revolving Cred Credit Agreement.

(iii) **Limitation on Sales of Assets**: Goodyear US will not, and is required to ensure that no Restricted Subsidiary makes, any 'Asset Disposition'⁵ unless it is for: (a) at least equal to the fair market value of such assets; and (b) at least 75% of the consideration received by Goodyear US or a Restricted Subsidiary is in the form of cash (including items deemed to be cash as further set forth in the Revolving Cred Credit Agreement) or Additional Assets (as defined in the Revolving Cred Credit Agreement).

Further, Goodyear US will not, and is required to ensure that any Restricted Subsidiary does not merge into, amalgamate or consolidate with any other person or permits any person

for such consolidation or sell, transfer, lease or otherwise dispose of (in one, or a series of, transaction(s)) assets (including capital stock of subsidiaries) constituting all or substantially all the assets of Goodyear US and its 'Consolidated Subsidiaries', taken as a whole. However, Goodyear US and/or the Restricted Subsidiaries will be permitted to undertake certain customary actions, including merging into Goodyear US or any Restricted Subsidiary merging into another Restricted Subsidiary (so long as no US Subsidiary merges into a Foreign Subsidiary) provided that at the time thereof and immediately after giving effect thereto, no default shall have occurred and be continuing.

(iv) **Limitation on Transactions with Affiliates of Goodyear US**: Goodyear US will not, and is required to ensure that no Restricted Subsidiary, enters into or conducts any transaction or series of related transactions (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any affiliate of Goodyear US unless such transaction is on the following terms: (a) no less favorable than would be obtained in an arm's-length dealing with a person who is not an affiliate; (b) in the event such transaction involves an aggregate amount in excess of \$25,000,000, it has been set out in writing and has been approved by a majority of the board of directors of Goodyear US who have no personal interest in such transaction; and (c) in the event such transaction involves an amount in excess of \$75,000,000, it has been determined by a nationally recognized appraisal, accounting or investment banking firm to be fair, from a financial standpoint, to Goodyear US and its Restricted Subsidiaries.

There are certain exceptions to this requirement, as set out in the Revolving Cred Credit Agreement, which include: (w) Restricted Payments permitted under the provisions of the Revolving Cred Credit Agreement, (x) any issuance of securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of,

⁴ Restricted Payments have been defined under the Revolving Credit Agreement, in respect of any person, as: "(1) the declaration or payment of any dividend, any distribution on or in respect of its Capital Stock or any similar payment (including any payment in connection with any merger or consolidation involving Goodyear or any Restricted Subsidiary) to the direct or indirect holders of its Capital Stock in their capacity as such, except (A) dividends or distributions payable solely in its Capital Stock (other than Disqualified Stock or, in the case of a Restricted Subsidiary, Preferred Stock), (B) in the case of such payments by Goodyear or any Restricted Subsidiary other than GEBV or any Restricted GEBV Subsidiary, dividends or distributions payable to Goodyear or a Restricted Subsidiary (and, if such Restricted Subsidiary has Capital Stock held by Persons other than Goodyear or other Restricted Subsidiaries, to such other Persons on no more than a pro rata basis), and (C) in the case of such payments by GEBV or any Restricted GEBV Subsidiary, dividends or distributions payable to GEBV or a Restricted GEBV Subsidiary (and, if such Restricted GEBV Subsidiary has Capital Stock held by Persons other than GEBV or other Restricted GEBV Subsidiaries, to such other Persons on no more than a pro rata basis);

(2) the purchase, repurchase, redemption, retirement or other acquisition ("Purchase") for value of any Capital Stock of Goodyear held by any Person (other than (A) in the case of such transactions by Goodyear or a Restricted Subsidiary other than GEBV or any GEBV Subsidiary, such Capital Stock held by Goodyear or any Restricted Subsidiary, and (B) in the case of such transactions by GEBV or a Restricted GEBV Subsidiary, such Capital Stock held by GEBV or a Restricted GEBV Subsidiary) or any Capital Stock of a Restricted Subsidiary held by any affiliate of Goodyear (other than (A) in the case of such transactions by Goodyear or a Restricted Subsidiary other than GEBV or any GEBV Subsidiary, such Capital Stock held by a Restricted Subsidiary and (B) in the case of such transactions by GEBV or a Restricted GEBV Subsidiary, such Capital Stock held by GEBV or a Restricted GEBV Subsidiary) (other than in exchange for Capital Stock of Goodyear that is not Disqualified Stock);

(3) the Purchase for value, prior to scheduled maturity, any scheduled repayment or any scheduled sinking fund payment, of any Subordinated Obligations (other than the Purchase for value of Subordinated Obligations acquired in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case due within one year of the date of such Purchase; provided that the exception in this parenthetical clause shall be limited in the case of payments by GEBV or any Restricted GEBV Subsidiary to payments in respect of Subordinated Obligations of GEBV or any Restricted GEBV Subsidiary); or

(4) any Investment (other than (A) in the case of Goodyear or any Restricted Subsidiary other than GEBV or any GEBV Subsidiary, a Permitted Investment, and (B) in the case of GEBV or any GEBV Subsidiary, a Permitted GEBV Investment) in any Person."

employment arrangements, incentive compensation plans, stock options and stock ownership plans approved by the board of directors of Goodyear US; (y) loans or advances to employees in the ordinary course of business of Goodyear US; and (z) any transaction between or among any of Goodyear US, any Restricted Subsidiary and any joint venture or similar entity which would constitute an affiliate transaction solely because Goodyear US or a Restricted Subsidiary owns equity in or has control of such Restricted Subsidiary, joint venture or similar entity.

- (v) **Limitation on Liens:** Goodyear US will not, and is required to ensure that any Restricted Subsidiary does not, incur or permit to exist any lien of any nature whatsoever on any of its property or assets (including capital stock of a Restricted Subsidiary), securing any indebtedness, except as permitted under the provisions of the Revolving Cred Credit Agreement, which exceptions include: (x) liens to secure indebtedness permitted under the Credit Agreement and liens securing the obligations under the Goodyear US Loan Documentation, (y) liens to finance the acquisition, construction or improvement of assets, subject to certain limitations, and (z) liens on assets not constituting collateral under the Revolving Cred Credit Agreement to secure indebtedness of any Foreign Restricted Subsidiary incurred in accordance with and as permitted by the Revolving Cred Credit Agreement.
- (vi) **Limitation on Sale/Leaseback Transactions:** Goodyear US will not, and is required to ensure that any Restricted Subsidiary does not, enter into any Sale/Leaseback Transaction with respect to any property unless Goodyear US or such Restricted Subsidiary (a) can incur such indebtedness with respect to such Sale/Leaseback Transaction under the

Revolving Cred Credit Agreement; (b) is permitted to create a lien on such property securing such indebtedness pursuant to the Revolving Cred Credit Agreement or, to the extent the assets subject to such Sale/Leaseback Transaction do not constitute collateral under the Revolving Cred Credit Agreement, create a lien on such property pursuant to the provisions of the Revolving Cred Credit Agreement; (c) the gross proceeds payable to Goodyear US or the Restricted Subsidiary are at least equal to the fair market value of the assets subject to the Sale/Leaseback Transaction; or (d) the transfer of such property is permitted by, and, if applicable, Goodyear US applies the proceeds of such transaction in compliance with the provisions relating to Asset Dispositions under the Revolving Cred Credit Agreement.

INDEPENDENT AUDITOR'S REPORT

To The Members of Goodyear India Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Goodyear India Limited (the "Company"), which comprise the Balance Sheet as at March 31st, 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year ended on that date, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st, 2025, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made

thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report including Annexures to Board's Report and Corporate Governance report but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

We have also considered the developments during current financial year in respect of these disputed material direct tax cases. • We have assessed the adequacy of the Company's disclosures in the financial statements.

- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except not complying with the requirement of audit trail as stated in (i)(vi) below.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.

 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Refer note 44 to the financial statements.
 - b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Refer note 45 to the financial statements.
 - c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. (a) The final dividend proposed in the previous year, declared, and paid by the Company during the year is in accordance with section 123 of the Act, as applicable.
 - b) As stated in note 29(b) to the financial statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend proposed is in accordance with section 123 of the Act, as applicable.
- vi. Based on our examination, which included test checks, the Company has used accounting software(s) for maintaining its books of account for the financial year ended March 31, 2025 wherein the accounting software is having audit trail (edit logs) feature of capturing logs for transactions processed through transaction codes (user interface) and the same has operated throughout the year for all

relevant transactions recorded in the software, however do not have the audit trail feature enabled for direct changes for certain tables at application level.

Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with in respect of the transactions posted through transaction codes in accounting software for which the audit trail feature was operating.

Additionally, the audit trail that was enabled and operated for the year ended March 31, 2024, has been preserved by the Company as per the statutory requirements for record retention, as stated in Note 40B to the financial statements.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Report on Internal Financial Controls with reference to financial statements

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Goodyear India Limited ("the Company") as at March 31, 2025 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date which includes internal financial controls with reference to financial statements of the Company.

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's

internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2025, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that-

- i) (a) A The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment, capital work-in-progress and relevant details of right-to-use assets.
- B The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a program of verification of property, plant and equipment, capital work in-progress and right-to-use assets, so to cover all the items over a period of 3 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) Based on our examination of the registered sale deed provided to us, we report that, the title deeds of all the immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in property, plant and equipment are held in the name of the Company as at the balance sheet date.
- (d) The Company has not revalued any of its property, plant and equipment (including right-to-use assets) and intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31st, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii) (a) The inventories except for goods-in-transit and stocks held with third parties, were physically verified during the year by the Management at reasonable intervals. In our opinion and based on information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. For stocks held with third parties at the year-end, written confirmations have been obtained and in respect of material inward goods in-transit, on sample basis, we have verified that the goods have been received subsequent to the year end. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of

inventories/alternate procedures performed as applicable, when compared with the books of account. Refer Note 10 in financial statement for work in progress inventory.

- (b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions on the basis of security of current assets, and hence reporting under clause (ii)(b) of the Order is not applicable.
- iii) The Company has granted interest free unsecured loans to employees during the year, in respect of which:

- (a) The Company has provided loans to employees during the year and details of which are given below:

Particulars	Loans to employees (Amount in Rs.)
A. Aggregate amount granted/provided during the year:	
- Others	51.5
B. Balance outstanding as at balance sheet date in respect of above cases:	
- Others	56

The Company has not provided any security or granted any advance in the nature of loan to any other entity during the year.

- (b) The guarantees provided and the terms and conditions of the grant of all the above-mentioned loans, during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.
- (c) In respect of loans granted by the Company to employees which are approved as per policy and accordingly repayment terms of principal amount have been stipulated and the repayments of principal amounts, are regular as per stipulation.
- (d) According to information and explanations given to us and based on the audit procedures performed, in respect of loans to employees granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- (e) No loan or advance in the nature of loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- (f) According to information and explanations given to us and based on the audit procedures performed, the Company has not granted any loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause (iii)(f) is not applicable.

- iv) According to information and explanations given to us, the Company has not granted any loans, made investments or provided guarantees or securities that are covered under the provisions of sections 185 or 186 of the Companies Act, 2013, and hence reporting under clause (iv) of the Order is not applicable.
- v) According to the information and explanations given to us, the Company has not accepted any deposit or amounts which are deemed to be deposits within the meaning of section 73 to 76 or any other relevant provisions of the Companies Act, 2013 and does not have any unclaimed deposits as at March 31, 2025 and therefore the provisions of clause 3(v) of the Order is not applicable.
- vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013. We have broadly reviewed the books of accounts maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government for maintenance of cost records under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained by the Company. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii) According to the information and explanations given to us, in respect of statutory dues:
- (a) Undisputed statutory dues, including Employees' State Insurance, Goods and Services tax, Income tax, Professional Tax, Provident Fund, Cess and other material statutory dues applicable to the Company have been regularly deposited by it with the appropriate authorities in all cases during the year. The Company has generally been regularly in depositing duty of Customs to the appropriate authority.
- We have been informed that the provisions of service tax, sales tax, duty of excise and value added tax are not applicable to the company.
- There were no undisputed amounts payable in respect of Provident Fund, Employees State Insurance, Income Tax, duty of Customs, Professional tax, Goods and Services tax, cess and other material statutory dues in arrears as at March 31st, 2024 for a period of more than six months from the date they became payable.
- (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31st, 2025 on account of disputes are given below:

Name of Statute	Nature of Dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount disputed (Rs. in lakhs)	Amount disputed (net of payment under protest) (Rs. in lakhs)

The Goods & Services Tax Act, 2017	Goods and services tax	First appellate authority	2017-18 to 2022-23	1,056	1,010

The following matters has been decided in favour of the Company, although the department has preferred appeal at higher levels:

Name of Statute	Nature of Dues	Forum where Dispute is Pending	Period to which the Amount Relates	Amount disputed (Rs. in lakhs)
Income Tax Act, 1961	Income tax	High Court	2006 -07 to 2013-14	1,968

viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

ix) (a) The Company has not taken any loans or other borrowings from any lenders. Hence reporting under clause (ix)(a) of the Order is not applicable to the Company.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause (ix)(c) of the Order is not applicable.

(d) On overall examination of the financial statements of the Company, funds raised on short-term basis have not been used during the year for long-term purposes by the Company.

(e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause (ix)(e) of the Order is not applicable.

(f) The Company has not raised any loans during the year and hence reporting on clause (ix)(f) of the Order is not applicable.

x) (a) The Company has not issued any of its securities (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.

(b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of the Order is not applicable to the Company.

xi) (a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company other than as disclosed in note 42 of the financial statements, has been noticed or reported during the year.

(b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) We have taken into consideration the whistle blower complaints received by the Company during the year provided to us, when performing our audit.

xii) In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that the Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.

xiii) In our opinion, the Company is in compliance with section 177 and 188 of the Companies Act, 2013, where applicable, for the transaction with the related parties, except for the following:

Nature of the related party relationship	Underlying transaction	Amount involved (Rs. In Lacs)	Remarks
Key managerial personal	Remuneration	201.00*	Remuneration paid in excess of the limit laid down in section 197, due to inadequacy of profit.

*includes an amount of Rs 33 lacs paid to managing director in excess of amount approved by the shareholders.

In our opinion and according to the information and explanations given to us, the Company has disclosed the details of related party transactions in the financial statements etc. as required by the applicable accounting standards.

xiv) (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered, the internal audit reports issued to the Company during the year and draft of the internal audit reports issued after the balance sheet date, for the period under audit.

xv) In our opinion, during the year the Company has not entered into any non-cash transactions with its directors or directors of its holding company or persons connected with them and hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.

xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

Hence, reporting under clause (xvi)(a) and (b) and (c) of the Order is not applicable.

- (d) With respect to Indian entities, the group does not have any CIC as part of the group and accordingly reporting under clause (xvi)(d) of the Order is not applicable.
- xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii) There has been no resignation of the statutory auditors of the Company during the year.
- xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due

within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause (xx) of the Order is not applicable for the year.

GOODYEAR INDIA LIMITED

Notes to Financial Statements as on March 31, 2025

(All amount in INR lakhs, unless otherwise stated)

Background

Goodyear India Limited (the "Company"), an existing company under the Companies Act, 2013, is a step-down subsidiary of The Goodyear Tire & Rubber Company, Akron, Ohio, USA ("GTRC"). The Company was originally registered and incorporated as a private company on October 10, 1922 and converted into a public company on March 24, 1961. The Company is engaged in the business of manufacturing and trading of tyres, tubes and flaps with manufacturing facility at Ballabgarh, Haryana, India. The Company is presently listed with the Bombay Stock Exchange (BSE Limited).

(1) MATERIAL ACCOUNTING POLICIES

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing account standard required a change to the accounting policy hitherto to in use.

i) Basis of preparation

a) Compliance with Ind AS

These financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter. The Company has consistently applied accounting policies from the previous year.

b) Historical cost convention

The financial statements have been prepared on accrual basis under the historical cost convention, except for the following:

- certain financial assets and liabilities (including derivative instruments) that is measured at fair value;
- defined benefit plans - plan assets measured at fair value; and
- share-based payments

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

c) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

Expected to be realised or intended to be sold or consumed in normal operating cycle.

Held primarily for the purpose of trading.

Expected to be realised within twelve months after the reporting period, or

Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

It is expected to be settled in normal operating cycle.

It is held primarily for the purpose of trading.

It is due to be settled within twelve months after the reporting period, or

There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

d) Going Concern

The Directors have, at the time of approving the financial statements, a reasonable expectation that the Company has adequate resources to continue its operational existence for the foreseeable future. Thus, the Company has applied the going concern basis in preparing the financial statements.

ii) Segment reporting

Operating segments are reported in a manner consistent with the internal reports provided to the chief operating decision maker (CODM), Managing Director. Refer note 30 for segment information presented.

iii) Property, plant and equipment

Property Plant and Equipment are stated in balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any. Cost of acquisition is inclusive of freight, duties, taxes and other incidental expenses. Freehold land is not depreciated.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits

associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

In case of the revaluation model, whereby assets are carried at revalued amounts, being their fair value at the date of revaluation less subsequent depreciation and impairment. Revaluation increases (if any) are credited to Other Comprehensive Income and accumulated in equity under the heading "Other Equity - Revaluation." Revaluation decreases (if any) that offset previous increases for the same asset are debited to the revaluation reserve through OCI; other decreases are charged to profit or loss.

Depreciation methods, estimated useful lives and residual value:

Depreciation is provided on the straight-line method to allocate their cost, net of their residual values, over the estimated useful lives of the assets as prescribed in the Schedule II of the Companies Act, 2013 except for certain fixed assets where, based on technical evaluation by internal managements experts, the useful life of certain items of plant and machinery, buildings, office equipment and furniture and fixture have been determined to be different from those mentioned in schedule II of the Companies Act, 2013, in order to reflect the actual usage of assets.

Class of Asset	Useful life
Freehold Buildings	5 – 30 Years
Furniture and Fittings	2 – 10 Years
Office Equipments	3 – 6 Years
Plant and Machinery (including spare parts)	2 – 30 Years
Vehicles	8 Years

Depreciation on additions / disposals is provided on a pro-rata basis i.e. from (upto) the date on which the asset is ready for use / disposed off. The estimated useful life and residual value are reviewed at end of each reporting period. Considering Company's plan to use the Property Plant and Equipments throughout the economic life of the asset and discard the asset only through scrap therefore no residual value has been considered.

Spare parts having useful life of more than one period are accounted for as separate items and are depreciated over the useful life.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. The impact of such written down (if any) is charged to the statement of profit and loss.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are 'included in profit or loss within other income/ other expenses.

iv) Intangible assets

Computer software

Intangible assets are stated at acquisition cost, net of accumulated amortization and impairment losses, if any. Costs associated with maintaining software programmes are recognised as an expense as incurred.

Amortisation methods and periods:

The Company amortises intangible assets with the finite useful life (computer software) using straight line method over a period of 6 years."

v) Inventories

Raw materials and stores, work in progress, traded and finished goods:

Raw materials and stores, work-in-progress, traded and finished goods are stated at the lower of cost and net realisable value. Cost of raw materials and traded goods comprises cost of purchases after deducting rebates and discounts. Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the later being allocated on the basis of normal operating capacity, based upon the stage of completion of work-in-process. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

The basis of determining cost for various categories of inventories is as follows:

Raw materials	Weighted average
Stores and Spare parts	Weighted average
Work-in-process and Finished goods	Materials and appropriate share of labour and overheads

vi) Revenue Recognition

Sale of goods: Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold is net of goods and service tax, sales return and variable considerations on account of various discounts and schemes. The variable considerations are estimate of the expected amounts based on an analysis of historical experience, or as the most likely amount in a range of possible outcomes. Variable consideration includes various forms of discounts like volume discounts, price concessions, incentives, etc. on the goods sold or services rendered to its customers, dealers and distributors. In all such

cases, accumulated experience is used to estimate and provide for the variability in revenue, using the methods specified in Ind AS 115 and the revenue is recognised to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur in future on account of refund or discounts.

The Company recognises revenue when obligations under the terms of a contract are satisfied and control is transferred. This generally occurs with shipment or delivery, depending on the terms of the underlying contract, or when services have been rendered. At contract inception the Company assesses its performance obligation in the contract and allocates the arrangement consideration to separately identifiable performance obligation based on their relative stand-alone selling price. Further revenue and advertisement & sales promotion expenses are grossed up as and when gifts/ vouchers has been provided to the customers. Payment terms with customers vary by customer, but are generally 30-90 days.

When consideration from a customer is received prior to transferring of goods or services under the terms of a sales contract, the Company records deferred revenue, which represents a contract liability. Deferred revenue is included in Other Current Liabilities in the Balance Sheet. The Company recognizes deferred revenue after transferring the control of the goods or services to the customer and all revenue recognition criteria are met which by the nature of the contract with the customer is completed in less than one year.

vii) Employee Benefits

a) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations under other financial liabilities in the balance sheet. Employee State Insurance (State Plan): Contribution are made to the regulatory authorities and are recognised as employee benefits expense in the statement of profit and loss as and when due. The Company does not carry any further obligations, apart from the contributions made on a monthly basis.

b) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave which are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period by actuaries using the projected unit credit

method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in other comprehensive income / loss.

c) Post employment obligations

Defined Contribution Plans

- 1. Employee Pension Scheme 1995 :** Contribution are made to the regulatory authorities and are recognised as employee benefits expense in the statement of profit and loss as and when due. This benefits is classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.
- 2. Superannuation Fund:** Contribution towards Superannuation Fund is administered by a trust set up by the Company, which is recognized by the Income Tax authorities. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

Defined Benefit Plans

- 1. Provident Fund:** Provident Fund contributions are made to the Trusts administered by the Company. Eligible employees of the Company receive benefits from a provident fund, which is a defined benefit plan. Both the eligible employee and the Company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary. The Company contributes a portion to the Trusts administered by the Company. Those trusts invests in specific designated instruments as permitted by Indian law. The remaining portion is contributed to the government administered pension fund. The rate at which the annual interest is payable to the beneficiaries by the trust is being administered by the government. The Company has an obligation to make good the shortfall, if any, between the return from the investments of the Trusts and the notified interest rate.
- 2. Gratuity:** The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment.

The liability or assets recognised in the balance sheet in respect of defined benefit provident fund

plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The liability recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period.

The defined benefit obligations are calculated at the end of the reporting period by actuaries using the projected unit credit method.

The present value of the defined benefit obligations is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

For defined benefit provident fund plan, the net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligations and the fair value of the plan assets. For defined benefit gratuity plan, the interest cost is calculated by applying the discount rate to the balance of the defined benefit obligations.

This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligations resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

d) Termination benefits

Termination benefits are payable when employment is terminated by the Company before the normal retirement date, or when an employee accepts voluntary redundancy in exchange for these benefits. The Company recognises termination benefits at the earlier of the following dates: (a) when the Company can no longer withdraw the offer of those benefits; and (b) when the entity recognises costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of terminations benefits. In the case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees expected to accept the offer. Benefits falling due more than 12 months after the end of the reporting period are discounted to present value.

e) Bonus plans

The Company recognises a liability and an expense for bonuses. The Company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

viii) Income Tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset deferred tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

ix) Foreign Currency Translations

a) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian Rupee (INR), which is Goodyear India Limited's functional and presentation currency

b) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

All foreign exchange gains and losses related to items recognised in the financial statement are presented in the statement of profit and loss on a net basis within other income/other expenses.

x) Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company recognizes right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use asset is depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss as per Ind AS 36.

Company as a Lessee

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The discount rate is generally based on the incremental borrowing rate calculated as the weighted

average rate specific to the portfolio of leases with similar characteristics.

The Company recognises the amount of the re-measurement of lease liability as an adjustment to the right-of-use asset. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognizes any remaining amount of the re-measurement in statement of profit and loss.

The Company may elect not to apply the requirements of Ind AS 116 to leases for which the underlying asset is of low value. The lease payments associated with these leases are recognized as an expense on a straight-line basis over the lease term.

The Right-to-use assets is presented as a separate line item in the Balance Sheet

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease from the standpoint of the lessor, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company may adopt the incremental borrowing rate for the entire portfolio of leases as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments.

xi) Impairment of Assets - non financial assets

Goodwill and intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

xii) Provisions and Contingencies

Provisions: Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses. Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent Liabilities: Contingent liabilities are disclosed when:

- there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company, or
- a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent assets: contingent assets are disclosed when the inflow of economic benefit is probable.

xiii) Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

xiv) Earnings Per Share

a) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year

b) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

xv) Trade receivables (Financial assets)

Trade receivables that do not contain a significant financing component are measured at transaction price

xvi) Other financial assets

a) Classification:

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income or through profit or loss), and
- those measured at amortised cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

b) Measurement:

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial assets not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed off in the statement of profit and loss.

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

c) Impairment of financial assets:

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

d) Derecognition:

A financial asset is derecognised only when

- the Company has transferred the rights to receive cash from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

e) Income recognition:

Interest income: Interest income from financial instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Insurance Claims: Income from refund claim of insurance is recognized on confirmation of realization of refund amount

xvii) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

xviii) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are unsecured and are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

xix) Dividends

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

xx) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Part I of Schedule III, unless otherwise stated.

(2) Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgements in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Critical estimates and judgements

The areas involving critical estimates or judgements are:

- Estimation of defined benefit obligations Note 14
- Provision for litigations and contingent liabilities Note 14 and 32
- Provision for replacement loss / Warranty expenses Note 14
- Provision for Extended Producer Liability Note 17 and 43
- Estimation of current tax expense and payable Note 26
- Impairment of trade receivables Note 28
- Right of use assets Note 5
- Right of use liabilities Note 13(a)

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

(a) Information about individual provisions and significant estimates

Provision for customs, excise and sales tax litigation: These represent the best possible estimates arrived at on the basis of available information. The uncertainties and possible reimbursements are dependent on the outcome of the different legal processes which have been invoked by the Company or the claimants as the case may be and therefore cannot be predicted accurately. The Company engages reputed professional advisors to protect its interests and has been advised that it has strong legal positions against such disputes. It is not practicable for the Company to estimate the timings of cash outflows, if any, in respect of the above pending resolution of the respective proceedings.

Provision for replacement loss / Warranty expenses: Replacement loss reserves are based on past claims experience, sales history and other considerations. Replacement loss is provided on the sale of the Company's products and an accrual for estimated future claims is recorded at the time revenue is recognized. Tyres replacement offered by the Company is on a prorated basis.

(ii) Post-employment plans

The significant actuarial assumptions were as follows:

Particulars	Gratuity		Head Office Provident Fund Trust		Factory Provident Fund Trust	
	Year ended March 31, 2025	Year ended March 31, 2024	Year ended March 31, 2025	Year ended March 31, 2024	Year ended March 31, 2025	Year ended March 31, 2024

(iv) Sensitivity analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumption is :

	Impact on defined benefit obligations					
	Changes in assumptions		Increases in assumptions		Decreases in assumptions	
	Year ended March 31, 2025	Year ended March 31, 2024	Year ended March 31, 2025	Year ended March 31, 2024	Year ended March 31, 2025	Year ended March 31, 2024
Gratuity:						
Discount rate (per annum)	0.5%	0.5%	-4.10%	-4.00%	4.40%	4.20%
Rate of increase in compensation level	0.5%	0.5%	4.60%	4.50%	-4.40%	-4.30%
Head Office Provident Fund Trust:						
Discount rate (per annum)	0.5%	0.5%	-0.08%	-0.09%	0.08%	0.10%
Factory Provident Fund Trust:						
Discount rate (per annum)	0.5%	0.5%	-0.20%	-0.20%	0.20%	0.20%

The above sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

(v) Risk Exposures:

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below :

Salary Increases:

Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.

Investment Risk:

If Plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.

Discount Rate:

Reduction in discount rate in subsequent valuations can increase the plan's liability.

Mortality & disability:

Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.

Withdrawals:

Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

The Company through its Trusts ensures that the investment positions are managed within an asset-liability matching (ALM) framework that has been developed to achieve long-term investments that are in line with the obligations under the employee benefit plans.

The Company through its Trusts actively monitors how the duration and the expected yield of the investments are matching the expected cash outflows arising from the employee benefit obligations. The Company has not changed the processes used to manage its risks from previous periods. Investments are well diversified, such that the failure of any single investment would not have a material impact on the overall level of assets.

A large portion of assets in 2024-25 consists of government and corporate bonds, although the Company through its Trusts also invests in equities and mutual funds. The plan asset mix is in compliance with the requirements of the respective local regulations.

(vi) Defined benefit liability and employer contributions

Expected contributions to post-employment benefit plans for the year ending March 31, 2025 are Rs. 597. The weighted average duration of the defined benefit obligation is 9 years (March 31, 2024- 9 years).

The expected maturity analysis of gratuity and provident fund benefits is as follows:

The carrying amounts of security deposits, trade receivables, trade payables, creditors for capital items, cash and cash equivalents, other bank balances, lease liabilities and other financial assets/ liabilities are considered to be the same as their fair values, due to their short-term nature.

The Company does not have any financial instruments where significant estimation was involved in determination of its fair value.

28 Financial Risk Management

The Company's activities expose it to the market risk, liquidity risk and the credit risk. The Company's risk management is carried out by the treasury department for cash and cash equivalent, deposits with banks, foreign currency risk exposure and liquidity risk under various approved policies. The risk management for trade receivables is carried out by controlling department of the Company.

(A) Credit Risk

Credit risk arises from cash and cash equivalents, other bank balance, trade receivables and other financial assets.

(i) Credit risk management

(a) Cash and cash equivalents and other bank balance:

The Company is in control of its exposure to these financial instruments by diversifying the deposit, by investing cash and cash equivalents and other bank balance based on counterparty credit strength as measured by long-term credit ratings of the three major rating agencies (Standard & Poors, Moody's and Fitch) and by monitoring the financial strength of these banks on regular basis.

The Company has the deposits with banks and their respective rating are as in below table:

Long Term Credit Rating	As at March 31, 2025	As at March 31, 2024
AA- to A-	17,200	7,700

By controlling and monitoring exposure in this manner, the Company believes that it effectively manage the risk of loss due to non performance by the banks.

(b) Trade Receivables:

The Company has Credit Policy and the independent credit control department to review the credit worthiness of the customers and assess the recoverability of the asset. Finance Director is the authority to approve any exception to the Policy.

Customer credit risk is managed basis established policies of the Company, procedures and controls relating to customer credit risk management which helps in assessing the risk at the initial recognition of the asset. Outstanding customer receivables are regularly and closely monitored. The Company has a monthly process of following past due analysis leading to very few cases of bad debts and delayed payments. The same is evident from the earlier years receivable write-off. The Company provides for any outstanding beyond 180 days. The trade receivables on the respective reporting dates are net off the allowance which is sufficient to cover the entire lifetime loss of sales recognised including those that are currently less than 180 days outstanding.

A default on a financial asset is when the counterparty fails to make contractual payment within 180 days of when they fall due. This definition of default is determined by considering the business environment in which entity operates.

The Company believe that there are efficient processes established to monitor and control the risk of loss associated with receivables.

(c) Other financial assets:

Other financial assets of the Company mainly comprises of security deposit with Dakshin Haryana Bijli Vitran Limited, security deposits for the rental premises and others, accrued interest on fixed deposits with banks, deposits held as lien with Banks and other receivables from related parties.

Credit risk exposure with respect to other financial assets are negligible as they are either supported by legal agreement or are with Nationalised banks and Government organisations:

- Security deposit with Dakshin Haryana Bijli Vitran Limited, a public sector organisation, represents low credit risk.
- Security deposits for the rental premises and others are with counter parties with strong capacity to meet the obligation, hence the risk of default is considered to be negligible.
- Accrued interest on fixed deposits are with banks having strong financial strength as explained above, hence the risk of default is considered to be negligible.
- Other receivables from related parties are as per approved policy and the established procedure to monitor the dues from related parties which also ensures timely payments and no default, hence credit risk is negligible.

(ii) **Provision for expected credit losses**

Customer credit risk is managed based on established policies of the Company, procedures and controls relating to customer credit risk management. Outstanding customer receivables are regularly monitored. The Company has a diverse customer base, as its customers are located and operate in largely independent markets and does not see any significant concentration of risk related to reliance on any single customer. The credit quality of the customers is evaluated based on the approved policies and established processes.

(iii) **Reconciliation of loss allowance provision – Trade receivable**

	Amount

Significant estimates and judgements

Impairment of Trade Receivables:

The impairment provisions for financial assets disclosed above are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

(B) **Liquidity Risk**

The Company's primary sources of liquidity are cash generated from operation. The cash flows from operating activities are driven primarily by operating results and changes in the working capital requirements.

The Company intend to operate the business in a way that allows the Company to address its needs with existing cash and available financing arrangement if they cannot be funded by cash generated from operations.

The Company believe that its liquidity position is adequate to fund the operating and investing needs and to provide with flexibility to respond to further changes in the business environment

(i) **Financing arrangements**

The Company has access to the following undrawn borrowing facilities at the end of the reporting period:

Floating rate	As at March 31, 2025	As at March 31, 2024
Expiring within one year (bank overdraft and other facilities)	12,097	9,113

The bank overdraft facilities may be drawn at any time. No drawdown as at March 31, 2025 and March 31, 2024.

(ii) **Maturities of financial liabilities**

The table below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities.

The amount disclosed in the table are the undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

This proposed dividend is subject to the approval of shareholders in the ensuing annual general meeting.	5,513	3,460

30 Segment Information

The Company is engaged in the business of sales of automotive tyres, tubes and flaps. The Company is domiciled in India and majorly manufactures farm tyres and trades in passenger car tyres.

The Company has monthly review and forecasting procedure in place. The review involves the operating results of the Company as a whole except for sales and sales volume information which is available on disaggregated basis.

The Chief Operating Decision Maker (CODM), Managing Director, performs a detailed review of the operating results including cashflow, working capital, headcount of the Company as a whole and sales and sales volume on disaggregated basis and thereby makes decisions about the allocation of resources among the various functions. Since the operating results of each of the functions are not considered individually by the CODM, the functions do not meet the requirements of Ind AS 108 for classification as an operating segment, hence there is only one operating segment namely, "Automotive tyres, tubes & flaps".

F. Other matters	235	237
G. Haryana Local Area Development Tax (HLADT) : (refer note (ii) below)		

Notes:

- (i) The Company has income tax demand of INR 6,895 lakhs for FY 2016-17; FY 2017-18, FY 2019-20, FY 2020-21 & FY 2021-22 in respect of disallowance of regional service charges (RSC) (except IT services) which was charged by Ultimate Holding Company in respect of the various services provided. The Company has requisite documents to substantiate actual rendering of said service and same have been allowed by tax department in earlier years assessments. During the year, the Company has received remand back order from the Hon'ble Tribunal against which the Company has filed appeal before the Hon'ble High Court in Nov'24. The Company also has income tax demand of INR 3,639 lakhs for FY 2006-07 to FY 2021-22 in respect of disallowance of trademark fees which was charged by Ultimate Holding Company in respect of brand used by the Company, however, the fellow subsidiary has received relief in similar matter from the Hon'ble Tribunal for period from FY 2006-07 to FY 2017-18. Considering favorable precedence on both the matters, the management is of the view that the Company will be able to defend the cases on merit and accordingly disclosed as contingent liability.

These represent the best estimates arrived at on the basis of available information. The uncertainties and possible reimbursements are dependent on the outcome of the different legal processes which have been invoked by the Company or the claimants as the case may be and therefore cannot be predicted accurately. The Company engages reputed professional advisors to protect its interests and has been advised that it has strong legal positions against such disputes. It is not practicable for the Company

to estimate the timings of cash outflows, if any, in respect of the above pending resolution of the respective proceedings. Amount of contingent liabilities are inclusive of Interest as per order.

- (ii) In 2008, the State of Haryana (the State) introduced "the Haryana Tax on Entry of Goods into Local Areas Act, 2008 ("Act") which High Court of Punjab and Haryana declared as 'Unconstitutional'. As on date, the State did not frame and notify enabling "Rules" under the Act, and no demand has been received by the Company. Accordingly, the amount of liability involved, if any, under the Act also cannot be measured.

Further, on November 11, 2016 the nine Judges Bench of Hon'ble Supreme Court held that the State Governments do have right to levy an 'Entry Tax', however (i) whether States have enacted correct legislations in alignment with Indian Constitutional provisions, (ii) whether such taxes demanded by State Governments were actually used for intended development of local area and (iii) the interpretation of the word "Local Area" were among questions not addressed by the November 11, 2016 ruling, but instead are to be heard by Hon'ble Divisional Bench of the Supreme Court individually for each state, on merits. The above mentioned matters were heard by the Hon'ble Divisional Bench of the Supreme Court and remanded back to High Court of Punjab and Haryana and directed that fresh petitions should be filed by the parties, based on the principles given by the nine Judges Bench of Hon'ble Supreme Court. The Company filed its fresh petition in May 2017.

In Dec'2024, Haryana Government issued "Removal of Difficulty Order (ROD), 2024" effective April'2008 u/s 174 of the Haryana Goods and Service Tax, 2017 for assessment & recovery of Haryana Entry Tax. Subsequent to this order, Haryana Tax Authority issued 15 notices for the period AY 2003-04 to AY 2017-18 for initiating the assessment of said period and arbitrarily determined tax liability of Rs. 13,274 Lakhs. The Company has filed WRIT petition before Punjab and Haryana High Court challenging the ROD, 2024 and the 15 notices on the ground that said ROD and notices both are time barred in law and non-sustainable.

Having regard to the status of matter above and in the absence of any rules notified until the ROD, 2024 under which tax can be levied or measured and matter is also time barred since no demand has been raised till date since enactment of the Act, the management supported by the legal opinion has assessed obligation towards entry tax, if any, is Remote.

33 Commitments

(a) Capital commitments

Capital expenditure contracted for at the end of the reporting period but not recognised as liability is as follows:

	As at March 31, 2025	As at March 31, 2024

- (b) The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.

34 Events occurring after the reporting period

Refer to note 29 for the final dividend recommended by the directors which is subject to the approval of shareholders in the ensuing annual general meeting.

35 Share-based payments

The Goodyear Tire & Rubber Company, Akron, Ohio, USA (Ultimate holding company) issues stock-based awards to the Company's employees under their approved Performance Plan. The issue of grants of restricted stock units and stock appreciation rights to the employees of the Company are covered under the same Performance Plan as declared by the ultimate holding company.

Stock appreciation rights (SAR)

Grants of Stock Appreciation Right generally have a graded vesting period of four years whereby one-fourth of the awards vest on each of the first four anniversaries of the grant date, an exercise price equal to the fair market value of one share of the ultimate holding company on the date of grant (calculated as the average of the high and low price or the closing market price on that date depending on the terms of the related Plan) and a contractual term of ten years. Stock Appreciation Rights are cancelled on, or 90 days following, termination of employment unless termination is due to retirement, death or disability under certain circumstances, in which case, all outstanding options vest fully and remain outstanding for a term set forth in the related grant agreement. As the obligation to settle the share based transaction rests with the Company in cash, hence these are accounted for as cash-settled options. The Company has not granted any SAR after December 2014.

Restricted stock units (RSU)

Restricted stock units have vesting period of three years beginning on the date of grant. Restricted stock units will be settled through the issuance of an equivalent number of shares of The Goodyear Tire & Rubber Company, Akron, Ohio, USA common stock. The Company is required to reimburse the ultimate holding company the cost of the share issuance as on the date of vesting. As the obligation to settle the share based transaction rests with the Company in cash, hence these are accounted for as cash-settled options.

i. Description of share-based payments arrangements
