Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements, section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Obtained the summary of Company’s disputed Tax cases and critically assessed management’s position through discussions with the Head of Tax and operational management, on both the probability of success in significant cases, and the magnitude of any potential loss. 3. Engaged tax specialists to technically appraise the tax position taken by the management with respect to local tax issues. 4. Assessed the relevant disclosures made within the financial statements to address whether they appropriately reflect the facts and circumstances of the respective tax and requirements of relevant accounting standards.

Management’s Responsibility for the Financial Statements

The Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (Including other comprehensive income), cash flow and change in equity of the Company in accordance with the accounting principles generally accepted in India, including the India Accounting Standards (IND AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease the operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors’ Report that includes our opinion. Reasonable assurance is a

high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditors' Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of YASH TRADING AND FINANCE LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the Standalone financial statements of the Company as of and for the year ended March 31, 2021 we have audited the internal financial controls over financial reporting of **YASH TRADING AND FINANCE LIMITED** (“the Company”) which is a Company incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- i. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- ii. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- iii. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note 1: Significant Accounting Policies**1. Summary of significant accounting policies****1.1. Basis of preparation**

The financial statements have been prepared to comply in all material respects with the Indian Accounting Standard ('IND AS') notified under section 133 of the Companies Act, 2013 read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 issued by the Ministry of Corporate Affairs, except additional disclosures required by the Companies Act, 2013 (as these financial statements are not statutory financial statements, full compliance with the above Act is not required).

The preparation of the said financial statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Company's accounting policies. The areas where estimates are significant to the financial statements, or areas involving a higher degree of judgement or complexity, are disclosed hereunder.

The financial statements are based on the classification provisions contained in IND AS 1, 'Presentation of Financial Statements' and Division II of schedule III of the Companies Act, 2013. Further, for the purpose of clarity, various items are aggregated in statement of Profit and Loss and Balance Sheet. Nonetheless, these items are dis-aggregated separately in the notes to the financial statements, wherever applicable or required.

1.2. Basis of measurement

The financial statements have been prepared on the accrual and going concern basis, and the historical cost convention except where the IND AS requires a different accounting treatment.

Fair value measurement

Fair value is the price at the measurement date, at which an asset can be sold or paid to transfer a liability, in an orderly transaction between market participants. The Company's accounting policies require measurement of certain financial / non-financial assets and liabilities at fair values (either on a recurring or non-recurring basis). Also, the fair values of financial instruments measured at amortised cost are required to be disclosed in the said financial statements.

The Company is required to classify the fair valuation method of the financial / non-financial assets and liabilities, either measured or disclosed at fair value in the financial statements, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurement). Accordingly, the Company uses valuation techniques that are appropriate in the circumstances, and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

1.3. Basis of transition to IND AS

The adoption of IND AS is carried out in accordance with IND AS 101 on April 1, 2015 being the transition date. IND AS 101 requires that all IND AS standards that are issued and effective for the year ending March 31, 2021, be applied retrospectively and consistently for all the periods presented. However, in preparing these financial statements, the Company has availed of certain exemptions and exceptions in accordance with IND AS 101, as explained below. The resulting difference between the carrying value of the assets and liabilities in the financial statements as at the transition date under IND AS and previous GAAP have been recognized directly in equity at the transition date.

Exemptions / exceptions from full retrospective application

The following mandatory exceptions from retrospective application of IND AS have applied by the Company:

- **Estimates exception** - On an assessment of the estimates made under the Previous GAAP financial statements, the Company has concluded that there is no necessity to revise the estimates under IND AS (except for adjustments to reflect any difference in accounting policies), as there is no objective evidence that those estimates were in error. However, estimates that were required under IND AS but not required under Previous GAAP are made by the Company for the relevant reporting dates, reflecting conditions existing as at that date without using any hindsight.
- **De-recognition of financial assets and liabilities exception** - Financial assets and liabilities de-recognised before transition date are not re-recognised under IND AS.

1.4. Current versus non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current / non-current classification.

Deferred tax assets and liabilities, and all assets and liabilities which are not current (as discussed in the below paragraphs) are classified as non-current assets and liabilities.

An asset is classified as current when it is expected to be realized or intended to be sold or consumed in normal operating cycle, held primarily for the purpose of trading, expected to be realised within twelve months after the

reporting period, or cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

A liability is classified as current when it is expected to be settled in normal operating cycle, it is held primarily for the purpose of trading, it is due to be settled within twelve months after the reporting period, or there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

1.5. Property, plant and equipment ('PPE')

The Company does not have any property, plant and equipment.

1.6. Impairment of non-financial assets Property, plant and equipment

The Company does not have any Property, plant and equipment, thus Impairment of non-financial assets is not applicable.

1.7. Financial instruments

a. Recognition, classification and presentation

The financial instruments are recognized in the Balance Sheet when the Company becomes a party to the contractual provisions of the financial instrument.

The Company determines the classification of its financial instruments at initial recognition.

The Company recognizes its investment in subsidiaries, joint ventures and associates at cost less any impairment losses. The Company classifies its other financial assets in the following categories: a) those to be measured subsequently at fair value through profit or loss, and b) those to be measured at amortized cost. The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

The Company has classified all the non-derivative financial liabilities in the other financial liabilities category.

Financial assets and liabilities arising from different transactions are off-set against each other and the resultant net amount is presented in the balance sheet, if and only when, the Company currently has a legally enforceable right to set-off the related recognized amounts and intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

b. Measurement – Non-derivative financial instruments

I. Initial measurement

At initial recognition, the Company measures the non-derivative financial instruments at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Otherwise transaction costs are expensed in the statement of profit and loss.

II. Subsequent measurement - financial assets

The subsequent measurement of the non-derivative financial assets depends on their classification as follows:

- **Financial assets measured at amortised cost**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost using the effective-interest rate ('EIR') method (if the impact of discounting / any transaction costs is significant). Interest income from these financial assets is included in finance income.

- **Financial assets at fair value through profit or loss ('FVTPL')**

All financial assets that do not meet the criteria for amortized cost are measured at fair value through profit or loss. Interest (basis EIR method) income from FVTPL is recognized in the statement of profit and loss within finance income/ finance costs separately from the other gains/ losses arising from changes in the fair value.

Impairment

The company assesses on a forward looking basis the Expected Credit Losses (ECL) associated with its assets carried at amortized cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk since initial recognition. If credit risk has not increased significantly, twelve month ECL is used to provide for impairment loss, otherwise lifetime ECL is used.

However, only in case of trade receivables, the company applies the simplified approach which requires expected lifetime losses to be recognised from initial recognition of the receivables.

III. Subsequent measurement - financial liabilities

Other financial liabilities are initially recognised at fair value less any directly attributable transaction costs. They are subsequently measured at amortised cost using the EIR method (if the impact of discounting / any transaction costs is significant).

c. Measurement –derivative financial instruments

Derivative financial instruments, including separated embedded derivatives are classified as financial instruments at fair value through profit or loss - Held for trading. Such derivative financial instruments are initially recognised at fair value. They are subsequently re-measured at their fair value, with changes in fair value being recognised in the statement of profit and loss within finance income / finance costs.

d. De-recognition

The financial liabilities are de-recognised from the balance sheet when the under-lying obligations are extinguished, discharged, lapsed, cancelled, expires or legally released. The financial assets are de-recognised from the balance sheet when the rights to receive cash flows from the financial assets have expired, or have been transferred and the Company has transferred substantially all risks and rewards of ownership. The difference in the carrying amount is recognised in statement of profit and loss.

1.8. Taxes

The income tax expense comprises of current and deferred income tax. Income tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognised in the other comprehensive income or directly in equity, in which case the related income tax is also recognised accordingly.

a. Current tax

The current tax is calculated on the basis of the tax rates, laws and regulations, which have been enacted or substantively enacted as at the reporting date. The payment made in excess / (shortfall) of the Company's income tax obligation for the period are recognised in the balance sheet as current income tax assets /liabilities.

Any interest / penalties, related to accrued liabilities for potential tax assessments are not included in Income tax charge or (credit), but are rather recognized within finance costs.

b. Deferred tax

Deferred tax is recognised, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying values in the financial statements. However, deferred tax are not recognised if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting nor taxable profit or loss.

Deferred tax assets are recognised only to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

The unrecognized deferred tax assets / carrying amount of deferred tax assets are reviewed at each reporting date for recoverability and adjusted appropriately.

Deferred tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the reporting date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

1.9. Cash and cash equivalents

Cash and cash equivalents include cash in hand, bank balances and any deposits with original maturities of three months or less (that are readily convertible to known amounts of Cash and cash equivalents and subject to an insignificant risk of changes in value). However, for the purpose of the Statement of cash flows, in addition to above items, any bank overdrafts / cash credits that are integral part of the Company's cash management, are also included as a component of Cash and cash equivalents.

1.10. Share capital / Share premium

Ordinary shares are classified as Equity when the Company has an un-conditional right to avoid delivery of cash or another financial asset, that is, when the dividend and repayment of capital are at the sole and absolute discretion of the Company and there is no contractual obligation whatsoever to that effect.

1.11. Employee benefits

The Company's employee benefits mainly include wages, salaries and bonuses. The employee benefits are recognised in the period in which the associated services are rendered by the Company employees.

1.12. Provisions**a. General**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources will be required to settle the said obligation, and the amounts of the said obligation can be reliably estimated.

Provisions are measured at the present value of the expenditures expected to be required to settle the relevant obligation, using a pre-tax rate that reflects current market assessments of the time value of money (if the impact of discounting is significant) and the risks specific to the obligation. The increase in the provision due to un-winding of discount over passage of time is recognised within finance costs.

b. Contingencies

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.13. Revenue recognition

Revenue is recognised when it is probable that the entity will receive the economic benefits associated with the transaction and the related revenue can be measured reliably. Revenue is recognised at the fair value of the consideration received or receivable, which is generally the transaction price, net of any taxes / duties, discounts and process waivers.

1.14. Borrowing costs

Borrowing costs consist of interest and other ancillary costs that the Company incurs in connection with the borrowing of funds. The borrowing costs directly attributable to the acquisition or construction of any asset that takes a substantial period of time to get ready for its intended use or sale are capitalised. All the other borrowing costs are recognised in the statement of profit and loss within finance costs of the period in which they are incurred.

1.15. Earnings per share ('EPS')

The Company presents the Basic and Diluted EPS data.

Basic EPS is computed by dividing the profit for the period attributable to the shareholders of the Company by the weighted average number of shares outstanding during the period.

Diluted EPS is computed by adjusting, the profit for the year attributable to the shareholders and the weighted average number of shares considered for deriving Basic EPS, for the effects of all the shares that could have been issued upon conversion of all dilutive potential shares.

1.16. Segment Reporting

The Company operates only in one business and no geographical segment. Therefore, segment information as per IND AS-108, 'Segment Reporting', has not been disclosed.

2. Standards issued but not yet effective up to the date of issuance of the Company's financial statements

The new Standards, amendments to Standards that are issued but not yet effective until the date of authorisation for issuance of the said financial statements are discussed below. The Company has not early these amendments adopted and intends to adopt when they become effective.

IND AS 102 'Share based payments'

In March 2019, MCA issued amendments to IND AS 102 pertaining to measurement of cash-settled share based payments, classification of share-based payments settled net of tax withholdings and accounting for modification of a share based payment from cash-settled to equity-settled method.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting for Individual shareholders holding securities in demat mode

Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

In terms of SEBI circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants.
