**Subject: DC Infotech & Communication Limited Achieves BBB Credit Rating from CRISIL with Stable Outlook**

**Dear Sir/Madam,**

DC Infotech & Communication Limited is pleased to announce that CRISIL Ratings has upgraded the Company's long-term credit rating to BBB with a Stable outlook. This upgrade reflects the Company's improved financial strength, prudent financial management, and consistent operational performance.

Rating upgrade underscores DC Infotech & Communication Limited's focused approach towards strengthening its balance sheet, improving cash flows, and maintaining disciplined capital allocation practices. CRISIL has also taken note of the Company's robust business model, established market presence, and ability to sustain stable operating margins in a competitive environment.

The upgrade also factors in Company's established market position, diversified client base, and strong execution capabilities, which have enabled it to maintain stable operating performance despite a challenging and competitive business environment. CRISIL noted Company's commitment to conservative financial policies, timely servicing of debt obligations, and strengthening of internal governance frameworks.

***Management Comment:***

*The upgrade by CRISIL is a strong endorsement of our strategic direction and disciplined execution. It reflects our continuous efforts to enhance financial resilience, operational efficiency, and governance standards. We remain committed to delivering sustainable growth while creating long-term value for all our stakeholders."*

*The Stable outlook indicates CRISIL's expectation that DC Infotech & Communication Limited will continue to maintain healthy business risk profiles, improve its financial metrics, and adhere to prudent financial policies over the medium term.*
