**Subject:** Update on signing of Memorandum of Understanding with Aetosky Singapore Pte. Ltd. a Singapore based entity

**Dear Sir/Madam,**

We are delighted to inform you that the Company has entered into Memorandum of Understanding (MoU) with Aetosky Singapore Pte. Ltd. (Aetosky ). This MoU establishes a collaborative framework with Aetosky Singapore Pte. Ltd. to jointly pursue and deliver Enterprise Geospatial and AI-based solutions across the domains of Transportation Infrastructure; Water Infrastructure & Utilities; Energy & Power Networks; and Land & Natural Resources for India; GCC (Gulf Cooperation Council); Europe and North America.

Aetosky is a Singapore-headquartered geospatial AI company that builds sovereign, secure software platforms to convert satellite and other spatial data into decision-grade intelligence for governments and enterprises. It is a private geospatial technology firm incorporated in 2013 and based at Novelty Bizcentre in Singapore. It focuses on enterprise GeoAI platforms that fuse earth observation data, AI and advanced analytics for defense, civil government, infrastructure and climate-related use cases. It empowers governments and mission-critical organizations with sovereign AI-driven intelligence systems.

The objective of this MoU is to benefit through the synergy of Aetosky's global reach & domain relationships with our Company's deep technical capability in geospatial data acquisition, analytics, digital twins, and AI-driven automation.

This is for your information and records.

**Thanking You,**
