

HCL Establishes new office in The Hague and Celebrates 20 years in The Netherlands

Investment to accelerate digital transformation and next-generation solutions to clients

Noida, India and The Hague, Netherlands – 4th February, 2019 – [HCL Technologies](#) (HCL), a leading global technology company, announced the opening of a new office in The Hague, expanding its presence in the Netherlands. From its new state-of-the-art office, HCL will have a core focus on offering next-generation solutions and the ability to serve major blue-chip organizations in the Netherlands and in Europe. This further strengthens its position as one of the fastest growing technology companies in the region.

"I am proud of the business prospects, local talent pool and partnership opportunities that The Hague has to offer, providing a strong draw for multinational companies like HCL who have established their roots in the Hague for the last two decades," said **Pauline Krikke, Mayor of The Hague**. "I'm delighted that HCL, a next-gen, global technology company, has chosen our city as the base for its innovation-led projects and expanded presence in the Netherlands."

"I'm delighted that HCL is expanding its presence in the NL through an additional office in
