Wipro Joins MIT's Industrial Liaison Program to Accelerate Frontier Tech Innovation

BENGALURU, India | CAMBRIDGE, Mass. – Feb. 04, 2026: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading AI-powered technology services and consulting company, today announced that it has joined the Massachusetts Institute of Technology's Industrial Liaison Program (MIT ILP). The program is designed to enable companies worldwide to harness MIT's expansive resources and build innovative solutions to current and future technology challenges.

"The MIT ILP membership helps us remain ahead of the curve in researching frontier technology solutions and positions us to deliver measurable business impact," said **Sandhya Arun, Chief Technology Officer at Wipro Limited**.

Through MIT ILP, Wipro will engage with MIT's faculty, researchers and startup ecosystem to advance innovation in five strategic themes: **agentic AI and autonomous enterprises, robotics with embodied AI, quantum computing, digital ledger technologies, and cyber resilience**.

"We are pleased to expand our footprint with Wipro globally through the MIT Industrial Liaison Program," said **Gayathri Srinivasan, Executive Director of MIT Corporate Relations**. "This expanded engagement will enable meaningful exchange and shared progress within MIT's innovation ecosystem."

About Wipro Limited

Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO) is a leading AI-powered technology services and consulting company focused on building innovative solutions that address clients' most complex digital transformation needs. Leveraging our consulting-led approach and the Wipro Intelligence™ unified suite of AI-powered platforms, solutions and transformative offerings, we help clients realize their boldest ambitions to build intelligent and sustainable businesses. The Wipro Innovation Network—part of Wipro Intelligence™—underpins our commitment to client-centric co-innovation and co-creation by bringing together capabilities from the innovation labs and partner labs, academia, and global tech communities. With over 230,000 employees and business partners across 65 countries, we deliver on the promise of helping our customers, colleagues, and communities thrive in an ever-changing world. Forward-Looking Statements

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry.

Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
