Notes:

- The above is an extract of the detailed format of financial results of HIL Limited ("the Company") for the quarter ended 30 June 2021 filed with the Stock Exchanges under Regulation 33 of the Securities and Exchange Board of India (Listing and Other Disclosure Requirements) Regulations, 2015.
- The full format of the aforesaid results along with notes are available on the websites of National Stock Exchange of India Limited and BSE Limited at [www.nseindia.com](http://www.nseindia.com) and [www.bseindia.com](http://www.bseindia.com) respectively and Company's website at <https://hil.in/investor-relations/2021-finance-result/>
- The above results for the quarter ended 30 June 2021 were reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on 30 July 2021.
- The standalone and consolidated figures for quarter ended 31 March 2021 are the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
- The Board of Directors at their meeting held on 16 January 2020 approved the sale and transfer of the Group's calcium silicate insulation products division operated under the brand "HYSIL" to Calderys India Refractories Limited through a slump sale arrangement on a going concern basis, subject to completion of certain conditions precedent set out in the business transfer agreement ("BTA"). The total sale consideration for the aforesaid transaction is INR 8000 lacs subject to adjustments as set out in the BTA. In view of the continuing phased country wide lockdown to minimise the spread of Novel Coronavirus (COVID-19) across the country, both the parties on 11 June 2020 have mutually agreed to further extend the long stop date till 15 July 2020. The Group has successfully completed the sale and transfer of the Business in terms of the BTA, as amended from time to time, on 10 July 2020.
- The Group has considered internal and external sources of information up to the date of approval of the above financial results in evaluating the possible impact that may result from the pandemic relating to COVID-19 on the carrying amounts of property, plant and equipment, goodwill, other intangible assets, inventories, receivables, investments and other financial assets. The Group has applied prudence in arriving at the estimates and assumptions and also performed sensitivity analysis on the assumptions used. The Group is confident about the recoverability of these assets. However, the impact of the global health pandemic may be different from that estimated as at the date of approval of the above financial results. Considering the continuing uncertainties, the Group will continue to closely monitor any material changes to future economic conditions.
