Shri Kirankumar Narharibhai Doshi is the Chairman of the Audit Committee. During the year there was no instance where the board had not accepted the Recommendation of Audit Committee.

Pursuant to section 177(9) of the Companies Act, 2013 read with Rule 7 of the Companies (Meetings of Board and its Power) Rules, 2014, the Board of Director has adopted vigil mechanism in the form of Whistle Blower Policy through which, its Directors, Employees and Stakeholders can report their genuine concerns about unethical behaviors, actual or suspected fraud or violation of the Company's code of conduct or ethics policy.

It is the Company's Policy to ensure that no employee is victimized or harassed for bringing such incidents to the attention of the Company. The practice of the Whistle Blower Policy is overseen by the Audit Committee of the Board and no employee has been denied access to the Committee. The said policy provides for adequate safeguards against victimization and also direct access to the higher levels of supervisors.

Shri Kirankumar Narharibhai Doshi, the Chairman of the Audit Committee can be contacted to report any suspected/confirmed incident of fraud/misconduct on:

Email: shantaiindustriesltd@gmail.com

Contact no.: 7874407000

Your Company hereby affirms that no director/employee has been denied access to the Chairman of the Audit Committee and that no complaints were received during the year.

The Board of Directors place on records the services of all stakeholders and associates who have co-operated in the working of the Company

By Order of the Board

SECRETARIAL AUDIT REPORT

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members

820, Golden Point, Nr. Telephone Exchange,
Begampura, Falsawadi, Ring Road, Surat 395003

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by

Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit. We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2020 complied with the statutory provisions listed here under and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

1. We have examined the books, papers, minute books, forms and returns filed and other records maintained by for the financial year ended on 31st March,2020 according to the provisions of:
 - i. The Companies Act, 2013 (the Act) and the rules made there under;
 - ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
 - iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
 - iv. Foreign Exchange Management Act,1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
 - v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act,1992 ('SEBI Act'):
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992/2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations,2008;
 - f) The securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations,1993 regarding the Companies Act and dealing with client;
 - g) The securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;

h) The Securities and Exchange Board of India (Buy back of Securities) Regulations, 1998;

We have relied on the representation made by the Company and its Officers for systems and mechanism formed by the Company for compliance under other applicable Acts, Laws and Regulations to the Company. We report that the Company has complied with the provisions of those Acts that are applicable to Company.

As per information given to us no sector specific laws are applicable to the company.

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India with respect to notified Secretarial Standards as on 31st March, 2020;
- ii. The Listing Agreements entered into by the Company with Bombay Stock Exchange.

During the financial year under report, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above:

The compliance by the company of applicable financial laws like direct and indirect tax laws and maintenance of financial records and books of accounts have not been reviewed in this audit since the same have been subject to review by statutory financial auditor and other designated professionals.

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Decisions at the Board Meetings, as represented by the management, were taken unanimously.

as per the explanations given to us and the representation made by the Management and relied upon by us there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

during the audit period there were no instances of:

- i. Public / Right / Preferential issue of shares / debentures / Sweat equity, etc.
- ii. Redemption / buy-back of securities
- iii. Major decisions taken by the Members in pursuance to section 180 of the Companies Act, 2013
- iv. Merger / amalgamation / reconstruction etc.
- v. Foreign technical collaborations.

For the Textiles industry, the global focus is shifting from China to India due to cost and stability factors. The government's positive steps are expected to help this shift and if foreign investments in textiles retail materialize, the consumption of the textile product in the domestic market should increase in the years to come. Recently, Government has withdrawn the requirement of export contract registration for cotton and cotton yarn and now these are in free list, without any requirement of registration, which should boost export of cotton yarn and simultaneously, the domestic market is expected to improve.

The Indian Textile and apparel industry has been a significant contributor to the Indian economy and continues to play a pivotal role in India's growth story through its contribution to industrial output, employment generation and export earnings. India is one of the few countries with a complete and integrated value chain having production at each level of textile manufacturing at with an overall annual growth of Indian textile industry can be divided into several segments, some of which can be listed as below:

- Cotton Textiles
- Silk Textiles
- Woolen Textiles
- Readymade Garments
- Hand – crafted Textiles
- Jute and Coir

1. Increase in consumption pattern across the country along with the rising demand for high quality premium fabrics.
2. Large and potential domestic and international market. Promising export potential.

SHANTAI INDUSTRIES LIMITED

1. Pricing pressure due to opening up of quotas.
2. Enhanced competition from other countries.
3. Rising production cost from increasing wages, power and interest cost.
4. Non Availability of Raw material due to GST.

Finished Goods (5515)	Mtr.	369221.03	13618696.91

We are hopeful of a better year ahead.

Risk is an inherent part of any business. There are various types of risks, that threat the existence of a company like Strategic Risk, Business Risk, Finance Risk, Finance Risk, Environment Risk, Personnel risk, Operational Risk, Reputation Risk, Regulatory Risk, Technology Risk, Political Risk etc. Your company aims at enhancing and maximizing shareholders value by achieving appropriate trade –off between risk & returns.

The fluctuations in foreign exchange adversely impacted exports and long term export orders cannot be booked in view of the uncertainty in exchange rates. India has already started losing its markets and export orders and countries like Pakistan, Bangladesh, Sri Lanka and Vietnam which have duty free access, are now grabbing the market share.

Input costs including power and labour, are extraneous factors which make it difficult for the company to face competition from China, Pakistan and Bangladesh.

The company has adequate internal control systems and is in process of further strengthening the existing internal control systems. The financial statements are reviewed periodically by the management. The company has set up an internal Audit trail whereby deviations, if any, can be brought to the notice of the management quickly and remedial actions are initiated immediately.

Chairman and Managing Director

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective board of Directors is also responsible for overseeing the Company's financial reporting process.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

SHANTAI INDUSTRIES LIMITED

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Standalone Financial Results, including the disclosures, and whether the Annual Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the Directors as on 31st March, 2020 taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March, 2020 from being appointed as a Director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

SHANTAI INDUSTRIES LIMITED

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. Company does not have any pending litigations which would impact its financial position;
 - ii. Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which required to be transferred to the Investor Education and Protection Fund by the Company.

SHANTAI INDUSTRIES LIMITED

[The annexure referred to in our Independent Auditors' Report of even date to the members of the Company on the financial statements for the year ended 31 March 2020, in paragraph 1 under the heading "Report on Other Legal and Regulatory Requirements" of SHANTAI INDUSTRIES LIMITED (formerly known as Wheel and Axle Textiles Limited)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) As explained to us, physical verification of the inventories has been conducted at reasonable intervals by the management, which in our opinion is reasonable, having regard to the size of the Company and nature of its inventories. No material discrepancies were noticed on such physical verification.
- (iii) According to the information and explanations given to us, the Company has not granted any loans secured or unsecured to companies, firms or other parties which are covered in the Register to be maintained under Section 189 of the Companies Act 2013.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits from the public during the year and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under, are not applicable to the Company.
- (vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act. Therefore, the provisions of clause (vi) of the Order are not applicable to the Company.
- (vii) (a) The Company has generally been regular in depositing undisputed statutory dues, including provident fund, employees' state insurance, income-tax, sales-tax, service tax, goods and services tax, customs duty, excise duty, value added tax, cess and any other material statutory dues applicable to it with the appropriate authorities.

According to the information and explanations given to us, there were no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, sales-tax, service tax, goods and services tax, customs duty, excise duty, value added tax, cess and any other material statutory dues in arrears, as at March 31, 2020 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues of income tax, sales tax, service tax and value added tax which have not been deposited by the Company on account of disputes.
- (viii) The Company does not have any loans or borrowings from any financial institution, banks, government or debenture holders during the year. Accordingly, paragraph 3(viii) of the Order is not applicable.
- (ix) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3 (ix) of the Order is not applicable.
- (x) According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.

SHANTAI INDUSTRIES LIMITED

- (xi) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with Directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

SHANTAI INDUSTRIES LIMITED

We have audited the internal financial controls over financial reporting of Shantai Industries Limited (formerly known as Wheel and Axle Textiles Limited) (“the Company”) as of 31st March 2020 in conjunction with our audit of Financial Statements of the Company for the year ended on that date.

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that;

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and Directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Incorporated in the year 1985 as a Public Limited Company, Shantai Industries Limited (formerly known as Wheel and Axle Textiles Limited) has one industrial unit –Textile Mills till 1985.This Company Takeover by Sawlani Group in the year 2015. Since then the company has made progress in widely diverse fields. At present, the company is a trendsetter in textiles and also has a remarkable presence in the Exports of Synthetics Textiles Items & Finished Garments industries.

The financial statements have been prepared in accordance with Indian Accounting Standards (hereafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of Companies Act, 2013 (the "Act") read with Companies (Indian Accounting Standards (Ind AS)) Rules, 2015 and other relevant provisions of the Act.

The financial statements have been prepared on a historical cost convention and accrual basis, except for certain financial assets and liabilities measured at fair value.

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognized in the period in which they are determined.

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company as per the guidance set out in Schedule III to the Act.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

Depreciation on Fixed Assets is provided on written down value method in accordance with life of assets specified in Part C of Schedule II to the Companies Act, 2013 as per details given below:

1	Building	60
2	Computers - Servers	6
3	Computers – End user devices	3
4	Furniture and Fixtures	10
5	Motor Vehicles	8
6	Office Equipments	5

Expenses towards renovations of enduring benefit to the interiors of the office premises not owned by the company are apportioned over the period of the agreement with the owners.

Individual assets acquired for less than five thousand rupees are fully depreciated in the year of acquisition.

Non- financial assets other than inventories and non-current assets held for sale are reviewed at each balance sheet date to determine whether there is any indication. If any such indication exists or when annual impairment testing for an asset required, the company estimates the asset's recoverable amount. The recoverable amount is higher of asset's or cash generating units (CGU) fair value less cost of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash flow that is largely independent of those from other assets or group of assets.

When the carrying amount of an assets or CGU exceeds its recoverable amount, the assets is considered impaired and is written down to its recoverable amount.

Stock in trade is valued at weighted average cost or net realisable value whichever is lower.

Cash and cash equivalents for the purpose of cash flow statement comprise cash in hand, balances in current accounts with scheduled banks and bank deposits.

Revenue is measured at the fair value of the consideration received or receivable. Revenue is recognised when it is earned and no significant uncertainty exists as to its realisation or collection

Revenue from sale of goods is recognised when ownership in the goods is transferred to the buyer for a price, when significant risks and rewards of ownership have been transferred to the buyer and no effective control, to a degree usually associated with ownership, is retained by the Company.

Duty draw back and ROSL incentive recognized when export is made. Incentive of MEIS is recognized when export proceeds is received by the Company.

Other Income is accounted on accrual basis except Dividend Income and Interest on Government Bonds which are accounted on cash basis.

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

Functional currency

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupees.

Transactions and balances

Foreign currency transactions are recorded in the functional currency by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction. All foreign currency monetary assets and monetary liabilities as at the Balance Sheet date are translated into the functional currency at the applicable exchange rates prevailing on that date. All exchange differences arising on translation, are recognised in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction.

Gain or losses upon settlement of foreign currency transactions are recognised in the Statement of Profit and Loss for the period in which the transaction is settled.

The Company provides for gratuity on the basis of half month's salary for each completed year of service as per provision of gratuity Act.

Current tax is determined on the basis of the amount of tax payable in respect of taxable income for the year.

Deferred tax is calculated at tax rates that have been enacted or substantively enacted at the Balance Sheet date and is recognized on timing differences, being the difference between the taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets subject to the consideration of prudence, are recognized and carried forward only to the extent that there is a reasonable/virtual certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized.

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent liabilities are not recognized but are disclosed in the notes. Contingent assets are neither recognized nor disclosed in the financial statements.

Rentals in respect of assets taken on operating lease by the company are expensed with reference to the lease and other considerations.

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Initial Measurement:

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement:

Subsequent measurement is determined with reference to the classification of the respective financial assets and the contractual cash flow characteristic of the financial assets, the company classifies financial assets

as subsequently measured at amortized cost, fair value through other comprehensive income or fair value through profit and loss.

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

A financial asset is measured at FVOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset which is not classified in any of the above categories are measured at FVTPL

Debt instruments included within the FVTOCI category are measured at fair value with all changes recognized in profit and loss. However currently the company does not have any financial instrument in this category.

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For other equity instruments, the company decides to classify the same either as at FVTOCI or FVTPL. The company makes such election on an instrument by instruments basis. The Classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, all fair value changes on the instrument, excluding dividends are recognized in other comprehensive income. There is no recycling of the amount from other comprehensive income to profit and loss even on sale of investment. However the company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit or loss.

De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

- Borrowings
After initial recognition, interest-bearing loans and borrowings are subsequently measured at fair value.
 - Financial Guarantee Contracts
Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment
-

SHANTAI INDUSTRIES LIMITED

when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

- **De-recognition of Financial Liabilities**

Financial liabilities are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non cash assets transferred or liabilities assumed, is recognised in the Statement of Profit and Loss as other gains/ (losses).

Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis; to realise the assets and settle the liabilities simultaneously.

The Company measures financial assets and financial liability at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable. For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation and other relevant documents.

The Company has not received any intimation from its vendors regarding their status under Micro, Small and Medium Enterprises Development Act, 2006 and hence disclosures, if any, required under the said Act have not been made.

Balances showing trade receivable of export sales of Rs 4.59 crores is subject to confirmation.

The Company has provided calculated Gratuity as per Gratuity Act 1972 instead of Ind AS 19 "Employee Benefit" issued by Institute of Chartered Accountant of India.

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Company.

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

The Company does not have any borrowing and there for the company is not exposed to any interest rate risk.

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (primarily collection for export sale denominated in a foreign currency). Presently the company is not heading in forward market and therefore exposure of foreign currency is high.

Credit risk represents the potential loss that the Company would incur if counter parties fail to perform pursuant to the terms of their obligations to the Company. The Company limits its credit risk by carrying out transactions. The maximum exposure to credit risk is represented by the carrying amount of each financial asset in the statement of financial position. Outstanding of trade receivable is old. However in opinion of the management, the company deals with highly rated counter parties and therefore credit risk is very negligible.

The credit risk for bank balance is considered negligible, since the counterparty is a reputable bank with high quality external credit ratings.

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company has no outstanding bank borrowings. The Company believes that the working capital is sufficient to meet its current requirements. Accordingly, liquidity risk is negligible.

Comparative financial information (i.e. the amounts and other disclosures for the previous year presented above as corresponding figures), is included as an integral part of the current year's Financial Statements, and is to be read in relation to the amounts and other disclosures relating to the current year. The previous year's figures have been reworked, regrouped, rearranged and reclassified wherever necessary.
