**NOTES :**

1. In view of the outbreak of CoVID-19 pandemic, social distancing norms is being followed and pursuant to the General Circular No. 02/2021 dated 13th January, 2021 issued by the Ministry of Corporate Affairs (MCA) and Circular No. SEBI/HO/CFD/ CMD2/ CIR/P/2021 /11 dated 15th Jan, 2021 issued by the Securities and Exchange Board of India ("SEBI") and in compliance with the provisions of the Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), physical attendance of the Members at the AGM venue is not required and AGM can be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate at the ensuing AGM through VC/OAVM.
2. The relevant details, pursuant to Regulations 26(4) and 36(3) of the SEBI Listing Regulations and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Director seeking appointment at this AGM is annexed.
3. Pursuant to the General Circular No. 02/2021 dated 13th January, 2021, issued by the Ministry of Corporate Affairs (MCA), the facility to appoint proxy to attend and cast vote on behalf of the members is not applicable for this 33rd AGM. Hence the Proxy Form and Attendance Slip are not annexed to this Notice. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC / OAVM and participate thereat and cast their votes through e-Voting.
4. The Members can join the AGM through the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1,000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
5. Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to csanshusingla@gmail.com with a copy marked to helpdesk.evoting@cdslindia.com.
6. In compliance with the aforesaid MCA Circulars and SEBI Circular dated 15th January, 2021, Notice of the 33rd AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those Members whose email addresses are registered with the Company / Depositories as on 02nd September, 2021. Members may note that the Notice and Annual Report 2020-21 will also be available on the Company's website www.gkconsultantsltd.com and website of the Stock Exchanges i.e. BSE Limited at www.bseindia.com, and on the website of CDSL www.evotingindia.com.
7. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.

8. The register of members and the share transfer register will remain closed for a period of seven days from 23rd September, 2021 to 29th September, 2021 (both days inclusive) for the purpose of AGM.
9. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members holding shares in electronic form are requested to advise change of their address to their Depository Participants. Members are also advised not to leave their demat account(s) dormant for a long period. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
10. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant of securities market. Members holding shares in electronic form are therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the company.
11. Members holding shares in physical form, in their own interest, are requested to dematerialize the shares to avail the benefits of electronic holding / trading.
12. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone / mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form to their Depositories.
13. Members, holding shares in physical form, are requested to notify / send the following to the Registrar and Share Transfer Agent (Beetal Financial & Computer Services Private Limited) of the Company: -
 - a) any change in their address / bank mandate.
 - b) particulars of their bank account, in case they have not been sent earlier.
 - c) nomination in Form SH-13, in duplicate, as provided under Section 72 of the Companies Act, 2013, in case they have not been sent earlier.
 - d) share certificate(s) held in multiple accounts in identical names or joint accounts in the same order of names, for consolidation of such shareholdings into one account.
14. In terms of Section 124(6) of the Companies Act, 2013 read with Investor Education and Protection Fund (IEPF) Authority (Accounting, Audit, Transfer and Refund) Amendment Rules 2017 ("the Rules"), the Company is required to transfer the shares, in respect of which the dividend remains unpaid or unclaimed for a period of seven consequent years to the IEPF account established by the Central Government. There are no shares in respect of which the dividend remains unpaid or unclaimed for a period of seven consequent years. Any person whose shares have been transferred to the Fund, may claim the shares from the authority by submitting an online Application form IEPF-5 available on the website www.iepf.gov.in and after making an application in form IEPF-5, send the same duly signed along with requisite documents to the Company for verification of the claim.
15. In compliance with the provisions of Section 108 of the Act, read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, and Regulation 44 of the SEBI Listing Regulations, the Members are provided with the facility to cast their vote electronically, through the e-Voting services provided by CDSL, on all the resolutions set forth in this Notice. Members holding shares either in physical form or

- in dematerialized form, as on Wednesday, 22nd September, 2021 i.e. cut-off date, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter. Those Members, who present in the AGM through VC / OAVM facility and have not cast their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system during the AGM.
- 16 The Members who have cast their vote by remote e-voting prior to the AGM may also attend/participate in the AGM through VC / OAVM but shall not be entitled to cast their vote again.
- 17 The Voting rights of members shall be in proportion to their shares of the paid-up equity share capital of the Company as on the Cut-off date Wednesday, 22nd September, 2021. Members whose names appear on the Register of Members / List of Beneficial Owners as on Cut-off date i.e Wednesday, 22nd September, 2021 will be considered for the purpose of availing Remote e-Voting or Vote in the Annual General Meeting. A person who is not a member as on the cut-off date should treat this Notice for information purposes only.
- 18 The board has appointed Ms. Anshul Agarwal, (Proprietor, M/s. Anshul Singla & Associates, Practising Company Secretaries) holding certificate of practice (CP No.9165) issued by the Institute of Company Secretaries of India (ICSI) as the Scrutinizer to Scrutinize the e-Voting process in a fair and transparent manner.
- 19 The Scrutiniser shall, immediately after the conclusion of voting at annual general meeting, unblock the votes cast through remote e-Voting in the presence of at least two witnesses not in the employment of the Company. Scrutiniser shall within 48 hours (forty-eight) of conclusion of the meeting submit his report to the Chairman / Managing Director / Chief Financial Officer & Company Secretary of the Company.
- 20 The voting results of the Annual General Meeting will be declared and communicated to the Stock Exchanges and would also be displayed on the Company's website at www.gkconsultants.com and will also available in website of CDSL www.evotingindia.com.
- 21 **THE INSTRUCTIONS OF SHAREHOLDERS FOR E -VOTING AND JOINING VIRTUAL MEETING ARE AS UNDER:**
- a) The voting period begins on 09.00 A.M. (IST) Sunday, 26th September, 2021 and ends on Tuesday, 28th September, 2021 at 05.00 P.M. During this period shareholders' of the Company, holding shares in physical form or in dematerialized form, as on the cut-off date i.e. Wednesday, 22nd September, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- b) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- c) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- d) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Industry Structure and Development

Non-Banking Financial Companies (NBFCs) bring in diversity and efficiency to the financial sector. In the recent past, NBFCs have played increasingly important role in resource mobilisation and credit intermediation, thereby helping commercial sector to make up for low bank credit growth. The Reserve Bank and the Government have taken several measures to address various challenges by enhancing systemic liquidity and strengthening the governance and risk management framework of NBFCs.

The unprecedented outbreak of COVID-19 pandemic impacted the global economy and human life, making it a very challenging environment for all the businesses. The changes forced on people and businesses by the pandemic are likely to last for some time and established ways of doing business may undergo changes leading to new ways of working. The Company has been able to successfully manage immediate challenges of re-establishing normalcy in business operations and is in the process of assessing the long-term implications and opportunities that may emerge from this situation.

Indian Financial Services Industry

India's GDP growth in FY20 continued on a downward growth trajectory which had begun in Q1 FY19. The nation has been facing several structural stresses such as, sluggish private investment for more than six years, significant decline in savings rate for more than seven years and highest unemployment rate in the past 45 years. A broad-based consumption breakdown further accentuated the slowdown. The COVID-19 induced lockdown/social distancing measures started in March 2020 and put 75% of the overall economic activity into standstill. It consequently hastened the downward trajectory of GDP growth in Q4FY20 to 3.1%. For FY20, India's GDP growth declined to 4.2% as compared to 6.1% in FY19. The slowdown in GDP growth had an adverse impact on Government revenue collections and the COVID-19 induced lockdown further exacerbated the situation. Weaknesses in overall economic activity also put pressure on business growth of lenders including NBFCs.

OVERVIEW OF THE FINANCIAL SERVICES INDUSTRY

India's financial services sector consists of the capital market, insurance sector, Banking Sector, Cooperative Banks and Non-Banking Financial Companies (NBFCs). Further, the RBI has given license to various companies to set-up of payments bank that is expected to revolutionize the financial sector in India as it focuses to conduct banking activities primarily through mobile phones. As a step forward for the financial inclusion, the Reserve Bank has also given license to various micro-finance companies to setup Small Finance Bank. Banks with a small finance bank license can

INDEPENDENT AUDITOR'S REPORT**To the Members of****G.K. Consultants Ltd.****Report on the Audit of the Financial Statements****Opinion**

We have audited the accompanying financial statements of G.K. Consultants Ltd. ("the Company") which comprises the Balance Sheet as at March 31,2021, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31,2021, and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (the 'ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter

We draw attention to Note No 25.30- Impact of CoVID-19 on the Financial Statements wherein the Company has disclosed its assessment of CoVID- 19 pandemic. As mentioned therein, the assessment of the Management does not indicate any material effect on the carrying value of its assets and liabilities of the Company on the reporting date or any adverse change in the ability of the Company to continue as a Going Concern. The assessment of Management is dependent on the circumstance as they evolve considering the uncertainties prevailing in the economic situation. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters.

<u>Key audit matters</u>	<u>How our audit addressed the key audit matter</u>
<u>Compliance with regulations impacting financial</u>	
<p>1. The company operates in a highly regulated environment. Being a Non-Banking Financial Company RBI provides directives and guidelines in the form of circulars from time to time. Given the pervasive nature of the regulations, failure to comply with them could have a material financial impact on the operations of the company.</p>	<ol style="list-style-type: none"> 1. Understood the relevant legal and regulatory framework within which the NBFC Company operates and operation of its key control over this framework. 2. Assessed the compliance structure of the company with regard to adherences to various regulation. We understood the process followed by the Compliance Team to obtain and disseminate updates regarding new circulars/notification/ press releases. 3. Assessed that disclosure in the financial statements are in line with the requirement of RBI. 4. Enquired about penalties levied if any on the company for any assessed noncompliance with regulatory requirements.

Management's Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with accounting principles generally accepted in India, including Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statement

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system with reference to the Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of G.K. CONSULTANTS LIMITED**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of G.K. CONSULTANTS LIMITED (“the Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the “internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal Financial control over Financial Reporting issue by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedure that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

d. Use of Estimates

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the Company’s accounting policies and the reported amounts of assets, liabilities, income, expenses and the disclosures of contingent assets and liabilities. The Management believes that the

estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialise.

2.2 **Financial Instruments**

a. **Date of Recognition**

Financial assets and financial liabilities are recognized in the Company's balance sheet when the Company becomes a party to the contractual provisions of the instrument.

b. **Initial Measurement**

Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Company commits to purchase or sell the asset.

2.3 **Financial Assets**

Financial asset is recognised on trade date initially at cost of acquisition net of transaction cost and income that is attributable to the acquisition of the financial asset. Cost equates the fair value on acquisition. Financial asset measured at amortised cost and Financial measured at fair value through other comprehensive income is presented at gross carrying value in the Financial statements. Unamortised transaction cost and incomes and impairment allowance on Financial asset is shown separately under the heading "Other non-financial asset", "Other non-financial liability" and "Provisions" respectively.

a. **Cash and Cash Equivalents**

Cash and cash equivalents include cash at banks and on hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

The Company follows the policy of crediting the customer's account only on receipt of amount in the bank and as such no cheques in hand are taken into consideration.

b. **Inventories**

The company has valued the inventories at fair value in the Financial Statements.

c. **Property, Plant and Equipment**

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of property, plant and equipment includes interest on borrowings attributable to acquisition up to the date the asset is ready for its intended use & other incidental expenses incurred up to that date. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives & residual value

Depreciation on Property, Plant and Equipment is provided in accordance with the provisions of Schedule II of the Companies Act, 2013. Tangible assets are depreciated on straight line basis method over the useful life of assets, as prescribed in Part C of Schedule II of the Companies Act, 2013.

The estimated useful lives for the different types of assets are:

- (i) Furniture and Fixtures -10 years
- (ii) Office Equipment owned - 5 years
- (iii) Computers - 3 years
- (iv) Air Conditioners – 10 years

The Company provides pro-rata depreciation from the day the asset is put to use and for any asset sold, till the date of sale. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount and are recognised in the statement of profit and loss.

d. Intangible Assets

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Intangible Assets are amortised on straight-line basis over the useful life of the asset up to a maximum of 5 years commencing from the month in which such asset is first installed.

The Company provides pro-rata depreciation from the day the asset is put to use and for any asset sold, till the date of sale.

e. Impairment of Assets

At the end of each year, the Company determines whether a provision should be made for impairment loss on Property, Plant and Equipment to determine whether there is any indication that the asset have suffered an impairment loss. An impairment loss is charged to Statement of Profit and Loss in the year in which, an asset is identified as impaired, when the carrying value of the asset exceeds its recoverable value. The impairment loss recognised in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

f. Investments

Long-term investments (excluding investment properties), are carried individually at cost less provision for diminution, other than temporary if any, in the value of such investments. Investments are nil in the company.

g. Reclassifications within classes of financial assets

A change in the business model would lead to a prospective re-classification of the financial asset and accordingly the measurement principles applicable to the new classification will be applied. During the current financial year and previous accounting period there was no change in the business model under which the Company holds financial assets and therefore no reclassifications were made.

h. Modification and De-recognition of financial assets

Modification of financial assets

A modification of a financial asset occurs when the contractual terms governing the cash flows of a financial asset are renegotiated or otherwise modified between initial recognition and maturity of the financial asset. A modification affects the amount and/or timing of the contractual cash flows either immediately or at a future date. The Company renegotiates loans to customers in financial difficulty to maximise collection and minimise the risk of default. A loan forbearance is granted in cases where although the borrower made all reasonable efforts to pay under the original contractual terms, there is a high risk of default or default has already happened and the borrower is expected to be able to meet the revised terms. The revised terms in most of the cases include an extension of the maturity of the loan, changes to the timing of the cash flows of the loan (principal and interest repayment), reduction in the amount of cash flows due (principal and interest forgiveness).

De-recognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognised when:

- 1) the rights to receive cash flows from the asset have expired, or
- 2) the Company has transferred its rights to receive cash flows from the asset and substantially all the risks and rewards of the asset, or the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

Write-off

Impaired loans and receivables are written off, against the related allowance for loan impairment on completion of the Company's internal processes and when the Company concludes that there is no longer any realistic prospect of recovery of part or all of the loan.

For loans that are individually assessed for impairment, the timing of write off is determined on a case by case basis. A write-off constitutes a de-recognition event. The Company has right to apply enforcement activities to recover such written off financial assets. Subsequent recoveries of amounts previously written off are credited to the income statement.

2.4 Financial Liability and Equity

Debt and equity instruments that are issued are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement.

a. Financial liabilities

A financial liability is a contractual obligation to deliver cash or another financial asset or to exchange financial assets or financial liabilities with another entity under conditions that are potentially unfavourable to the Company or a contract that will or may be settled in the Company's own equity instruments and is a non-derivative contract for which the Company is or may be obliged to deliver a variable number of its own

equity instruments, or a derivative contract over own equity that will or may be settled other than by the exchange of a fixed amount of cash (or another financial asset) for a fixed number of the Company's own equity instruments.

Financial liability is recognised initially at cost of acquisition net of transaction costs and incomes that is attributable to the acquisition of the financial liability.

De-recognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

b. Equity

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs. A conversion option that will be settled by the exchange of a fixed amount of cash or another financial asset for a fixed number of the Company's own equity instruments is an equity instrument.

No gain/loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

2.5 Segment reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment wherever applicable.

2.6 Revenue Recognition

Ind-AS 115 Revenue from Contracts with Customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers. Revenue is generally recognised on accrual basis as and when they are earned. Revenue is recognised when (or as) the Company satisfies a performance obligation by transferring a promised good or service to a customer.

When (or as) a performance obligation is satisfied, the Company recognizes as revenue the amount of the transaction price (excluding estimates of variable consideration) that is allocated to that performance obligation.

a. Interest Income

Interest income from investments/financial assets is recognized when it is certain that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable. The interest income is earned on loans, advances and bank deposits.

**b. Dividend Income**

Dividend income is accounted for on receipt basis. The company is dealing in trading of shares & securities and dividend earned on such dealings of shares is shown as other operating revenue. Such income is generally accounted when the Company's right to receive dividend is established.

c. Fees and commission Income

Fee for professional advisory services are accounted as and when service is rendered provided there is reasonable certainty of its ultimate realisation.

Revenue from commission income is recognised when the service is performed.

d. Sale of products

Sales are recognised on transfer of significant risks and rewards of ownership to the buyer as and when the same are traded on Stock Exchange.

e. F & O Income

Income and/or loss on Future and Options as well as derivative dealings are recognised in books of assets are on maturity of such transactions on settlement date. Outstanding/Pending transactions/positions, which are not settled by end of any period, are not recognised as income or loss.

2.7 Employees Benefits**Gratuity**

As per terms of employment, none of the employee of the company is entitled for gratuity.

Compensated Absences/Leave Encashment

As per the company's employment policy, employees are not entitled for leave encashment.

Other short-term benefits

Expense in respect of other short-term benefits is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

2.8 Borrowing Costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan wherever applicable. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the date of capitalisation of such asset is added to the cost of the assets wherever applicable.

2.9 Leases

Leases are classified as operating lease where significant portion of risks and reward of ownership of assets acquired under lease is retained by the lessor. Leases of assets under which substantially all of the risks and rewards of ownership are effectively retained by the lessee are classified as finance lease.

Assets given under finance lease are recognised as a receivable at an amount equal to the net investment in the lease. Lease rentals are apportioned between principal and interest on the internal rate of return. The principal amount received reduces the net investment in the lease and interest is recognised as revenue.

Lease rental - under operating leases (excluding amount for services such as insurance and maintenance) are recognised on a straight-line basis over the lease term, except for increase in line with expected inflationary cost increases.

2.10 Foreign currencies transactions

Transactions in currencies other than the Company's functional currency are recorded on initial recognition using the exchange rate at the transaction date. At each Balance Sheet date, foreign currency monetary items are reported at the rates prevailing at the year end. Non-monetary items that are measured in terms of historical cost in foreign currency are not retranslated.

Exchange differences that arise on settlement of monetary items or on reporting of monetary items at each Balance Sheet date at the closing spot rate are recognised in the Statement of Profit and Loss in the period in which they arise.

2.11 Other Expenditure

Other expenses are accounted on accrual basis.

2.12 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the number of equity shares outstanding during the year.

2.13 Taxation**a. Income Tax**

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

b. Current Taxes

Provision for current tax is made after taking into consideration benefits admissible under the provisions of the Income Tax Act, 1961. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company, if applicable.

c. Deferred Taxes

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is reasonable certainty of realisation of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably certain (as the case may be) to be realised. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets.

d. Goods and Services Input Tax Credit

Goods and Services tax input credit is accounted for in the books in the period in which the supply of goods or service received is accounted and when there is no uncertainty in availing/utilising the credits.

2.14 Provisions, contingent liabilities and contingent assets

The Company creates a provision when there is a present obligation as a result of past events and it is probable that there will be outflow of resources and a reliable estimate of the obligation can be made of the amount of the obligation.

Contingent liabilities are not recognised but are disclosed in the notes to the financial statements. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are neither recognised nor disclosed in the financial statements.

2.15 Statement of Cash Flows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method adjusting the net profit for the effects of:

- i. changes during the period in operating receivables and payables transactions of a non-cash nature;
 - ii. non-cash items such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses, and undistributed profits of associates and joint ventures; and
 - iii. all other items for which the cash effects are investing or financing cash flows.
- Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.
