Management Commentary

Commenting on the above performance, **Mr. Arshdeep Singh Mundi**, Director said:

“The first nine months of FY26 have been exceptionally strong for the Company despite challenging macro business environment during this period.. We have recorded robust growth across volumes and financial parameters, supported by improved asset utilization, operational efficiencies, and disciplined cost management.

This performance reflects our scalable business model and our ability to consistently deliver value to OEM partners while maintaining financial prudence. We remain confident of sustaining this momentum in the coming quarters.”
