**VARVEE GLOBAL LIMITED (Formerly known as Aarvee Denims and Exports Limited) Increases Production Capacity by 6 Lakh Meters per month in Non-Denims-Shirting and Suiting Fabrics**

**Total Installed Capacity Enhanced from 12 Lakh Meters to 18 Lakh Meters per month in Non-denim segment.**

Ahmedabad-January 5, 2026

Varvee Global Limited (formerly known as Aarvee Denims and Exports Limited) (NSE:VGL, BSE:514274) a leading textile manufacturing company, has announced a significant expansion in its production capacity for **Non-Denims – Shirtings and Suitings Fabrics**.

In line with the new management's strategic focus on diversification beyond denim, the Company has successfully commenced and increased its production capacity by **6 lakh meters per month**, taking the total installed capacity from **12 lakh meters to 18 lakh meters per month in Non-Denims – Shirtings and Suitings Fabrics**.

This capacity expansion marks a key milestone in the Company's planned growth towards achieving production capacity of up to **50 lakh meters per month** in the non-denim segment. The expansion has been undertaken to address growing market demand while strengthening the Company's manufacturing capabilities in value-added textile products. This development reflects Varvee Global Limited's commitment to operational excellence, product innovation, and long-term sustainable growth.

The additional capacity has been achieved through optimisation of existing manufacturing facilities and implementation of improved production processes, enabling the Company to scale operations while maintaining stringent quality standards.

**Commenting on the development, Mr. Jaimin Kailash Gupta, Managing Director of Varvee Global Limited, said:**

"The increase in production capacity is an important step in our growth strategy. This expansion will help us meet rising customer demand, improve turnaround times, and further strengthen our position in the **Non-Denims – Shirtings and Suitings Fabrics**."

With this expanded capacity, Varvee Global Limited is well positioned to enhance customer satisfaction and explore new business opportunities across markets.
