1. We have reviewed the standalone unaudited financial results of Cemindia Projects Limited (formerly known as 'ITD Cementation India Limited') (the "Company") which includes 7 jointly controlled operations consolidated on a proportionate basis (refer Annexure A) for the quarter ended December 31, 2025 and the year to date results for the period April 01, 2025 to December 31, 2025, which are included in the accompanying 'Statement of Standalone unaudited Financial Results for the quarter and nine months ended 31 December 2025' (the "Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations, 2015"), which has been digitally signed by us for identification purposes. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement has not been prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

- The above standalone unaudited financial results of Cemindia Projects Limited (formerly known as 'ITD Cementation India Limited') (referred to as the 'Company') which includes its jointly controlled operations consolidated on proportionate basis have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013, read with Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.
- The Company is principally engaged in a single business segment viz. Construction and has operations mainly in India.
- On November 21, 2025, the Government of India notified four Labour Codes, including New Code on Wages, 2019 and the Code on Social Security, 2020, effective immediately, replacing existing 29 labour laws.

Based on the draft rules and available guidance, the Company has assessed the impact of the revised wage definition on its employee benefit obligations in accordance with Ind AS 19. This assessment has resulted in an increase of Rs. 16.18 crores in the provision for defined benefit obligation, which has been recognised under Employee Benefits Expense in the current quarter and nine months ended 31st December 2025.

The Company will continue to monitor the finalisation of the relevant Central and State Rules and will account for impact of such developments, as needed.

- During the period, the Company reviewed the groupings for certain line items in the financial results considering its relevance to its current operations. Accordingly, these line items in the financial results for the presented periods have been regrouped to reflect the groupings as at December 31, 2025. These regroupings did not have impact on the profit for the periods presented.

The financial results for the quarter and nine months ended are presented in 'crores'. Comparative figures for earlier periods have been restated from 'lakhs' to 'crores' to ensure uniformity and enhance comparability.

- The above standalone unaudited financial results were reviewed and recommended to the Board of Directors by the Audit Committee and subsequently approved by the Board of Directors at their respective meetings held on February 05, 2026.

The Statutory Auditors have digitally signed this Standalone Unaudited Financial Results for identification purpose only and this Standalone Unaudited Financial Results should be read in conjunction with their Limited Review Report dated February 05, 2026.
