Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
DISA India Limited**

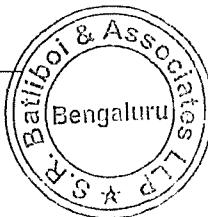

1. We have reviewed the accompanying statement of Unaudited Standalone Financial Results of DISA India Limited (the "Company") for the quarter ended December 31, 2025 and year to date from April 01, 2025, to December 31, 2025, (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

a) The Arbitral tribunal vide its order dated October 12, 2023, had awarded a claim of Rs. 25.5 million plus interest of 12% per annum against the Company for alleged unsatisfactory performance of an equipment supplied to a customer in the past. A provision of Rs 25.5 million was created as exceptional item on account of arbitration award on September 30, 2023. The Company had filed an appeal with the Commercial Court of Bangalore on January 10, 2024, against the award. Subsequently, Honourable Commercial Court of Bangalore rejected the appeal of the Company, and the Company further filed a writ petition in the Honourable High Court of Karnataka, contesting the aforesaid order, and created a provision of Rs 12.6 million during the quarter ended December 31, 2024, towards interest of 12% per annum on the arbitration award. The Honourable High Court of Karnataka passed an Interim Order on February 6, 2025, and pursuant to the aforesaid Order, the Company remitted a sum of Rs. 9.9 million to the customer and had taken back the equipment from the customer. Additionally, the Company deposited Rs. 17.0 million with the Honourable High Court of Karnataka, representing 75% of the interest on the claim for equipment and on claims related to installation and commissioning. The Company is currently awaiting date for further hearing from the Honourable High Court of Karnataka.

b) On November 21, 2025, the Government of India notified provisions of the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020, ('Labour Codes') which consolidate twenty-nine existing labour laws into a unified framework governing employee benefit during employment and post employment. The Labour Codes, amongst other things introduces changes, including a uniform definition of wages and enhanced benefits relating to leave. The Company has assessed the financial implications of these changes which has resulted in increase in gratuity liability arising out of past service cost and increase in leave liability by Rs. 35.1 million. Considering the impact arising out of an enactment of the new legislation is an event of non-recurring nature, the Company has presented this incremental amount under "Exceptional Item" in the Statement of Profit and Loss for the quarter and nine months ended December 31, 2025. The Company continues to monitor the developments pertaining to Labour Codes and will evaluate impact if any on the measurement of liability pertaining to employee benefits in the ensuing quarters.

- 4 The Company operates in a single segment of manufacturing and selling of foundry machinery and machinery parts.

Additional Information:

Order backlog as at December 31, 2025 was Rs. 2,958 Million.
