Mitsu Chem Plast Limited Becomes Global Supplier to Arjohuntleigh Polska (Poland)

Mumbai, February 05, 2026 – Mitsu Chem Plast Limited (BSE: 540078), one of the leading Indian polymer solutions companies, has entered into a **Global Supplier Agreement with Arjohuntleigh Polska Sp. z o.o.**, following a year-long validation Process and approvals.

This agreement marks **Mitsu Chem Plast Limited's onboarding as a global supplier to the Arjo Group, one of the world's Top 5 leading medical equipment companies.** The association reflects Mitsu's strong manufacturing capabilities, Professional Approach, consistent quality, and compliance with international standards.

Under the agreement, **Mitsu Chem Plast will supply Hospital furniture parts and other related plastic accessories.** These products support patient safety, caregiver ergonomics, and efficient risk management in healthcare industry.

The partnership strengthens Mitsu Chem Plast's presence in the global Furniture parts supply chain and enhances its brand visibility across international markets. It also creates long-term growth opportunities by expanding the Company's hospital furniture parts portfolio and supporting export-led business growth.

The engagement also comes at a time of strengthening India-European Union trade relations, supported by the recently concluded India-EU trade agreement, which is expected to improve export competitiveness and ease market access for specialised polymer and healthcare component manufacturers, thereby supporting Mitsu Chem Plast's long-term international business expansion.

This milestone reinforces Mitsu Chem Plast's strategic focus on high-value medical and healthcare applications and its commitment to delivering reliable polymer solutions to global customers.

Reflecting on the Development, Mr. Sanjay Dedhia, Managing Director of Mitsu Chem Plast Limited said, "We are feeling proud and pleased to enter into a Global Supplier Agreement with Arjohuntleigh Polska Sp. z o.o., which marks an important milestone for Mitsu Chem Plast Limited. Successfully completing a year-long validation process reflects the strength of our product quality, manufacturing discipline, and ability to meet stringent global standards.

This partnership positions Mitsu as a trusted supplier in the global healthcare ecosystem and strengthens our presence in the hospital furniture and medical equipment components vertical. It also supports our strategy of expanding exports, diversifying our customer base, and building long-term, sustainable relationships with global leaders. We believe this association will enhance our brand credibility and create meaningful growth opportunities over the coming years."

About Mitsu Chem Plast Limited

Mitsu Chem Plast Limited (BSE - 540078) is a certified manufacturer of polymer-based molded products, specializing in the creation and marketing of innovative, technically advanced solutions. The company serves a diverse range of growing industries, including Industrial Packaging Solutions, Healthcare Products, Infrastructure Products, and Emergency Handling Solutions, all supported by robust in-house testing and quality control systems. The company's product portfolio features Molded Industrial Plastic Packaging items like drums, jerry cans, bottles, jars, and related accessories; Infrastructure furniture parts such as chair shells; Hospital furniture components including panels, railings, planks, and trolley parts and Rescue and safety equipment like spine boards. Mitsu Chem Plast Limited primarily caters to Original Equipment Manufacturers (OEMs) across a variety of sectors, including chemical, pharmaceutical, dyes, agrochemical, disinfectants, diagnostic, hospital and infrastructure furniture. Its recent product innovations include pails for lubricants and new variants like GL 45 caps and TSV caps. The company's journey began 35 years ago with its first plant in Boisar, Tarapur.
