2. The financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).
3. Effective 21 November 2025, the Government of India has consolidated multiple existing labour legislations into a unified framework comprising of four Labour Codes - The Code on Wages, 2019, The Industrial Relations Code, 2020, The Code on Social Security, 2020 and The Occupational Safety, Health and Working Conditions Code, 2020. On the basis of information and guidance available as on date, the Company has assessed and duly recorded the incremental financial impact of the above amounting to ₹ 6.05 crore in these financial results.
4. The Nominated Authority, Ministry of Coal, Government of India, through its Provisional Compensation Order dated 15 October 2024, had directed Utkal Coal Limited ('UCL', erstwhile subsidiary of the Company and thereafter merged into the Company), and the successful bidder to mutually negotiate the compensation for building(s) constructed on Rehabilitation and Resettlement (R&R) land related to Utkal 'C' Coal Mines. In the previous years, UCL had received compensation for the land and statutory expenses. The matter is currently pending before the Coal Tribunal, Talcher.
5. The judgement of the Hon'ble Supreme Court upholding the right of States to impose levy on mineral bearing land is significant and has financial implications for the mining sector at large as well as downstream industries. In this context, the Orissa Rural Infrastructure and Socio-Economic Development Act, 2004 (ORISED) enacted by the State Legislature was struck down by Hon'ble Orissa High Court on 5 December 2005. Subsequently, an appeal was filed by the State Government and the matter is sub-judice before the Hon'ble Supreme Court. The completion of the aforementioned transaction is subject to statutory approvals, including transfer of legal ownership of the specified assets to the Company and fulfilment of the conditions stipulated in the ATA, which are currently in progress.
7. The figures for the quarter and nine months ended 31 December 2024 have been restated as a result of the merger of Utkal Coal Limited (erstwhile wholly owned subsidiary) into the Company, which had consummated in the quarter ended 31 March 2025. The impact of this restatement is not material.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
