### **Q3 2026 – Brief Business Highlights**

#### **LAUNCH OF FREEDOM LARGER MOTOVERSE EDITION IN GOA IN COLLABORATION WITH ROYAL ENFIELD**

This quarter saw the launch of Kati Patang's fifth offering for the Indian market – Freedom Larger Motoverse Edition - A New Beer for the Explorer Generation. Launched in Goa, it marked Kati Patang's re-entry into the Goa market.

We did not enter Goa through shelves or hoardings. Instead, we chose relevance and created a rare Indian example of a culture-first market entry. We partnered with Royal Enfield Motoverse to launch Freedom Lager.

This first-of-its-kind product debuted at the Motoverse 2025 - the ultimate expression of Royal Enfield's mission of helping build motorcycling culture, not just machines. An immersive three-day festival held in Goa and hosted by Royal Enfield; it had thousands of riders from diverse backgrounds converge in rides, races, workshops, and performances – all unified by their love for everything motorcycling. It became a melting pot for sub-cultures to gather and find a common, powerful rhythm - the unifying element being their love of Pure Motorcycling.

A great example of not relying merely on a media placement but a culture-aligned collaboration. Kati Patang represents freedom, individuality, and experiences beyond beer & Motoverse embodies free spiritedness, adventure, and exploration. We looked at creating a community before coverage, culture before campaigns and relevance before reach.

For Kati Patang, this marked another step towards building a community-led lifestyle brand rooted in shared experiences. Freedom Larger will expand to 3-4 new markets by the end of 2026.

#### **OPENING NEW MARKETS**

During the course of the last quarter, we will make our comeback into Haryana, one of the more mature and key alcobev market in India characterized by high-volume sales and premiumization trends. It also has a very robust retail infrastructure. Kati Patang Saffron lager is already available in Gurgaon and Faridabad. Bareilly Extra Bold and Freedom Lager will also be available in the market in Feb/ March.

Kati Patang also entered Uttarakhand and despite the winter, we received a very positive response and strong traction. Currently, we are available in over 150 retail shops and MOTs and over 15 HCR outlets. We hope to continue to build on this momentum.

We have received final label approval to supply Bareilly Extra Bold to Chhattisgarh. We expect the beer to hit the shelves there by first week of March. We are also awaiting final approvals for our brands in Chandigarh & Daman in February.

These markets will likely ensure that we have an immediate and substantive jump in our beer volumes in Jan-Mar 2026 and over the summer. In FY 26, we successfully enhanced the quality of our revenue/

sales volume. Mild/ premium beers contributed 23% of the volumes in Apr-Dec 2025 vis-à-vis mere 7% in the same period last financial year.

Presently in Delhi, we are available in over 200 retail vends and over 80 HCR outlets and continue to deepen our reach.

#### **APPOINTMENT OF MR. RAJEEV TALWAR, FORMER CEO & EXECUTIVE DIRECTOR OF DLF TO OUR BOARD OF DIRECTORS**

As we work towards realizing our vision of building India's first professionally managed homegrown alcobev and lifestyle platform and focus on building brand IP's, we are pleased to announce the appointment of real estate veteran and leader, Mr. Rajeev Talwar to our board.

Mr. Talwar brings over 40 years of distinguished leadership experience, including 25 years as an IAS officer and 15 years with DLF. He joined DLF in 2006 as Executive Director, became CEO in 2014, and retired in 2021. He was also part of the inaugural RERA committee.

#### **KATI PATANG LIFESTYLE TO INCREASE ITS STAKE IN CHADKP HOLDINGS LIMITED THROUGH ITS UK SUBSIDIARY**

The Board has approved the deepening of our presence in the UK market with our proposed increase of stake in CHADKP HOLDINGS LIMITED, the parent company of Chadlington Brewery and The Tite Inn, Oxford from 23 percent to 51 percent. This will likely contribute meaningful turnover to our Business in FY 2026-27.

The planned increase in stake is a continued testimony to Kati Patang Lifestyle's ambition to grow its global presence and redefine the premium beer segment in the UK and European markets. This is also a testimony to our vision of building a global lifestyle brand rooted in India.

This collaboration combines the best of British brewing heritage with the unique flavors of India. And, The Tite Inn Chadlington, a historic pub with deep roots in the community, serves as an ideal setting.

## The Oxford Beer

Chadlington Brewery was formed via a proof of concept pilot in 2016 and is the only brewery in the UK utilising chemical free barley and pure spring water. It produces a quality range of cask, keg and bottled ales and lagers. The business also owns significant brands such as Boat Race Lager and Oxford Blue and has identified a regional, national and international scale up opportunity underpinned by:

- **Scaling iconic beer brands Boat Race, Oxford Blue and Kati Patang**
- **Creating a unique PubCo in Oxfordshire with potential future reach into London**
- **Utilising industry best practice, sustainable operations and industry experience**
  - Building the first net zero pub and brewery group in the UK
  - Producing a unique gluten free, chemical free and vegan friendly beer range
  - Developing two high quality venues in Oxfordshire
  - Implementing innovative decor and branding aligned to Boat Race, Oxford Blue and Kati Patang
  - Utilising dark kitchen operations to deliver high quality cost efficient food offerings
  - Scaling the protected brands of Boat Race, Oxford Blue plus Kati Patang

Scaling up the brewery and growing a venue footprint requires an investment of £3m.

The team behind the brands have over 80 years of experience in the brewing and hospitality industry. This expertise combined with a focus on sustainability and brand scaling will underpin the growth opportunity identified.

# INTERNATIONAL OVERVIEW

## Lager dominates international beer demand

The global lager market size was valued at USD 380 billion in 2023 rising to USD 512 billion in 2033

Premium lager is expected to remain the fastest-growing product segment, with CAGR of 3.1% to 2023 - 2033.

Growth is due to its growing adoption in bars, restaurants, and hotels and shifting consumer preferences for premium beer.

Country	2022 share of lager market
United States	24%
Germany	71%
Japan	4.8%

Manufacturers launching their products in developing countries, are seeing traction and the segment is expected to grow in the coming years due to shifting preferences among youth consumers from other beer forms to lager products.

Emerging premium lager markets are anticipated expected to exhibit a CAGR of above 4.0% with segment growth forecast in India,China ,Mexico, Brazil and China.

However Europe is the largest regional market and is forecast deliver 4% CAGR to 2025 with Asia Pacific forecast to deliver 5.0% CAGR.
