Except to the extent of disclosures made in this report, there have been no material changes and commitments affecting the financial position of the Company which have occurred between the end of the financial year of the company to which the financial statements relate and the date of this report. The Ministry of Home Affairs vide its Order No.40-3/2020 dated 24.03.2020 had notified a nationwide lockdown in India to contain the outbreak of COVID19 pandemic. Amidst the tumult of this unprecedented age of Virus, the Company has allowed its employee to "work from home" after declaration of national lockdown for prevention and safeguard of the employees of the Company. Nevertheless, business activities from the date of lockdown were suspended. In the meanwhile, government of India and other regulators, example, The Reserve Bank of India, Income Tax Authorities, came up with the variety of measures to mitigate the impact of economic and financial disruptions. Inventory as at end of the year has been taken on the basis of physical verification after lifting of the lockdown and impact has been affected in valuation considered in the financial statements if any due to change in quantity / quality of the inventories.

Though the pandemic is still evolving and impact on the working of the company is uncertain, management is of the view that looking into its nature of business and products company is dealing in, and steps been taken to provide support by various means from the regulator/government, there are no reason to believe that current crisis will have any significant impact on the ability of the Company to maintain its normal business operations including the assessment of its financial position.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Directors have pleasure in presenting the Management Discussion and Analysis report for the year ended on March 31, 2020.

### (A) Industry Structure and Development

Beer industry in India has been experiencing growth rates of about 10% in the past decade. Although India isn't a typical beer gulping nation but the winds of change might just be around the corner with growth projections of the industry hovering at much higher levels. Change in demography, a better standard of living and a myriad of choices that 21st century Indian enjoys, beer industry is expected to grow in double digits in the coming years. Its consumption in India has increased into double digits in last decade. India is the fourth largest beer consumer in the Asia-Pacific region by volume. Though the alcohol industry in India has been dominated by Spirits (IMFL and country liquor) and Beer comprises about 11% of the total alcohol consumed in India, recent surveys show that beer is the preferred alcoholic beverage for young Indians and has a bright future. It has registered robust growth in the last 10 years. From a total industry consumption of about 100 million cases in 2005, the consumption has nearly tripled to 294 million cases in 2016.

Compared to the global average per capita consumption of about 30 litres, the per capita consumption in India is about 2 litres. However, the scope for growth in India continues to remain positive given the climate, young demographics and increasing disposable income.

Beer market has been segmented into strong beer and mild beer on the basis of their alcohol content. It is the third largest market and second fastest growing market in the Indian alcoholic beverages industry.

The market size of Indian Beer Industry is expected to register a robust growth in 2019-2020, driven by various factors like growing acceptability of social drinking, easy and convenient availability of beer along with burgeoning varieties on offer. Escalating disposable incomes, rising influence of urbanization and low per capita consumption are also anticipated to drive the consumption of beer in the nation.

In keeping with Indian consumer tastes, about 80% of the beer consumed in India is 'strong beer', i.e. beer with alcohol content above 5%, mild beer accounts for the remaining 20%. The strong beer segment is also the faster growing of the two and this is likely to continue, in keeping with Indian tastes.

Winsome Breweries Limited is engaged in the manufacture of beer, located 70 km from New Delhi in the state of Rajasthan. The brewery was set up in technical collaboration with Henninger Brau with imported equipment and is equipped with all regulations and licenses. It has large water reservoir (unique since Rajasthan restricting issuance of new licenses). Its manufacturing capabilities confirm to the highest German standards with efficient operations of international standards with high levels of automation, monitoring devices and testing equipment. It is currently in agreement with UB Group for bottling various brands of the Group. Major markets in North India including Delhi, Haryana, Punjab, Himachal Pradesh, Uttar Pradesh and northern Madhya Pradesh are within efficient logistics range. Rajasthan is the largest beer market in North India (fourth largest in India). For more than two decades, the company is consistently maintaining the good quality of its beer products. The Company has been making impressive progress in the business of beer during the last few years but there was no manufacturing in previous year as agreement with UB Group expires but renewed on 01st July 2019 and the production is started again. The company contributes about 20% of the total beer sale in the whole of Rajasthan.

### (B) Opportunities, Threats and Concerns.

The Company's beer is directly sold to Rajasthan State Breweries Corporation Limited (RSBCL), there is no sale to the private authorities and the company enjoys sale of beer primarily in the state of Rajasthan. The company has a production capacity to manufacture about 50 Lakhs cases of beer per annum. India's young and growing population, coupled with increasing wealth and urbanisation will also help increase alcoholic beverage consumption. Gradually increasing social acceptance of alcohol consumption will also support volume growth in bars and restaurants.

The business outlook continuing has been dampened by an unfavorable regulatory environment. Alcohol production, distribution and sales has been regulated by each state in India and the different regulations and existence of the central state tax (CST) payable on goods moving from one state to another are the biggest limit on growth.

The introduction of the Goods and Services Tax (GST) is being eagerly looked forward to by the Indian industry at large. The legislation that has been under discussion for the past decade and now implemented on 01.07.2017 to bring the country under a single tax regime that would avoid cascading taxes and be simple to implement. However, the alcohol industry is being kept out of the GST reform. We will be outside the tax reform on our output, but pay GST rates on our input materials. This would result in higher tax incidence on input materials pushing up our cost of production.

Competition from major foreign companies such as Carlsberg, Molson Coors etc. which are coming into India will also affect the Company's market share, though at the same time, tough conditions for new entrants into the market means existing players have lesser challenges.

The Company has been facing difficulty due to very high levels of taxation, rising cost of production, stringent Government policies and frequent changes in laws. The high levels of fluctuations in the prices of its main raw material and availability of raw material at higher cost are also major constraints being faced by the Company during the past few years.

### (C) Outlook

The growing market demand based on the increasing youth population in the country along with higher living standards and increasing purchasing power will result in good market growth and good revenue generation for the company. The existing capacity should take care of the company's requirement at least for the next Five years and the Company also has expansion plans to double its manufacturing capacity in the coming years to cater to the growing market demand.

We estimate an overall beer industry to register a growth of 12% year-on-year across India. The growth rate of 12% is a conservative estimate; the industry has all triggers in place for exceeding the projected growth rate.

### (D) Risk and Concerns

Due to stiff competitions in the finance field where the company's activities are centred in, the overall margins are always under pressure, but maintainable with the constant effort and good services rendered by the company.

### (E) Internal Control System and Their Adequacy

The Company has engaged the services of an independent Chartered Accountant to carry out the internal audit and ensure that recording and reporting are adequate and proper, the internal controls exist in the system and that sufficient measures are taken to update the internal control system. The system also ensures that all the transaction are appropriately authorized, recorded and reported. Steps for safeguarding assets and protection against unauthorized use are undertaken from time to time.

# WINSOME BREWERIES LIMITED

All these measures are continuously reviewed by the management and improvements also made as and when required.

**(F) Discussion on Financial Performance With Respect To Operational Performance**

The financial performance during the year was increased in terms of sales from 0 to 922.27 Lakhs and profitability resultant the Company was in loss which was mainly due to no manufacturing in the year 2018-19 as agreement with UB Group was expired.

**(G) Human Resources/Industrial Relations Front, Including Number of People Employed.**

As on March 31, 2020, the company had Thirty Seven permanent employees at its manufacturing plant and administrative office.

The company recognizes the importance of human value and ensures that encouragement both moral and financial is extended to each individual for motivating them to perform to the maximum capacity, to contribute to developing and achieving individual excellence and departmental objectives and continuously improve performance to realize the full potential of our personnel. The company Industrial relations are cordial and satisfactory during the year under review.

3. Increments to the existing remuneration / compensation structure may be recommended by the Committee to the Board which should be within the limits approved by the Shareholders in the case of Managing Director.
4. Where any insurance is taken by the Company on behalf of its Managing Director, Chief Financial Officer, the Company Secretary and any other employees for indemnifying them against any liability, the premium paid on such insurance shall not be treated as part of the remuneration payable to any such personnel. Provided that if such person is proved to be guilty, the premium paid on such insurance shall be treated as part of the remuneration.

## **REMUNERATION TO KMPs AND OTHER EMPLOYEES**

The policy on remuneration for KMPs and other employees is as below:-

### **I. Fixed pay**

The remuneration and reward structure for employees comprises two broad components — annual remuneration and long-term rewards. The Committee would determine the remuneration of the Directors and formulate guidelines for remuneration payable to the employees.

These guidelines are as under:

#### **a) Annual remuneration**

Annual remuneration refers to the annual compensation payable to the employees of the Company. This comprises two parts - a fixed component, and a performance-linked variable component based on the extent of achievement of the individual's objectives and performance of the business unit. The performance of the individual will be measured by the Head of each department in taking into account monthly, quarterly and yearly performance. The Head of the department may consult other employee in order to assess an individual's performance. The performance-linked variable pay will be directly linked to the overall performance of the business. An employee's variable pay would, therefore, be directly dependent on his/her performance that represents the best interests of shareholders.

The objective is to set the total remuneration at levels to attract, motivate, and retain high-caliber, and high potential personnel in a competitive global market. The total remuneration level is to be reset annually based on a comparison with the relevant peer group globally, established through independent compensation surveys, from time to time.

#### **b) Long-term rewards**

Long-term rewards may include Long-Term Incentive Plans (LTIP) under which incentives would be granted to eligible key employees based on their contribution to the performance of the Company, relative position in the organisation, and length of service under the supervision and approval of the Committee. Another form of long term awards could be in the nature of stock options of the company. Stock Options may be granted to key employees and high performers in the organisation who would be selected by the Committee based on their criticality, past performance and potential.

These long-term reward will attract and retain key talent in the industry.

### **II. Minimum remuneration to Managing Director and Whole Time Directors.**

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to its Managing Director and Whole Time Directors in accordance with the provisions of Schedule V of the Companies Act, 2013.

## **Remuneration to Non-Executive / Independent Directors**

Independent Directors ("ID") and Non-Independent Non- Executive Directors ("NED") may be paid sitting fees (for attending the meetings of the Board and of committees of which they may be members) and commission within regulatory limits. Quantum of sitting fees may be subject to review on a periodic basis, as required.

Within the parameters prescribed by law, the payment of sitting fees and commission will be recommended by the committee and approved by the Board.

Apart from sitting fees and Commission, no other payment shall be made to any of the non-executive directors. The company has no stock option plans and hence, such instruments do not form part of remuneration payable to NEDs..

## **PERFORMANCE EVALUATION**

Pursuant to the provision of the Companies Act, 2013 and SEBI (LODR) Regulations, 2015 the board has carried out the annual performance evaluation of its own performance, the directors individually as well as the evaluation of the working of all the Committee. A structured questionnaire was prepared after taking into consideration inputs received from the directors, covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its committees, Board culture, execution and performance of specific duties, obligations and governance.

The evaluation/assessment of the Directors, KMP's and the senior officials of the Company is to be conducted on an annual basis.

The following criteria may assist in determining how effective the performances of the Directors/KMP's/senior officials have been:

- Leadership & stewardship abilities,
- Contributing to clearly defined corporate objectives & plans,
- Communication of expectations & concerns clearly with subordinates,
- Obtain adequate, relevant & timely information from external sources,
- Review & approval achievement of strategic and operational plans, objectives, budgets,
- Regular monitoring of corporate results against projections,

## WINSOME BREWERIES LIMITED

- Identify, monitor & mitigate significant corporate risks,
- Assess, implement and follow policies, structures & procedures,
- Direct, monitor & evaluate KMP's, senior officials,
- Review succession plan,
- Effective meetings,
- Assuring appropriate board size, composition, independence, structure
- Clearly defining roles & monitoring activities of committees,
- Review of corporation's ethical conduct,

The Executive Director/Non-Independent Directors along with the Independent Directors will evaluate/assess each of the Independent Directors on the aforesaid parameters. Director being evaluated will not participate in the said evaluation discussion.

### Review

The policy shall be reviewed by the Nomination & Remuneration Committee and the Board, from time to time as may be necessary.

### SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2020  
[Pursuant to Section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies  
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

### SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED March 31, 2020

To,  
The Members  
Winsome Breweries Limited

I, Ravinder Kumar Sharma, Proprietor of M/s Ravinder Sharma & Associates had conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Winsome Breweries Limited**. (hereinafter called "**the Company**"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2020 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') :-
  - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
  - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
  - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
  - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
  - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
  - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
  - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;
- (vi) Food safety and Standards Act, 2006 and rules and Regulations made there under.
- (vii) The Factories Act, 1948, Industrial Disputes Act, Industrial (Development & Regulation) Act, 1956, Payment of Bonus Act, 1965, Payment of Gratuity Act, 1972, Contract Labour (Regulation and Abolition) Act, 1970, and other Labour legislations governing the company and its establishments.
- (viii) Employee Provident Fund and Miscellaneous Provisions Act, 1952.
- (ix) Air (Prevention & Control of Pollution) Act, 1981, Water (Prevention & Control of Pollution) Act, 1974 and Environment Protection Act, 1986.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Listing Agreements entered into by the Company with Bombay Stock Exchange and SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015 made effective 1st December, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

# WINSOME BREWERIES LIMITED

1. This observation has been noted on the basis of the report of Statutory Auditor of the Company:

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF WINSOME BREWERIES LIMITED

#### Report on the Standalone Ind AS Financial Statements

#### Opinion

We have audited the accompanying standalone financial statements of **WINSOME BREWERIES LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the Loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

#### Emphasis of Matter

We draw attention to Note No. 41 of the financial statements regarding the impact of COVID-19 pandemic on the Company. Management is of the view that there are no reasons to believe that the pandemic will have any significant impact on the ability of the company to continue as a going concern. Nevertheless, the impact in sight of involvement of pandemic in future period is uncertain.

Our Opinion is not modified in respect of the matter.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We do not consider any matter to be key audit matter to be communicated in our report for the year under audit.

#### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial

# WINSOME BREWERIES LIMITED

statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure I" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, based on our audit we report that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure II". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements. Refer note 33 to the financial statements.
  - The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
  - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

## **ANNEXURE- II TO THE INDEPENDENT AUDITOR'S REPORT**

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls over financial reporting of **WINSOME BREWERIES LIMITED** ("the Company") as of 31st March 2020

In conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence l/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of reliable financial information.

# WINSOME BREWERIES LIMITED

## NOTES TO ACCOUNTS

WINSOME BREWERIES LIMITED, NEW DELHI

### 1. Corporate Information

Winsome Breweries Limited ('the Company') was incorporated on 18/06/1992. Company is currently engaged in manufacturing & selling of Beer. Winsome Breweries Limited's registered office address is village Sarekhurd, Tehsil Tijara, District Alwar, Rajasthan. The financial statements of the company for the year ended 31st March 2020 were authorized for issue in accordance with a resolution of the directors on 30th June 2020.

### 2. Significant Accounting Policies

#### 2.1 Basis of preparation

- (i) Compliance with Ind AS-  
The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.  
The financial statements are presented in INR and all values are rounded to the nearest Lakhs (INR 00,000), except when otherwise indicated.
- (ii) Historical cost convention-  
The financial statements have been prepared on a historical cost basis, except for:
  - a) Certain financial assets & liabilities (including derivative instruments) and contingent consideration that are measured at fair value.
  - b) Assets held for sale have been measured at fair value less costs to sell.
  - c) Defined benefit plans – plan assets measured at fair value.

#### 2.2 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

- > An asset is treated as current when it is:
- Expected to be realised or intended to be sold or consumed in normal operating cycle of the Company
  - Held primarily for the purpose of trading
  - Expected to be realized within twelve months after the reporting period, or
  - Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- All other assets are classified as non-current.
- > A liability is treated as current when:
- It is expected to be settled in normal operating cycle of the Company
  - It is held primarily for the purpose of trading
  - It is due to be settled within twelve months from the reporting period, or
  - There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

**Deferred tax assets and liabilities are classified as non-current assets and liabilities.** The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

#### 2.3 Revenue recognition

With effect from 1st April 2018, the Company has adopted Ind AS 115, 'Revenue from Contracts with Customers' using cumulative effect approach. The standard is applied retrospectively only to contracts that were not completed as at the date of initial application (i.e. 01 April 2018). There was no material impact of above in the opening balance sheet as at 01 April 2018 and on the Statement of Profit and Loss for the year ended 31 March 2019.

Under Ind AS 115, revenue is recognized upon transfer of control of promised goods or services to customers at an amount that reflects the consideration to which the Company is expected to be entitled in exchange for those goods or services. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price allocated to that performance obligation as per contractually agreed terms with the customers. The transaction price of goods sold and services rendered is net of various discounts and schemes offered by the Company as part of the contract. Revenue is recorded provided the recovery of consideration is probable and determinable. Revenue from sale of goods and services transferred to distributors/ intermediaries are recognized at a point in time.

- a) Sale of goods:  
Revenue from the sale of manufactured and traded goods products is recognized upon transfer of control of products to the customers which coincides with their delivery to customer and is measured at fair value of consideration received/receivable, net of discounts, amount collected on behalf of third parties and applicable taxes.
- b) Interest:  
Interest income is recognized on time proportion basis taking into account the amount outstanding and rate applicable. For all debt instruments measured at amortized cost, interest income is recorded using the effective interest rate ("EIR"). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial assets. Interest income is included in other income in the Statement of Profit and Loss.
- c) Dividends:  
Dividend is recognized when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.
- d) Commission:  
Commission income is recognized rateably over the contract period as per the agreed contractual terms.
- e) Services rendered:  
Revenue from service related activities including management and technical know-how service is recognized as and when services are rendered and on the basis of contractual terms with the parties.

#### 2.4 Taxes

- a) The income tax expense or credit for the year is the tax payable on the current year's taxable income based on the applicable income tax rate as per the Income tax Act, 1961 adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.
- b) The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting year. Management

# WINSOME BREWERIES LIMITED

periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

- c) Deferred income tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.
- d) Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses. Therefore, in the case of a history of recent losses, the Company recognises the deferred tax asset to the extent that it has sufficient taxable temporary differences or there is convincing other evidences that sufficient taxable profit will be available against which such deferred tax can be realised.
- e) Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.
- f) Current and deferred tax is recognised in the Statement of profit and loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity and in this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

## 2.5 Property, plant and equipment

- a) Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the assets. Cost may also include transfers from equity of any gains or losses on qualifying cash flow hedges of foreign currency purchases of property, plant and equipment.
- b) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of profit and loss during the reporting year in which they are incurred.
- (c) Depreciation methods, estimated useful lives and residual value-  
Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives. The useful lives have been determined based on those specified by Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset.  
The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting year.
- (d) An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.
- (e) Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of profit and loss within other gains/ (losses).

## 2.6 Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Subsequent to initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the year in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting year. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Intangible assets with indefinite useful lives are not amortised, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis. Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

## 2.7 Leases

Ind AS 116 supersedes Ind AS 17, Leases including appendices thereto. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessee to record all leases on the balance sheet with exemption available for low value and short term leases. At the commencement of a lease, a lessee recognises lease liability and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Lessee subsequently reduces the lease liability when paid and recognises depreciation on the right-of-use asset. Lessee is required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset. The standard has no impact on the actual cash flows of the company.

## 2.8 Inventories

Raw materials and stores & spares are stated at cost (FIFO bases), work in progress are stated at estimated cost, finished goods are stated at the lower of cost and net realisable value & material in transit are stated at direct cost.

Cost of raw materials and traded goods comprises cost of purchases. Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

## 2.9 Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

# WINSOME BREWERIES LIMITED

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the statement of profit and loss, except for properties previously revalued with the revaluation surplus taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation surplus.

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit and loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

## 2.10 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Entity expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

## 2.11 Employee Benefits

### (i) Short-term obligations-

Liabilities for wages and salaries, including non-monetary benefits, are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service and are recognised in respect of employees' services up to the end of the reporting year and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

### (ii) Post-employment obligations-

The Company operates the following post-employment schemes:

- (a) Defined benefit plans such as gratuity; and
- (b) Defined contribution plans such as provident fund and ESI.

#### Gratuity obligations-

The liability or asset recognised in the balance sheet in respect of defined benefit plan is the present value of the defined benefit obligation at the end of the reporting year less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting year on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

#### Defined contribution plans-

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

## 2.12 Investments and Other financial assets

### (i) Classification-

The Company classifies its financial assets in the following measurement categories:

Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income.

For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

### (ii) Measurement-

At initial recognition, the Company measures a financial asset at its fair value. In the case of a financial asset is not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

#### (a) Debt Instruments-

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

**Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

# WINSOME BREWERIES LIMITED

**Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

**Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

## (b) Equity instruments-

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

## (iv) Derecognition of financial assets-

A financial asset is derecognised only when:

The Company has transferred the rights to receive cash flows from the financial asset or, retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the Company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

## (v) Income recognition-

### a) Interest income:

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

### b) Dividends:

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

## 2.13 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

## 2.14 Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per the credit terms.

## 2.15 Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for impairment.

## 2.16 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. Accordingly, segmental reporting is performed on the basis of geographical location of customer which is also used by the chief financial decision maker of the company for allocation of available resources and future prospects.

## 2.17 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

## 2.18 Foreign currency translation or transaction

### (i) Functional and presentation currency:

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is entity's functional and presentation currency.

### (ii) Transactions and balances:

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in statement of profit and loss. Foreign exchange gain/loss on restatement of foreign currency loans taken for specific fixed assets are capitalized along with cost of respective fixed asset.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/(losses) Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities

# WINSOME BREWERIES LIMITED

carried at fair value are reported as part of the fair value gain or loss. For example, translation differences on non-monetary assets and liabilities such as equity instruments held at fair value through profit or loss are recognised in profit or loss as part of the fair value gain or loss and translation differences on non-monetary assets such as equity investments classified as FVOCI are recognised in other comprehensive income.

## 2.19 Financial liabilities

### Initial recognition and measurement:

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and financial guarantee contracts.

### Subsequent measurement-

The measurement of financial liabilities depends on their classification, as described below:

#### (a) Financial liabilities at fair value through profit or loss-

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term.

#### (b) Loans and borrowings-

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method.

Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

## 2.20 Contingencies

Contingent liabilities are possible obligations whose existence will be confirmed only on the occurrence or non-occurrence of uncertain future events outside the Company's control, or present obligations that are not recognised because of the following: (a) It is not probable that an outflow of economic benefits will be required to settle the obligation; or (b) the amount cannot be measured reliably.

Contingent liabilities are not recognised but are disclosed and described in the notes to the financial statements, including an estimate of their potential financial effect and uncertainties relating to the amount or timing of any outflow, unless the possibility of settlement is remote.

Contingent assets are possible assets whose existence will be confirmed only on the occurrence or non-occurrence of uncertain future events outside the Company's control. Contingent assets are not recognised. When the realisation of income is virtually certain, the related asset is not a contingent asset; it is recognised as an asset.

Contingent assets are disclosed and described in the notes to the financial statements, including an estimate of their potential financial effect if the inflow of economic benefits is probable.

## 2.21 Government Grants

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions. Government grants relating to the purchase of property, plant and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other income.

## 2.22 Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities at the date of the financial statements. Estimates and assumptions are continuously evaluated and are based on management's experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

In particular, the Company has identified the following areas where significant judgements, estimates and assumptions are required. Further information on each of these areas and how they impact the various accounting policies are described below and also in the relevant notes to the financial statements. Changes in estimates are accounted for prospectively.

### Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

### Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal, contractor, land access and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgments and the use of estimates regarding the outcome of future events.

### Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market change or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

#### (a) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

#### (b) Defined benefit plans

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the

## WINSOME BREWERIES LIMITED

discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(c) **Fair value measurement of financial instruments**

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the NAV model.

Financial assets like security deposits received and security deposits paid, has been classified and measured at amortised cost on the basis of the facts and circumstances that exist at the date of transition to Ind AS. Government corporate bond rate has been used to fair value the security deposits at amortised cost.

Financial liability like long term borrowings received, has been classified and measured at amortised cost on the basis of the facts and circumstances that exist at the date of transition to Ind AS. Average market borrowing rate has been used to fair value the long term loan at amortised cost.

### (ii) Fair value hierarchy

All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is insignificant to the fair value measurements as a whole.

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: valuation techniques for which the lowest level inputs that has a significant effect on the fair value measurement are observable, either directly or indirectly.

Level 3: valuation techniques for which the lowest level input which has a significant effect on fair value measurement is not based on observable market data.

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities, other than those whose fair values are close approximations of their carrying values.

**Financial assets and liabilities measured at fair value - recurring fair value measurements for which fair values are disclosed at 31 March 2020:**

	Date of valuation	Total	Fair value measurement using		
			Quoted prices in	Significant observable inputs	Significant unobservable inputs
			(Level 1)	(Level 2)	(Level 3)
<b>Financial assets</b>					
Non current Investments	31-Mar-20	1,372.00	381.99	-	990.02
	31-Mar-19	1,632.93	599.05	-	1,033.88

There have been no transfers between Level 1 and Level 2 during the period.

**Assets and liabilities which are measured at amortised cost for which fair values are disclosed at 31 March 2020:**

	Date of valuation	Total	Fair value measurement using		
			Quoted prices in	Significant observable inputs	Significant unobservable
			(Level 1)	(Level 2)	(Level 3)
<b>Financial assets</b>					
Security deposits given	31-Mar-20	27.16	-	-	27.16
	31-Mar-19	28.37	-	-	28.37
<b>Financial assets</b>					
Security deposits received	31-Mar-20	21.54	-	-	21.54
	31-Mar-19	1.02	-	-	1.02

There have been no transfers between Level 1 and Level 2 during the period.

For cash and cash equivalents, trade receivables, other receivables, short term borrowing, trade payables and other current financial liabilities the management assessed that their fair value is approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair values of the Company's long-term interest free security deposits are determined by applying discounted cash flows ('DCF') method, using discount rate that reflects the market borrowing rate as at the end of the reporting period. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

The management has assessed that the carrying value of investments made in Indian Soft Drinks Manufacturing Association is close approximation of its fair value.

## 29 Financial risk management objectives and policies

The Company's principal financial liabilities, other than derivatives, comprise trade and other payables, security deposits, employee liabilities. The Company's principal financial assets include trade and other receivables, inventories and cash and short-term deposits/loan that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's management oversees the management of these risks. The Company's senior management is supported by a Risk Management Compliance Board that advises on financial risks and the appropriate financial risk governance framework for the Company. The financial risk committee provides assurance to the Company's management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The management reviews and agrees policies for managing each of these risks, which are summarised below.

### I. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk include, deposits.

The sensitivity analyses of the above mentioned risk in the following sections relate to the position as at 31 March 2020 and 31 March 2019.

The analyses exclude the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities of foreign operations. The analysis for contingent liabilities is provided in Note 33.

The following assumptions have been made in calculating the sensitivity analyses:

- The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31 March 2020 and 31 March 2019.

#### A. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates. However the risk is very low due to negligible borrowings by the Company.

	Increase/ decrease in basis points	Effect on profit before tax
		Rs.
<b>31-Mar-20</b>		
INR	+ 0.5%	(0.26)
INR	- 0.5%	0.26
<b>31-Mar-19</b>		
INR	+ 0.5%	(0.64)
INR	- 0.5%	0.64

The assumed movement in basis points in the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

### B. Foreign currency sensitivity

Foreign currency risk is the risk that the fair value of future cash flows of an exposure will fluctuate because of changes in exchange rates. Foreign currency risk sensitivity is the impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities. The following tables demonstrate the sensitivity to a reasonably possible change in USD and EURO exchange rates, with all other variables held constant.

	Change in USD rate	Effect on profit before tax
		Rs
<b>31-Mar-20</b>	5%	(0.60)
	-5%	0.60
<b>31-Mar-19</b>	5%	(0.60)
	-5%	0.60

The movement in the pre-tax effect on profit and loss is a result of a change in the fair value of derivative financial instruments not designated in a hedge relationship and monetary assets and liabilities denominated in INR, where the functional currency of the entity is a currency other than INR.

## II. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions.

Credit risk from investments with banks and other financial institutions is managed by the Treasury functions in accordance with the management policies. Investments of surplus funds are only made with approved counterparties who meet the appropriate rating and/or other criteria, and are only made within approved limits. The management continually re-assess the Company's policy and update as required. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty failure.

The maximum credit risk exposure relating to financial assets is represented by the carrying value as at the Balance Sheet date

### A. Trade receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit review and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored.

At the year end the Company does not have any trade receivable therefore there is no bad debt risk.

An impairment analysis is performed at each reporting date on an individual basis in major markets. The calculation is based on historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in Note 28. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets.

### B. Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties.

## III. Liquidity risk

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

	Less than 1 year	1 to 5 years	> 5 years	Total
<b>Year ended 31-Mar-20</b>				
Borrowings*	829.06	51.73	-	880.79
Trade payables	667.25	-	-	667.25
Other financial liabilities	107.38	-	-	107.38
	<b>1,603.69</b>	<b>51.73</b>	<b>-</b>	<b>1,655.42</b>
<b>Year ended 31-Mar-19</b>				
Borrowings*	755.44	127.80	-	883.24
Trade payables	212.14	-	-	212.14
Other financial liabilities	78.24	-	-	78.24
	<b>1,045.82</b>	<b>127.80</b>	<b>-</b>	<b>1,173.62</b>

\* In absolute terms i.e. undiscounted and including current maturity portion

## IV. Excessive risk concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry.

The Company's manufacturing facilities are situated in different geographies. Similarly the distribution network is spread PAN India.

## 30 Capital Management

The objective of the Company's capital management structure is to ensure that there remains sufficient liquidity within the Company to carry out committed work programme requirements. The Company monitors the long term cash flow requirements of the business in order to assess the requirement for changes to the capital structure to meet that objective and to maintain flexibility.

The Company manages its capital structure and makes adjustments to it, in light of changes to economic conditions. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital, issue new shares for cash, repay debt, put in place new debt facilities or undertake other such restructuring activities as appropriate.

No changes were made in the objectives, policies or processes during the year ended 31 March 2020.

	31 March 2020	31 March 2019
Total Liabilities	2,757.51	2,013.15

<b>Net debts</b>	<b>2,741.09</b>	<b>2,005.60</b>
<b>Total equity</b>	<b>3,749.26</b>	<b>3,864.30</b>
<b>Gearing ratio (%)</b>	<b>73.1%</b>	<b>51.9%</b>

### Derivative instruments and unhedged foreign currency exposure

The Company has no outstanding derivative instrument at the year end. The amount of foreign currency exposure that are not hedged by derivative instruments or otherwise are as under -

	31 March 2020	31 March 2020	31 March 2019	31 March 2019
USD	Foreign Currency	Amount	Foreign Currency	Amount
Borrowings (Unsecured)	10.92	829.06	10.92	755.44

## 31 Defined Contribution Plans - General Description

Retirement benefits in the form of provident fund, superannuation fund and national pension scheme are defined contribution schemes. The Company has no obligation, other than the contribution payable to the provident fund. The Company's contribution to the provident fund is Rs. 3.59 lakhs (31 March 2019 Rs. 1.44 lakhs)

## Defined Benefit Plans - General Description

Gratuity:

The Company has a defined benefit gratuity plan. Gratuity is computed as 15 days salary, for every completed year of service or part thereof in excess of 6 months and is payable on retirement / termination / resignation. The benefit vests on the employee completing 5 years of service. The Company makes provision of such gratuity asset/ liability in the books of accounts on the basis of actuarial valuation as per the projected unit credit method.

The following tables summarise the components of net benefit expense recognised in the statement of profit & loss and the funded status and amounts recognised in the balance sheet for the gratuity plan:

Changes in the present value of the defined benefit obligation are, as follows:

	31-03-2020	31-03-2019
Defined benefit obligation at the beginning of the year	22.52	45.14
Current service cost	1.41	1.38

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2020  
(Amount in Rupees lakhs, unless otherwise stated)

A quantitative sensitivity analysis for significant assumption as at 31 March 2020 an shown below:

Gratuity Plan	Sensitivity level	Impact on DBO
	31-03-2019	31-03-2020
<b>Assumptions</b>		
Discount	+3.00%	0.83
	-3.00%	(0.92)
Future salary increases	+3.00%	(0.93)
	-3.00%	0.85
Withdrawal rate	+1.00%	(0.09)
	-1.00%	0.10

The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period. Sensitivities due to mortality and withdrawals are insignificant and hence ignored. Sensitivities as to rate of inflation, rate of increase of pensions in payments, rate of increase of pensions before retirement & life expectancy are not applicable being a lump sum benefit on retirement.

The expected maturity analysis of undiscounted gratuity is as follows:

	31-03-2020
With the next 12 months (next annual reporting period)	13.11
Between 1 to 2 years	1.05
Between 2 to 3 years	0.37
Between 3 to 4 years	1.02
Between 4 to 5 years	1.30
Over 5 years	7.67
<b>Total expected payments</b>	<b>24.53</b>

The weighted average duration of the defined benefit plan obligation at the end of the reporting period is 10 years.

## 36 Segment Information

### Business Segments

According to Ind AS 108, identification of operating segments is based on Chief Operating Decision Maker (CODM) approach for making decisions about allocating resources to the segment and assessing its performance. Based on the consideration of dominant sources and nature of risk & returns, the company is considered a beer manufacturer and educational trainer. Most of the activities are revolving around these business and accordingly has two reportable segments.

- a) Beer
- b) Educational training

The above business segments have been identified considering :

- a) the nature of products and services
- b) the internal financial reporting systems.

The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Management Committee as explained in the Director's Report section.

### 37. Balance confirmation

Debit and credit balance of trade payables to the extent not confirmed are subject to confirmation and reconciliation with parties.

38. In the opinion of Board of Directors and to the best of their knowledge and belief, the aggregate value of current assets on realisation in the ordinary course of business will not be less than the amount at which these are stated in the balance sheet.

39. The loan given to M/s Arcotech Ltd. amounting to Rs. 1.02 crores as on 31/03/2020 is considered to be doubtful in view of the cheque received from the party against service of interest during the year getting bounced. The company has stopped the provision of interest wef Nov-18. The interest shall be provided on settlement with the party.

40. The loan given to M/s Bhuroka Power Corporation Ltd. amounting to Rs.1.62 crores as on 31/03/2020 is considered to be doubtful in view of the cheque received from the party against service of interest during the year getting bounced. The company has stopped the provision of interest wef Jul-19. The interest shall be provided on settlement with the party.

### 41. Impact of COVID-19 on the company

The SAARC-COV2 virus continues to spread globally including India, which has resulted in significant decline and volatility and disruption in economic/financial activities in global markets. On 11 March 2020, COVID-19 was declared as global pandemic by World Health Organisation.

Amidst the tumult of this unprecedented age of virus, the company has allowed its employees to "Work from Home" after declaration of national lockdown for prevention and safeguard of the employees of the company. Nevertheless, business activities from the date of lockdown were suspended. In the meanwhile, government of India and other regulators e.g. Reserve Bank of India, Income tax authorities came up with variety of measures to mitigate the impact of economic and financial disruptions. Inventory as at end of the year has been taken on the basis of physical verification after lifting the lockdown and impact has been affected in valuation considered in the financial statement, if any, due to change in quantity/quality of the inventories.

Though the pandemic is still evolving and impact on working of the company is uncertain, management is of the view that looking into its nature of business and the products company is dealing in, and steps being taken to provide support by various means from the regulators/ governments, there are no reason to believe that current crisis will have any significant impact on the ability of the company to maintain its normal business operations including the assessment of going concern for the company. However, the extent to which the pandemic will impact working of the company, which is highly uncertain.

42. Previous year's figures have been regrouped/ rearranged, wherever necessary so as to make them comparable with those of current year's figures.
