Just two days after a woman was beaten up by her husband for not serving him food on time in Talegaon Dabhade, another woman was brutally assaulted by her violent spouse and mother-in-law with an iron rod for refusing to decorate for the Ganesha Chaturthi at home in the Wad-

gaon Budruk area.

The 31-year-old victim has sustained serious injuries to her nose. She has been advised to undergo plastic surgery by the doctor.

On the basis of her complaint, a case has been registered against her husband and mother-in-law. According to the police, the woman had an altercation with her husband over decoration work. When the dispute intensified, the victim started to leave for her maternal home along with her two children.
