Dear Sirs,

**Subject: Intimation pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements), Regulations 2015 regarding planned partial shutdown towards implementation of capacity enhancement measures for Vitamin D3 crystals at Dahej facility.**

Pursuant to the applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements), Regulations 2015, we hereby inform you that Fermenta Biotech Limited (FBL) will be taking a planned partial shutdown of its manufacturing facility at Dahej to carry out capacity increasing measures for Vitamin D3 crystals with effect from today, 5<sup>th</sup> October 2021 for an estimated period of 15 days, until 20<sup>th</sup> October 2021.

Following the previous shutdown in April 2019, which was successfully completed to increase capacity of Vitamin D3 intermediates, the current shutdown is being taken for increasing Vitamin D3 crystals' capacity. Post completion, FBL's production capacity of Vitamin D3 crystals will increase by approximately 25%. This initiative is part of FBL's capacity enhancement strategy to meet the expected increase in peak demand for Vitamin D3 crystals under the current circumstances.

This is for your information and records please.

Thanking you,

Yours faithfully,

For **Fermenta Biotech Limited**  
[Formerly known as DIL Limited]

**Srikant N. Sharma**
