Sub: Successful Commissioning of 120.46 MWp Solar Projects
Ref: Regulation 30 and other applicable regulations of SEBI (Listing Obligation & Disclosure Requirements) Regulations, 2015

Dear Sir/Madam,

Pursuant to Regulation 30 and other applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform you that **Bondada Engineering Limited** has successfully **commissioned solar projects of 120.46 MWp** during **December 2025** for **Paradigm IT, MAHAGENCO and NLC India Limited** across multiple project clusters located in **Dhule, Amaravati, Hingoli, Pathardi, Shevgaon, Kannad and Dharni in Maharashtra and Neyveli in Tamil Nadu**.

Notably, the Company has **doubled its monthly commissioning volumes on a month-on-month basis over the last two consecutive months**, reflecting strong execution momentum, enhanced project management capabilities, and improving operational efficiencies within the Solar EPC segment.

This achievement represents a significant milestone in the Company's contribution to **India's National Renewable Energy Mission**, reinforcing its role as a reliable EPC partner in the country's clean energy transition. The timely and successful commissioning of these projects highlights the Company's ability to deliver large-scale renewable infrastructure projects with consistency, speed, and quality.

The Solar Division demonstrated high levels of technical expertise, disciplined execution and adherence to stringent quality and safety standards across all project locations, ensuring seamless delivery as per customer expectations.

Bondada Engineering Limited remains focused on scaling its renewable energy footprint through disciplined execution, robust governance and a results-driven approach. The Company continues to actively support India's renewable capacity expansion while strengthening long-term value creation for all stakeholders.

We request you to kindly take the above information on record.
