- The Acquirers shall complete all procedures relating to payment of consideration under this Offer within a period of 10 Working Days from the date of expiry of the Tendering Period to those Public Shareholders who have tendered Equity Shares and are found valid and are accepted for acquisition by Acquirers.
- The Acquirers in terms of Regulation 18(11) of SEBI (SAST) Regulations, are responsible to pursue all statutory approvals in order to complete this Offer without any default, neglect or delay. In the event, the Acquirers are unable to make the payment to the Public Shareholders who have accepted this Offer within such period owing to non-receipt of statutory approvals required by the Acquirers, SEBI may, where it is satisfied that such non-receipt was not attributable to any willful default, failure or neglect on the part of the Acquirers to diligently pursue such approvals, grant extension of time for making payments, subject to the Acquirers agreeing to pay interest to the shareholders for the delay at such rate as may be specified. In addition, where any statutory approval extends to some but not all the Public Shareholders, the Acquirers shall have the option to make payment to such Public Shareholders in respect of whom no statutory approvals are required to complete this Offer. Consequently, payment of consideration to the Public Shareholders of the Target Company whose Equity Shares have been accepted in this Offer as well as the return of the Equity Shares not accepted by the Acquirers may be delayed.
- In accordance with the provisions of Regulation 18(11A) of the SEBI (SAST) Regulations, if there is any delay in making payment to the Public Shareholders who have accepted this Offer, the Acquirers will be liable to pay interest at the rate of 10.00% per annum for the period of delay. This obligation to pay interest is without prejudice to any action that the SEBI may take under Regulation 32 of the SEBI (SAST) Regulations. However, it is important to note that if the delay in payment is not attributable to any act of omission or commission by the Acquirers, or if it arises due to reasons or circumstances beyond the control of the Acquirers, SEBI may grant a waiver from the obligation to pay interest. Public Shareholders should be aware that while such waivers are possible, there is no certainty that they will be granted, and as such, there is a potential risk of delayed payment
