To
The Board of Directors
Siemens Limited,
Birla Aurora, Level 21, Plot No. 1080,

1. We have reviewed the standalone unaudited financial results of Siemens Limited (the "Company") for the quarter ended December 31, 2025 and the year to date results for the period October 1, 2024 to December 31, 2025, which are included in the accompanying 'Statement of standalone unaudited financial results for the quarter and fifteen months ended 31 December 2025' together with notes thereon (the "Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations, 2015"), which has been initialled by us for identification purposes.
2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes :

1 During the previous year, the Board of Directors of the Company, at its meeting held on 14 May 2024, basis the recommendations of the Audit Committee and Committee of Independent Directors, approved a scheme of arrangement amongst the Company, Siemens Energy India Limited ("SEIL") (a wholly owned subsidiary of the Company, which was incorporated on 7 February 2024) and their respective shareholders and creditors, providing for the demerger of the Company's Energy business to SEIL in compliance with Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 (the "Scheme"). On 25 March 2025, the Scheme was sanctioned by the Hon'ble National Company Law Tribunal (the "NCLT"). Pursuant to receipt of necessary statutory approvals and in accordance with the Scheme, the Company has demerged the Energy business effective 25 March 2025, with appointed date being 1 March 2025, as per the Scheme. Upon the Scheme being effective, the Company has transferred the assets and liabilities pertaining to Energy business to SEIL as on the appointed date. The Company has accordingly derecognized from its books of account the carrying amount of such assets and liabilities. The excess of the carrying amount of assets transferred over the carrying amount of liabilities transferred aggregating Rs. 37,846 million (including Rs. 25,478 million of cash and cash equivalents being transferred as an integral part of the Scheme) had been adjusted to retained earnings in accordance with the Scheme in the standalone unaudited financial results. Additionally, in accordance with the Scheme, the Company had also made certain consequential adjustments to applicable reserves within equity. Further, pursuant to the requirements of the Indian Accounting Standards (Ind AS), the results of the Company's Energy business up to the appointed date of demerger have been disclosed as discontinued operations; accordingly, the previous period figures have been re-presented. The results of the Company's Energy business included in the above standalone unaudited financial results and segment results are as follows:

* Considering the impact of the Scheme, the above numbers are up to 1 March 2025.

2 Based on the recommendations of the Committee of Directors and the Audit Committee, the Board of Directors of the Company, at its meeting held on 8 December 2025, has approved the sale and transfer of the Company's "Low Voltage Motors" ("LVM") business to Innomotics India Private Limited ("the Buyer") as a going concern by way of a lump sale, as per the terms of the lump sale agreement entered into by the Company inter alia with the Buyer, subject to fulfilment of customary conditions precedent, including receipt of requisite regulatory and statutory approvals such as approval from the Competition Commission of India, as may be applicable, for a cash consideration (enterprise value) of Rs. 22,000 million on a cash free, debt free basis and subject to mutually agreed adjustments. Consequently, pursuant to the requirements of Ind AS 105 "Non Current Assets held for Sale and Discontinued Operations", the results of the Company's LVM business have been disclosed as discontinued operations; accordingly the previous period figures have been re-presented. The results of the Company's LVM business included in the above standalone unaudited financial results and segment results are as follows:

3 On November 21, 2025, the Government of India has consolidated multiple existing labour legislations into a unified framework comprising four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws, collectively referred to as the 'New Labour Codes'. In accordance with Ind AS 19 'Employee Benefits', changes to employee benefit plans arising from legislative amendments are treated as plan amendments, requiring immediate recognition of past service cost in the standalone unaudited financial results. The Company has assessed and disclosed the incremental impact of these changes on the basis of best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. The implementation of new Labour Codes has resulted in an incremental impact of Rs. 628 million on the provision for gratuity and compensates absences in the standalone unaudited financial results of continuing operations, which is due to the changes in the wage definition. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company has presented such incremental impact under "Exceptional Item" in the standalone unaudited financial results for the quarter and fifteen months ended 31 December 2025. The Company continues to monitor the finalization of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

4 The Board of Directors at its meeting held on 8 August 2025 approved the change of financial year of the Company to uniform financial year commencing on 1 April of every year and ending on 31 March of the following year including observing a one-time transitional financial year from 1 October 2024 to 31 March 2026. The Company is in the process of taking necessary steps and approvals to comply with procedural requirements emanating on account of change in financial year. Consequently, as a transitional arrangement, the current financial year of the Company will be for a period of eighteen months from 1 October 2024 to 31 March 2026 which would comprise six quarters, while the previous financial year was for a period of twelve months from 1 October 2023 to 30 September 2024. In view of the above, the Company considered the period from 1 July 2025 to 30 September 2025 as a standalone fourth quarter and the period from 1 October 2025 to 31 December 2025 as a standalone fifth quarter of the financial year ending 31 March 2026. The standalone audited financial results for the previous financial year ended 30 September 2024 and the standalone unaudited financial results for the fifteen months ended 31 December 2025 are not comparable.

5 Other income includes the following:

(Rs. in million)

Particulars	Quarter ended			Fifteen months ended	Year ended
	31 December 2025	30 September 2025	31 December 2024	31 December 2025	30 September 2024
Gain on sale of properties (including assets held for sale)	-	-	-	55	2,895
Dividend received from subsidiaries	-	-	-	1,423	1,462

6 During the previous quarter, the Company had benchmarked and re-evaluated the presentation and classification of the below-mentioned financial statement line items in the standalone financial results. The Company determined that such a change results in an enhanced and more relevant presentation and classification of its financial information, taking into account the nature of its current business operations as per paragraph 45 of Ind AS 1 - Presentation of Financial Statements. This change in presentation and classification did not have an impact on the overall standalone financial results. Accordingly, the figures for the prior period have been reclassified and re-presented to conform to the current period's classification as summarised below:

Revised presentation and classification	Previous presentation and classification	30 September 2024* (Revised)	30 September 2024* (Previous)

Review Report

To
The Board of Directors
Siemens Limited,
Birla Aurora, Level 21, Plot No. 1080,
Dr. Annie Besant Road, Worli,
Mumbai – 400030

1. We have reviewed the consolidated unaudited financial results of Siemens Limited (the "Holding Company") and its subsidiaries (the Holding company and its subsidiaries hereinafter referred to as the "Group") (refer paragraph 4 below) for the quarter ended December 31, 2025 and the year to date results for the period October 1, 2024 to December 31, 2025, which are included in the accompanying 'Statement of consolidated unaudited financial results for the quarter and fifteen months ended 31 December 2025' together with notes thereon (the "Statement"). The Statement is being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations, 2015"), which has been initialled by us for identification purposes.
2. This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review. .
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, 2015, to the extent applicable.

4. The Statement includes the results of Holding Company and the following entities:

Subsidiaries:

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement has not been prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We draw attention to -
 - a. Note 1 to the Statement in respect of the Scheme of Arrangement (the 'Scheme') between the Holding Company, Siemens Energy India Limited and their respective shareholders and creditors for demerger of the Energy business of the Holding Company (disclosed as discontinued operations in the accompanying Statement), which has been approved by the National Company Law Tribunal (the "NCLT") vide its order dated March 25, 2025. The Holding Company has given effect of the Scheme from the 'Appointed Date' of March 1, 2025, as approved by the NCLT, while the applicable accounting standards require accounting for the Scheme in the books of the Holding Company to be carried out as a distribution of non-cash assets to owners when the distribution is appropriately authorised and is no longer at the discretion of the Holding Company, which is the date of the final order passed by the NCLT sanctioning the Scheme as aforesaid (i.e., the 'Effective Date' per the Scheme).
 - b. Note 4 to the Statement regarding the change of financial year of the Holding Company, as approved by the Board of Directors. As a transitional arrangement, the Holding Company will prepare the current year financial statements for a period of eighteen months from October 1, 2024 to March 31, 2026, which would comprise six quarters. Accordingly, the period October 1, 2025 to December 31, 2025 has been considered as the fifth quarter of the financial year ending March 31, 2026. The Holding Company is in the process of taking the necessary steps and approvals to comply with procedural requirements emanating on account of change in the financial year.

Our conclusion is not modified in respect of the above matters.

Notes:

1 During the previous year, the Board of Directors of the Holding Company, at its meeting held on 14 May 2024, basis the recommendations of the Audit Committee and Committee of Independent Directors, approved a scheme of arrangement amongst the Holding Company, Siemens Energy India Limited ("SEIL") (a wholly owned subsidiary of the Holding Company, which was incorporated on 7 February 2024) and their respective shareholders and creditors, providing for the demerger of the Group's Energy business to SEIL in compliance with Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 (the "Scheme").

On 25 March 2025, the Scheme was sanctioned by the Hon'ble National Company Law Tribunal (the "NCLT"). Pursuant to receipt of necessary statutory approvals and in accordance with the Scheme, the Holding Company has demerged the Energy business effective 25 March 2025, with appointed date being 1 March 2025, as per the Scheme. Upon the Scheme being effective, the Holding Company has transferred the assets and liabilities pertaining to Energy business to SEIL as on the appointed date. The Holding Company has accordingly derecognized from its books of account the carrying amount of such assets and liabilities. The excess of the carrying amount of assets transferred over the carrying amount of liabilities transferred aggregating Rs. 37,846 million (including Rs. 25,478 million of cash and cash equivalents being transferred as an integral part of the Scheme) had been adjusted to retained earnings in accordance with the Scheme in the consolidated unaudited financial results. Additionally, in accordance with the Scheme, the Holding Company had also made certain consequential adjustments to applicable reserves within equity.

Further, pursuant to the requirements of the Indian Accounting Standards (Ind AS), the results of the Group's Energy business up to the appointed date of demerger have been disclosed as discontinued operations; accordingly, the previous period figures have been re-presented.

The results of the Group's Energy business included in the above consolidated unaudited financial results and segment results are as follows:

* Considering the impact of the Scheme, the above numbers are up to 1 March 2025.

2 Based on the recommendations of the Committee of Directors and the Audit Committee, the Board of Directors of the Holding Company, at its meeting held on 8 December 2025, has approved the sale and transfer of the Company's "Low Voltage Motors" ("LVM") business to Innomotics India Private Limited ("the Buyer") as a going concern by way of a lump sale, as per the terms of the lump sale agreement entered into by the Holding Company inter alia with the Buyer, subject to fulfilment of customary conditions precedent, including receipt of requisite regulatory and statutory approvals such as approval from the Competition Commission of India, as may be applicable, for a cash consideration (enterprise value) of Rs. 22,000 million (Rupees Twenty Two Thousand million), on a cash free, debt free basis and subject to mutually agreed adjustments. Consequently, pursuant to the requirements of Ind AS 105 "Non Current Assets held for Sale and Discontinued Operations", the results of the Group's LVM business have been disclosed as discontinued operations; accordingly the previous period figures have been re-presented.

The results of the Group's LVM business included in the above consolidated unaudited financial results and segment results are as follows:

3 On November 21, 2025, the Government of India has consolidated multiple existing labour legislations into a unified framework comprising four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws, collectively referred to as the 'New Labour Codes'. In accordance with Ind AS 19 'Employee Benefits', changes to employee benefit plans arising from legislative amendments are treated as plan amendments, requiring immediate recognition of past service cost in the consolidated unaudited financial results. The Group has assessed and disclosed the incremental impact of these changes on the basis of best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India.

The implementation of new Labour Codes has resulted in an incremental impact of Rs. 743 million on the provision for gratuity and compensates absences in the consolidated unaudited financial results of continuing operations, which is due to the changes in the wage definition. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Group has presented such incremental impact under "Exceptional Item" in the statement of consolidated unaudited financial results for the quarter and fifteen months ended 31 December 2025. The Group continues to monitor the finalization of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

4 The Board of Directors of the Holding Company at its meeting held on 8 August 2025 approved the change of financial year of the Holding Company to uniform financial year commencing on 1 April of every year and ending on 31 March of the following year including observing a one-time transitional financial year from 1 October 2024 to 31 March 2026. The Holding Company is in the process of taking necessary steps and approvals to comply with procedural requirements emanating on account of change in financial year. Consequently, as a transitional arrangement, the current financial year of the Group will be for a period of eighteen months from 1 October 2024 to 31 March 2026 which would comprise six quarters, while the previous financial year was for a period of twelve months from 1 October 2023 to 30 September 2024. In view of the above, the Group considered the period from 1 July 2025 to 30 September 2025 as a standalone fourth quarter and the period from 1 October 2025 to 31 December 2025 as a standalone fifth quarter of the financial year ending 31 March 2026. The consolidated audited financial results for the previous financial year ended 30 September 2024 and the consolidated unaudited financial results for the fifteen months ended 31 December 2025 are not comparable.

5 Other income includes the following:

(Rs. in million)

Particulars	Quarter ended			Fifteen months ended	Year ended

6 During the previous quarter, the Group had benchmarked and re-evaluated the presentation and classification of the below-mentioned financial statement line items in the consolidated financial results. The Group determined that such a change results in an enhanced and more relevant presentation and classification of its financial information, taking into account the nature of its current business operations as per paragraph 45 of Ind AS 1 - Presentation of Financial Statements. This change in presentation and classification did not have an impact on the overall consolidated financial results. Accordingly, the figures for the prior period have been reclassified and re-presented to conform to the current period's classification as summarised below -

(Rs. in million)

loss at the Mobility business. Additionally, the Profit after Tax was impacted by a one-off cost of INR 74 crore on account of implementation of the New Labour Codes announced by the Government on November 21, 2025.

Sunil Mathur, Managing Director and Chief Executive Officer, Siemens Limited, said, “India’s economic resilience continues to stand out even as adverse geopolitical developments and global uncertainties weigh on sentiment. Despite these external headwinds, Siemens Limited delivered a steady performance this quarter driven by disciplined execution and healthy order book, resulting in an increase in Revenue of 14%. All the businesses performed well during the quarter contributing to a book-to-bill ratio of 1.26x with Digital Industries now reflecting normalized operations. Looking ahead, we expect an additional support from macroeconomic tailwinds as the recently signed India-EU Free Trade Agreement and the trade deal with the US begin opening new avenues for technology collaboration and exports. We welcome the government’s consistent focus on long-term economic growth and structural transformation in the Union Budget 2026-27. The record INR 12.2 lakh crore capital expenditure allocation, sustained emphasis on infrastructure development, and a fiscal deficit target of around 4.3% indicate a continued and disciplined approach to strengthening India’s growth foundations.”

On August 8, 2025, the Board of Directors of the Company had approved the change in financial year of the Company from October-September to April-March. The current financial year is changed to October 1, 2024 – March 31, 2026 (18 months) and, thereafter, the financial year of the Company shall be from April 1 to March 31, every year.
