# HCLTech recognized as a Leader in Everest Group's Digital Workplace Services PEAK Matrix® Assessment 2025

**NEW YORK and NOIDA, India, Feb 6, 2026**—[HCLTech](#), a leading global technology company, has been named a Leader in Everest Group's 2025 Digital Workplace Services PEAK Matrix® Assessment. This recognition highlights HCLTech's commitment to delivering value-driven, innovative solutions to enterprises worldwide.

"HCLTech's approach to drive broader business outcomes by aligning diverse objectives of enterprise leadership personas through its [FLUID AI Workplace](#) offering — combined with a strong emphasis on delivering end-to-end IT services through the confluence of domains such as Unified Communication and Collaboration (UCC), IoT and network — has resonated well with enterprises. Its GenAI-powered industry solutions offer strong customization and automation capabilities to enhance the overall end-user journey. These strengths reinforce HCLTech's position as a Leader in Everest Group's Digital Workplace Services PEAK Matrix® Assessment 2025 – Global," said Prabhneet Kaur, Practice Director, Everest Group.

The report finds that enterprise clients appreciate HCLTech's ability to deliver consistent cost optimization benefits and competitive pricing for their digital workplace transformation.

"The digital workplace is at a turning point, with enterprises demanding productivity, cost efficiency and transformative outcomes. HCLTech combines proven expertise with cutting-edge technologies to deliver scalable, secure and future-ready solutions. This recognition reinforces our mission to help enterprises unlock productivity and achieve sustainable growth," said Jagadeshwar Gattu, President of Digital Foundation Services, HCLTech.
