Notes:
1. The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 5th February 2026.
2. The above is an extract of the detailed format of quarterly financial results filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015. The full format of the Quarterly Financial Results and Explanatory Notes are available on the Stock Exchange websites at www.nseindia.com and www.bseindia.com and on the Company's website at www.kirloskarpumps.com.

3. On 21st November 2025, the Government of India notified the consolidated Labour Code, and the Ministry of Labour & Employment subsequently issued draft Central Rules and FAQs enabling companies to assess the financial impact of the regulatory changes. Based on an actuarial valuation and the best information presently available, the Group has recognised a one time impact of Rs. 152 Million and Rs. 156 Million in its standalone and consolidated financial statements, respectively, in consonance with the guidance of the Institute of Chartered Accountants of India. This amount has been presented under "Exceptional Items" in the Statement of Profit and Loss for the period ended 31st December 2025. The Group continues to monitor the finalisation of the Central and State Rules and will provide appropriate accounting adjustments as further clarity emerges.

4. During the Quarter ended 31st December 2024 and year ended 31st March 2025, the Company had sold its entire stake in its wholly owned subsidiary viz. 'The Kolhapur Steel Limited' (TKSL) to another wholly owned subsidiary viz. 'Karad Projects and Motors Limited' (KPM) for Rs. 108 Million at arm's length price based on valuation carried out by an independent valuer. As the investment in shares of TKSL had been fully impaired over the years, the entire consideration had resulted in a gain of Rs. 108 Million which was disclosed as an exceptional item in standalone financial statements.

5. During the Quarter ended 31st December 2025, the Hon'ble National Company Law Tribunal, Mumbai Bench ("NCLT"), passed an order dated 3rd November 2025 approving the merger of the Company's step down subsidiary, The Kolhapur Steel Limited (TKSL), into the Company's wholly owned subsidiary, Karad Projects and Motors Limited (KPM), with an appointed date of 3rd October 2024. The order was subsequently filed with the Registrar of Companies (ROC) on 5th December 2025.

During the Quarter, the Company recovered certain old trade receivables for which provisions of Rs. 564 Million had been created over the years. Accordingly, the provision of Rs. 564 Million which is no longer required has been written back in the standalone financial statements under "Other Expenses". The write back does not have any impact on the Company's consolidated financial results.

The Total Tax Expense includes the utilisation of brought forward losses and current year losses of TKSL of Rs. 1261 Million upon its merger into KPM, with an appointed date of 3rd October 2024 in consolidated financial statements.

6. In consolidated financial statements, exceptional item for the Quarter and Nine Months ended 31st December 2024, mainly included impairment of Rs. 61 Million goodwill pertaining to The Kolhapur Steel Limited (TKSL) consequent to its transfer with the Group. Balance amount represents net credit amount of reversal of project related provisions and credit on sales tax related provisions of former period in respect of Company's subsidiary viz. Karad Projects and Motors Limited.
