Blue Cloud Softech Solutions Sets Foot in Europe: Launches New Office in Grenoble, France to Drive Global Expansion

Hyderabad, Telangana, July, 6 2025 – Blue Cloud Softech Solutions Limited (BCSSL), a global leader in Cybersecurity and technology solutions, has launched its **New Office in Grenoble, France to Drive Global Expansion.**

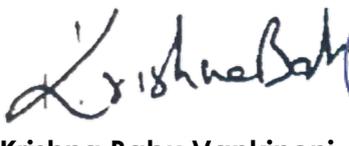

Blue Cloud Softech Solutions Limited, a global leader in secure and innovative technology solutions, is proud to announce the opening of its new office in France, further expanding its international footprint. With established and successful operations in the **UK, USA, UAE, Israel, France, Tanzania, Singapore, and India, the France** office marks a significant milestone in Blue Cloud's global growth journey. This expansion enhances the company's ability to deliver localized support and advanced digital services across critical sectors including cybersecurity, national security, defence, healthcare, media, education, finance, and secure communications.

About Blue Cloud Softech Solutions Limited:

Blue Cloud Softech Solutions Limited is a global technology firm specializing in AI, cloud computing, enterprise software, cybersecurity, and secure communications. With a strong presence in eight countries, the company empowers industries to innovate, protect, and scale with confidence with proven expertise across sectors such as defence, cybersecurity, healthcare, media education, national infrastructure, and digital transformation.

“Establishing our presence in France is far more than a strategic milestone; it is a dynamic leap forward that affirms our dedication to empowering Europe's technology ecosystem,” shared Ms. Janaki Yarlagadda, Chairperson of Blue Cloud Softech Solutions Limited. “At Blue Cloud, we believe in transcending boundaries geographic, technological, and human. Our Grenoble office will serve as a catalyst for innovation, collaboration, and growth, not just for the company, but for our clients and partners across Europe. We are driven by the spirit of inclusive leadership and bold vision, and I am eager to see Blue Cloud set new standards and build lasting impact in the region.”
