ANNEXURE-D

MANAGEMENT DISCUSSION & ANALYSIS REPORT

Your Directors are pleased to present before you the Company's Management Discussion and Analysis Report for the year ended on 31.03.2020.

The management of the company is presenting herein the overview, opportunities and threats, initiatives by the company and overall strategy of the company and its outlook for the future. This outlook is based on management's own assessment and it may differ materially from those expressed or implied depending upon global and Indian demand-supply conditions, changes in government regulations, tax regimes and economic developments within India and overseas.

INDUSTRY STRUCTURE AND DEVELOPMENT

The Dairy Industry plays an important role in the socio-economic development of India. India's production of milk has strongly increased over time with significant technical, policy and institutional support. This led to significant changes in the Indian dairy sector. In fact, the Indian dairy sector has undergone significant structural changes over time and some interesting patterns are unfolding along the milk value chain.

Dairy industry in India is instrumental in providing cheap nutritional food to the vast population of India and also generates huge employment opportunities for people in the rural places. India's dairy industry is largely traditional, local and informal. Milk production is dominated by smallholders. Approximately 78 percent of milk producers are marginal and small farmers and they together contribute around 68 percent to total milk production. This trend holds true more or less across all the states. A series of efforts have been made to promote organized milk marketing in the country and several policy initiatives have been taken to develop formal milk marketing and processing institutions in the country. The Indian foods industry is growing rapidly. The Food Products Export Development Authority (APEDA), under the Ministry of Commerce, is investing a substantial share of its budgeted allocation in promoting technology upgradation and value addition in key segments (rice, wheat, pulses oilseeds, spices, and dairy products among others).

The prospectus of the country's dairy sector is increasingly attractive. The sector's growth is being catalyzed by modern retail format growth, making it possible to stock a large product variety under one roof coupled with customer centric distribution schemes.

QUALITY & FOOD SAFETY POLICY

The Company's Quality Policy is: -

“Company is committed to manufacture and supply nutritional and safe products to satisfy customer requirements by a motivated team using eco-friendly measures with continual improvement in quality and food safety”

The Company has consistently shown quality improvement with regard to various processes, keeping strict control on deviations. Customer complaints are resolved using laid down systems of quality assurance. Several initiatives are being taken to further improve customer satisfaction in consonance with the Company's quality policy.

OPPORTUNITIES & THREATS

Strengths and Opportunities:

- Great potential for export of milk products.
- Established and expanding domestic market for dairy products.
- Increasing demand for fluid milk as well as value added Products.
- By product Utilization for import substitution.
- Huge Employment generation & opportunities for Self employment.
- Liberalized Government policies in dairy sector.
- Availability of large resources of unconventional feeds and fodders for Dairy owners.
- Availability of diverse germ plasm of dairy cattle and buffaloes that have unique features like heat tolerance, disease resistance, draft ability and ability to survive, breed and produce under stress conditions.

Weaknesses and Threats:

- Entry of Multi National Companies manufacturing dairy products in domestic market.
- Increasing chemical contaminants as well as residual antibiotics in milk.
- Poor microbiological quality of milk.
- Incentive on export of quality feed ingredients particularly cakes.
- Deficiency of molasses, a rich source of energy and binding agent in feed industry and constituent of urea molasses mineral lick.
- Excessive grazing pressure on marginal and small community lands resulting in complete degradation of land.
- Extinction of the indigenous breeds of cattle due to indiscriminate use of crossbreeding programmed to enhance milk production.

The liberalization of the Dairy Industry is likely to be exploited by multi-nationals. They will be interested in manufacturing milk products which yield high profits. It will create milk shortage in the country adversely affecting the consumer.

The analysis also shows that the 'strengths' and 'opportunities' far outweigh 'weaknesses' and 'threats'. Strengths & opportunities are fundamental and weaknesses & threats are transitory.

SEGMENT WISE / PRODUCT WISE PERFORMANCE

The Company is primarily engaged in the business of manufacture, purchase and sales of a wide range of Dairy products like ghee, skimmed milk powder, whole milk powder, dairy whitener, lactose and milk. The income from these activities and export of dairy products is not materially significant in financial terms. Accordingly segment information has not been disclosed.

OUTLOOK

The growth in the Indian economy and the Indian Dairy industries sales is expected further increase in 2020 over 2019.

The future growth expected in the domestic Dairy industries will give a fillip to the dairy industry may face stagnation for couple of years after a phenomenon growth in the past. The Indian dairy industry as

whole offers great potential considering the low penetration along with rising income levels and a rapidly growing middle class. These factors will witness a boost in demand for the customers. With the dairy industries fast growing in term of volume.

RISK AND CONCERNS

The major risk and concerns attributed to the performance of the company are:

- a. Although the export sales are less in comparison to domestic sales, fluctuation in foreign exchange rates and international prices of dairy products ma

The turnover of your Company has increased from Rs. 49.60/- lacs in 2017-18 to Rs. 82.08/- lacs in current year. Your company has suffered a loss of Rs. 141.55 as compared to loss of Rs. 160.27 /- in the last year.

DISCLAIMER STATEMENT

Statements in this report describing the current industry structure, outlook, opportunities etc. reflect the assessment and perception of the Company, which are based on certain assumptions, and expectations of future events. INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF KMG MILK FOOD LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of KMG MILK FOOD LIMITED (“the Company”), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement, the Statement of Changes in Equity for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the Ind AS financial statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, the profit and total comprehensive income, Cash Flow Statement, changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no Key Audit Matters to communicate in our audit report except that the company is incurring losses during the year due to results of which the Net worth of the company is falling down as shown in the financial statement of the company.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, Cash flows of the company, changes in equity of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also

-
- responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

“Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of KMG Milk Food Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of KMG Milk Food Limited (“the Company”) as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. Further, as per the Section 138 of the Companies Act, 2013 read with Rule 13 of Companies (Accounts) Rules, 2014, the Internal Auditor required to be appointed by the Company therefore it is advisable to the company to do the internal audit through the Internal Auditor or a firm of internal auditors.

Note-28:Covid-19

1	<p>“The outbreak of Coronavirus (COVID -19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. COVID-19 is significantly impacting business operation of the companies, by way of interruption in production, supply chain disruption, unavailability of personnel, closure / lock down of production facilities etc. On 24th March 2020, the Government of India ordered a nationwide lockdown for 21 days which further got extended till 31st May 2020 (with some relaxations) to prevent community spread of COVID-19 in India resulting in significant reduction in economic activities.</p> <p>Consequently, the Company business activities have also been affected. The situation is changing rapidly giving rise to inherent uncertainty around the extent and timing of the potential future spread of the COVID-19 and its impact on the Company's business operations. The Company will continue to closely monitor any material changes to future economic conditions.</p>

Annexure-I

STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES AND PRACTICES
(Annexed to and forming part of the financial statements for the year ended 31st March, 2020)

1. BASIS OF PREPARATION: -

These financial statements have been prepared on in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rule, 2015. The company prepared its financial statements in accordance with Accounting Standards notified under section 133 of the companies Act, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and in accordance with companies (Accounting Standards), Rules 2006. Statements have been prepared on an accrual basis and under the historical cost convention.

2. CRITICAL ESTIMATES AND JUDGEMENTS

The preparation of Financial Statements requires estimates & assumptions to be made that affect the reported amount of assets & liability on the date of financial statements and the reported amount of revenues & expenses during the reporting period. The managements also need to exercise judgements in applying the accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement and of items which are more likely to be materially adjusted due to estimates and assumptions.

The area involving in critical estimation and judgement is: Impairment of trade receivable: Estimates and judgements are continually evaluated. They are based on historical experience and other factors including expectation of future events that

(d) the asset is cash or a cash equivalent (as defined in Ind AS 7) unless the asset is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period. All other assets are classified as non-current.

A liability is treated as current by the Company when:

- (a) it expects to settle the liability in its normal operating cycle;
- (b) it holds the liability primarily for the purpose of trading;
- (c) the liability is due to be settled within twelve months after the reporting period;
- (d) it does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification. All other liabilities are classified as non-current.

5. PROPERTY, PLANT AND EQUIPMENT (PPE)

- Property, plant and equipment are carried at its cost less any accumulated depreciation and any accumulated impairment losses under Cost Model. The cost of an item of property, plant and equipment comprises purchase price, borrowing cost if Capitalization criteria are met and directly attributable cost of bringing the assets to its working condition for the intended use.
- Costs of the day to-day servicing described as for the ‘repairs and maintenance’ are recognized in the statement of profit and loss in the period in which the same are incurred.
- Depreciation on property, plant and equipment, except freehold land, is provided as per cost model on Written down Value over the estimated useful lives.
- The estimated useful life of the assets is reviewed at the end of each financial year.

6. FINANCIAL ASSETS

Financial Assets are measured at amortized cost or fair value through Other Comprehensive Income or fair value through Profit or Loss, depending on its business model for managing those financial assets and the assets contractual cash flow Characteristics.

Investments: -

Long term investments are Valued on Fair Market Value on Year end and any Gain/Loss has been reported to Profit & Loss Account under other comprehensive Income.

Depreciation on Tangible Assets: -

Depreciation on tangible assets is calculated on WDV using the rates arrived at based on the useful as per Companies Act, 2013. The company has used the following useful lives to provide depreciation on its assets: -

Particular	Useful lives estimated by management (Years)	Useful lives as per schedule II
Office Equipment	05	05
Furniture & Fixtures	10	10
Vehicles	08	08

Plant & Machinery	15	15
Building	30	30
Building-Guest House	60	60
Building – Fence walls	05	05
Computer	03	03

7. INVENTORIES: -

Inventories are valued at the lower of cost and net realizable value.

Raw Material: cost includes cost of purchase and other cost incurred in bringing the inventories to their present location and condition. Cost is determined on first in, first out basis.

Finished goods and work in progress: cost includes cost of direct materials and labor and a proportion of manufacturing overheads based on the normal operating capacity but excluding borrowing cost. Cost is determined on first in, first out basis.

- Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

8. EARNING PER SHARE: -

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average of no of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average no of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

9. TAXATION: -

Income-tax expense comprises current tax and deferred tax charge or credit. Provision for current tax is made on the basis of the assessable income at the tax rate applicable to the relevant assessment year. The deferred tax asset and deferred tax liability is calculated by applying tax rate and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets arising mainly on account of brought forward losses and unabsorbed depreciation under tax laws, are recognised, only if there is a virtual certainty of its realisation, supported by convincing evidence. Deferred tax assets on account of other timing differences are recognised only to the extent there is a reasonable certainty of its realisation. At each Balance Sheet date, the carrying amount of deferred tax assets is reviewed to reassure realisation. Minimum Alternative Tax credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal tax during the specified period.

10. REVENUE RECOGNITION: -

Revenue from sale of Goods:

- a) Income from processing of milk is accounted for the processing invoice amount for by the company.
- b) Revenue in respect of other income is accounted on accrual basis except claim received/paid.
- c) Revenue is measured at the fair value of the consideration received or receivable taking into account contractually defined terms of payment and excluding taxes levies or duties collected on behalf of the government/ other statutory bodies.

Rental Income

Rental income arising from operating leases is accounted for on a straight-line basis over the lease terms and is included in revenue in the statement of profit or loss due to its operating nature.

Leases:

Lease income from operating shall be recognized in income on straight-line basis over the lease period, unless another systematic basis is more representative of the time pattern in which use benefit derived from the leased asset is diminished

Interest:

Interest income is recognized using the effective interest method.

11. EMPLOYEES BENEFITS: -

- Contribution to defined schemes such as provident fund, superannuating/pension benefits, gratuity employee's state insurance scheme is charged as incurred on accrual basis. These are in accordance with the respective Act's.
- Leave Encashment: -
As per the employment policy of the company the employees avail their annual Leave and provision for leave encashment is made on the basis of Actuarial Valuation.
- Gratuity: -

In accordance with the Payment of Gratuity Act, 1972, the company provides for gratuity covering all employees. The plan, subject to the above Act, provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment of an amount based in the respective employee's salary and the tenure of employment as per the Actuarial Valuation.

12. BORROWING COSTS: -

Interest and other borrowing costs attributable to qualifying assets are capitalised. Other interest and borrowing costs are charged to revenue.

13. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS: -

A provision is recognised when there is a present obligation as a result of a past event, that probably requires an outflow of resources and a reliable estimate can be made to settle the amount of obligation. Provision is not discounted to its present value and is determined based on the last estimate required to settle the obligation at the year end. These are reviewed at each year end and adjusted to reflect the best current estimate. Contingent liabilities are not recognised but disclosed in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements.
