Sub: Update on Agricultural Operations – Commencement of Maize Cultivation in Malegaon, Maharashtra

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that **MRC Agrotech Limited** has commenced large-scale **maize cultivation operations** in the month of **July 2025** on **50 acres of leased farmland** situated at **Malegaon, District Nashik, Maharashtra**.

The Company is cultivating two commercially significant variants:

1. **Maize for Flour Production (Maize Atta)** – Used in the food processing industry for the manufacture of porridge, bread, and gluten-free products.
2. **Maize for Cattle Feed** – Targeted toward dairy, poultry, and livestock sectors as a high-energy feed ingredient.

End Use & Market Potential:

- The produce will cater to domestic demand from **animal feed manufacturers, dairy farms, and flour mills**, and offers significant **export potential** to the Middle East and Asia.
- Maize also has industrial applications in the **pharmaceutical, cosmetic, textile, and ethanol sectors**.

Estimated Financial Impact:

- Based on average yield and prevailing market rates, the **expected gross revenue** from this 50-acre project ranges between **₹23.00 lakhs and ₹32.20 lakhs**, depending on climatic and market conditions.
