DIN: 00567002

PHOTON CAPITAL ADVISORS LIMITED

NOTES:

1. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THIS ANNUAL GENERAL MEETING MAY APPOINT A PROXY TO ATTEND AND VOTE ON HIS/HER BEHALF. A PROXY NEED NOT BE A MEMBER OF THE COMPANY.**
2. The instrument appointing the proxy should be deposited at the Registered Office of the Company not later than 48 hours before the commencement of the meeting. A Proxy form for the AGM is enclosed. A person can act as a proxy on behalf of members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder.
3. Corporate members intending to send their authorised representatives to attend the meeting are requested to send to the Company a certified true copy of the Board Resolution authorising their representative to attend and vote on their behalf at the meeting.
4. The Register of Contracts or arrangements in which Directors are interested, maintained under section 189 of the Companies Act, 2013, will be available for inspection by the members at the AGM.
5. The Register of members and transfer Books of the Company will be closed from 22nd September 2021 to 30th September 2021 (both days inclusive).
6. The members are requested to –
 - a) Intimate to the Registrars and Transfer Agents of the Company / Depository Participants changes, if any, in their registered addresses at an early date.
 - b) Quote Ledger Folio/Client ID in all the correspondence.
 - c) Bring the copy of the Annual Report and attendance slip with them to the Annual General Meeting.
7. Members desiring any information as regards accounts are requested to write to the Company at least seven days before the date of the meeting to enable the management to keep the information ready at the meeting.
8. All documents referred to in the notice of AGM and statutory registers are open for inspection at the Registered Office of the Company during office hours on all working days except public holidays up to the date of the Annual General meeting.
9. The Company pursuant to Section 108 of Companies Act, 2013 read with Rule 20 of Companies (Management and Administration) Rules, 2014 and as amended from time to time, is extending e-voting facility for its members to enable them to cast their vote electronically instead of participating and voting physically in the Annual General meeting. The Company has appointed Mr. Darga Mabu Basha, Practising Company Secretary who in the opinion of the Board is a duly qualified person, as Scrutinizer who will collate the electronic voting process in a fair and transparent manner.
10. During the voting period, e-voting facility will be available at the link '<https://evoting.kfintech.com>
11. Members are requested to note that the e-voting will open on 26th September, 2021 and shall remain open for 4 days i.e. up to 29th September, 2021. E-voting shall not be allowed beyond 5 p.m. on 29th September, 2021.

PHOTON CAPITAL ADVISORS LIMITED

DIRECTORS' REPORT

To,
The Members of
PHOTON CAPITAL ADVISORS LIMITED

Your Directors are pleased to present the 36th Annual Report together with audited standalone and consolidated financial statements of the Company for the financial year ended 31st March, 2021.

FINANCIAL RESULTS

(Amount in Lakhs)

PARTICULARS	Standalone		Consolidated	
	2020-21	2019-20	2020-21	2019-20
Revenue from operations	0.62	12.22	0.62	12.22
Other Income	0.05	0.11	38.77	0.11
Total Revenue	0.67	12.33	39.39	12.33
Total Expenses	40.94	43.02	41.58	55.68
Profit/(loss) before tax	(40.27)	(30.69)	(2.19)	(43.35)
Tax Expenses :				
Current Tax				
Deferred Tax	(11.83)	(4.73)	(11.97)	(5.21)
Profit/(loss) after tax	(52.11)	(35.42)	(14.16)	(48.56)
Profit for the Period	(52.11)	(35.42)	(14.16)	(48.56)

REVIEW OF OPERATIONS:

During the financial year under review, the company has made revenue of Rs. 0.62 lakhs from operations and Rs. 0.05 lakhs from other income aggregating to Rs. 0.67 lakhs and posted a net loss of Rs. (52.11) lakhs as per the audited standalone financials for the financial year 2020-21.

During the financial year under review, the company has made revenue of Rs. 0.62 lakhs from operations and Rs. 38.77 lakhs from other income aggregating to Rs. 39.39 lakhs and posted a net loss of Rs. (14.16) lakhs as per the audited consolidated financials for the financial year 2020-21.

The equity market continues to be very challenging to operate in. Your company is evaluating various other asset classes including debt, commodities and currency futures. However, the debt market continues to present very low yields due to pandemic easing and the commodities market is in a strong uptrend marked by deep volatility, which may result in very significant impact on the profits. So your company continues to evaluate opportunities in this challenging environment.

SUBSIDIARIES:

Your Board of Directors has reviewed the affairs of Nicos Consulting Private Limited, Subsidiary Company and included the audited consolidated financial statements for the financial year 2020-21 in this Annual Report, as required under Section 134 of the Companies Act 2013. The statement containing the salient features of the financial statement of a company's subsidiaries in form AOC-1 is enclosed as Annexure-1.

MANAGEMENT DISCUSSION AND ANALYSIS:

Industry structure and developments:

Except some regulatory changes made by the RBI, there have been no substantial changes in the NBFC industry as a whole.

Opportunities and threats:

The stock market remains in a risky zone. Government securities offer some possibilities. Your company is in a cautious stance and is not in a hurry to act.

Segment-wise or product-wise performance:

Since the Company does not operate in multiple sectors/segments, the segment wise performances of the financials are not applicable.

Outlook:

The near term outlook remains cloudy because of various measures that the government has taken to improve overall functioning of the economy. However, in the long term, given favourable demographics and under penetration of various sectors, the investment outlook remains very bright. Excessive valuations in public markets are also a matter of concern.

PHOTON CAPITAL ADVISORS LIMITED

Risks and concerns:

Your Company has continued to minimize risks from external factors and has constantly preferred and adopted methods and systems in its economic activities with low element of risk. In the current and future years, your company will further strengthen and bolster its efforts to minimize or negate all risk factors. However, external factors of foreign currencies and impact of global slowdown, currency corrections of other large growing economies do cause concern to all enterprises and your company does consider this as a concern. Nevertheless, such factors will be dealt with caution and adequate foresight.

Internal financial control systems and their adequacy:

The Company has an Internal Control System commensurate with the size, scale and complexity of its operations. The scope and authority of the Internal Audit (IA) function is defined in the Internal Audit Charter. To maintain its objectivity and independence, the Internal Audit function reports to the Chairman of the Audit Committee of the Board.

The Internal Audit Department monitors and evaluates the efficacy and adequacy of internal control system in the Company, its compliance with operating systems, accounting procedures and policies at all locations of the Company and its subsidiaries. Based on the report of internal audit function, process owners undertake corrective action in their respective areas and thereby strengthen the controls. Significant audit observations and corrective actions thereon are presented to the Audit Committee of the Board.

Material developments in Human Resources / Industrial Relations front, including number of people employed:

No major changes in employee's recruitment during the financial year under review. The company has not made significant development in human resources.

DIVIDEND:

During the financial year under review, your board of directors do not recommend any dividend.

TRANSFER TO RESERVES:

During the financial year under review, no amount has been transferred to the reserves.

BOARD OF DIRECTORS AND KEY MANAGERIAL PERSONNEL (KMP):

During the financial year under review, there is no change in constitution of Board of Directors of Company.

As per the provisions of section 152 of the Companies Act, 2013, Mrs. Suchitra Nandury, who retires by rotation at the ensuing Annual General Meeting and being eligible offer herself for re-appointment. The board recommends her re-appointment.

BOARD MEETINGS:

Five (05) meetings of the Board of Directors were held during the financial year and the details are given in paragraph 2 (d) of Corporate Governance report attached to this Annual Report.

COMPLIANCE OF SECRETARIAL STANDARDS:

During the period under review, company has complied with all the applicable secretarial standards, notified under sec 118 (10) of the Companies Act, 2013.

EXTRACT OF ANNUAL RETURN:

Pursuant to section 92(3) of the Companies Act, 2013 ('the Act') and rule 12(1) of the Companies (Management and Administration) Rules, 2014, extract of annual return in form MGT-9 is enclosed as **Annexure II**. The copy of extract of annual return is available at www.pcalindia.com.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS:

The company has not granted any loans or given any guarantees covered under the provisions of section 186 of the Companies Act, 2013.

RELATED PARTY TRANSACTIONS:

All transactions entered into with Related Parties as defined under the Companies Act, 2013 and regulation 23 of SEBI (LODR) Regulations, 2015, during the financial year were in the ordinary course of business and on an arm's length pricing basis. There were no materially significant transactions with related parties during the financial year which were in conflict with the interest of the Company. Suitable disclosure as required by the Accounting Standards has been made in the notes to the financial statements. The details of related party transactions for the Financial Year 2020-21 is enclosed as **Annexure-III**.

PHOTON CAPITAL ADVISORS LIMITED

CORPORATE SOCIAL RESPONSIBILITY:

In terms of section 135 of the Companies Act, 2013, every company having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year shall constitute CSR Committee and formulate a Corporate Social Responsibility (CSR) Policy. Since, the Company does not fall under the said criteria during the immediately preceding financial year, the provisions of Sec 135 of the Companies Act, 2013, Schedule VII and the rules made thereunder are not applicable to the Company.

Accordingly, a report on CSR activities as per rule 9 of the Companies (Corporate Social Responsibility) Rules, 2014 is not applicable.

CONSERVATION OF ENERGY, TECHNOLOGY, ABSORPTION & FOREIGN EXCHANGE EARNINGS AND OUT GO:

The required information as per section 134(3)(m) of the Companies Act 2013, is provided hereunder:

CONSERVATION OF ENERGY:

The Company has been continuously making efforts to reduce energy consumption. The management is striving to achieve cost reduction by economical usage of energy and to bring a general awareness about energy conservation among employees.

(i) The steps taken or impact on conservation of energy:

The company does not fall in those lists of industries which consumes high energy resources, However the company making efforts to reduce the energy consumption.

(ii) The steps taken by the company for utilizing alternate source of energy:

Not applicable

(iii) The capital investment on energy conservation equipment:

No capital investment made as the company is consuming very less energy.

TECHNOLOGY ABSORPTION & FOREIGN EXCHANGE EARNINGS AND OUT GO:

There was no technology absorption and no foreign exchange earnings or outgo, during the year under review. Hence, the information as required under section 134(3)(m) of the Companies Act, 2013 read with The Companies (Accounts) Rules, 2014 is to be regarded as Nil.

The Company has not entered into any technology transfer agreement.

PARTICULARS OF EMPLOYEES:

The Company has not employed any individual whose remuneration exceeds the limits prescribed under the provisions of section 197 of the Companies Act, 2013, read with Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

STATUTORY AUDITORS:

M/s.M.Anandam & Co, Chartered Accountants, Hyderabad, have been appointed as statutory auditors of Company for a period of five years in the AGM held for the F.Y. 2016-17. Accordingly, they will continue as auditors of the company till 31.03.2022. The Board has recommended the remuneration of auditors for the F.Y. 2020-21 to the members at the ensuing annual general meeting.

INTERNAL AUDITORS:

Pursuant to section 138 of the Companies Act, 2013, the Board in its meeting held on 29.06.2020 has appointed M/s. Bashetty & Joshi, Chartered Accountants, Hyderabad, as Internal Auditors of the company for the financial year 2020-21.

SECRETARIAL AUDITOR:

Pursuant to the provisions of section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board has appointed M/s. SGP & Associates, Company Secretaries, a firm of Company Secretaries in Practice to undertake the Secretarial Audit of the Company and the Report on the Secretarial Audit for the financial year 2020-21 is enclosed herewith as **Annexure IV**.

DETAILS FRAUDS REPORTED BY AUDITORS U/S 143:

The auditors have not reported any frauds pursuant to sec.143 (12) of the Companies Act, 2013. Hence, the information to be provided pursuant to section 134 (3) (ca) of the Companies Act, 2013, may be treated as **NIL**.

CONSOLIDATED FINANCIAL STATEMENTS:

The consolidated financial statements of the Company prepared in accordance with relevant Accounting Standards issued by the Institute of Chartered Accountants of India form part of this Annual Report.

PHOTON CAPITAL ADVISORS LIMITED

CORPORATE GOVERNANCE:

As a listed company, necessary measures have been taken to comply with the listing obligatory Disclosure Requirements (LODR Regulations) with the BSE Ltd, Mumbai. A report on Corporate Governance, along with a certificate of compliance from the Auditors, forms part of this Report as **Annexure- V**.

STATEMENT ON DECLARATION GIVEN BY INDEPENDENT DIRECTORS:

Pursuant to section 134 (3) (d) of the Companies Act, 2013, a statement shall be made on declaration given by Independent Directors under sec 149 (6) of the Companies Act, 2013 in the Board report.

The Board has received declarations from the Independent Directors, as required under Sec 149 (7) of the Companies Act, 2013 stating the fulfilment of criteria mentioned in the sub section (6) of Sec 149 of the Companies Act, 2013 and the rules made thereunder and recorded the same in the board meeting held on 29.06.2020.

NOMINATION AND REMUNERATION POLICY CRITERIA FOR SELECTION AND REMUNERATION OF DIRECTORS, KMP AND EMPLOYEES:

The Nomination and Remuneration Committee of the Board, comprises two Independent Non-Executive Directors namely Mr. Narasimha Rao Joga, Mr. V.R. Shankara and one Non-Independent Non-Executive Director, namely Mrs. Suchitra Nandury.

The key features of the Nomination and Remuneration Policy as framed by the Nomination and Remuneration Committee of the Board are set out below:

Selection criteria for Directors:

The Company shall consider the following aspects while appointing a person as a Director on the Board of the Company:

Skills and Experience: The candidate shall have appropriate skills and experience in one or more fields of finance, law, management, sales, marketing, administration, public administrative services, research, corporate governance, technical operations or any other discipline related to the Company's business.

Age Limit: The candidate should have completed the age of twenty-one (21) years and should not have attained the age of seventy (70) years for appointment as Managing Director or Whole Time Director.

Conflict of Interest: The candidate should not hold Directorship in any competitor company and should not have any conflict of interest with the Company.

Directorship: The number of companies in which the candidate holds Directorship should not exceed the number prescribed under the Act.

Independence: The candidate proposed to be appointed as an Independent Director should not have any direct or indirect material pecuniary relationship with the Company and must satisfy the requirements imposed under the Act.

The policy provides that while appointing a Director to the Board, due consideration will be given to approvals of the Board and/or shareholders of the Company in accordance with the Act.

Remuneration for Directors, KMP and other Employees:

The policy provides that the remuneration of Directors, KMP and other employees shall be based on the following key principles:

- **Pay for performance:** Remuneration of Executive Directors, KMP and other employees is a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goal. The remuneration of Non-Executive Directors shall be decided by the Board based on the profits of the Company and industry benchmarks.
- **Balanced rewards to create sustainable value:** The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate the Directors and employees of the Company and encourage behaviour that is aligned to sustainable value creation.
- **Competitive compensation:** Total target compensation and benefits are comparable to peer companies in the industry and commensurate to the qualifications and experience of the concerned individual.
- **Business Ethics:** Strong governance processes and stringent risk management policies are adhered to in order to safeguard our stakeholders' interest. The Nomination and Remuneration Policy may be accessed on the Company's website at the link: <http://www.pcalindia.com>

REPLIES TO THE QUALIFICATIONS OF THE AUDITORS UNDER 134 (3) (f):

Since no qualifications have been reported in the Audit report, the Board of Directors need not give any replies in the Annual report.

PHOTON CAPITAL ADVISORS LIMITED

MATERIAL CHANGES AND COMMITMENTS OCCURRED BETWEEN THE END OF THE FINANCIAL YEAR AND THE DATE OF THE REPORT AFFECTING THE FINANCIAL POSITION OF THE COMPANY:

There were no material changes from the end of the financial year till the date of this report, affecting the financial position of the Company.

DETAILS OF DEPOSITS UNDER CHAPTER V:

The company has not accepted deposits from the members/public falling within the meaning of section 73 and/or Sec 76 of the Companies Act, 2013 and the companies (Acceptance of Deposits) Rule, 2014. Accordingly, furnishing of the details of deposits which are not in compliance with the requirements of Chapter V of the Companies Act, 2013 does not arise.

MAINTENANCE OF COST RECORDS:

The requirement of maintenance of cost records as specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 is not applicable to the Company. Accordingly, the Company has not maintained such accounts and records for the financial year under review.

FORMAL ANNUAL EVALUATION MADE BY THE BOARD OF ITS OWN PERFORMANCE AND OF ITS COMMITTEES AND INDIVIDUAL DIRECTORS:

Keeping in view the various provisions of the Companies Act, 2013 and SEBI (LODR) Regulations, 2015 in regard to dealing with powers, duties and functions of the Board of Directors of the Company, your Company has adopted criteria for evaluating the performance of its Board, Committees and other Directors including Independent Directors applicable from the financial year 2020-21. The said criteria contemplate evaluation of Directors based on their performance as directors apart from their specific role as independent, non-executive and executive directors as mentioned below:

- a. Executive Directors, being evaluated as Directors as mentioned above, will also be evaluated on the basis of targets / criteria given to executive Directors by the board from time to time as well as per their terms of appointment.
- b. Independent Directors, being evaluated as a Director, will also be evaluated on meeting their obligations connected with their independence criteria as well as adherence with the requirements of professional conduct, roles, functions and duties specifically applicable to Independent Directors as contained in Schedule IV to the Companies Act, 2013.

The criteria also specifies that the Board would evaluate each committee's performance based on the mandate on which the committee has been constituted and the contributions made by each member of the said committee in effective discharge of the responsibilities of the said committee. The Board of Directors of your company has made annual evaluation of its performance, its committees and directors for the financial year 2020-21 based on afore stated criteria.

DISCLOSURES:

Enquiry Committee:

The Enquiry Committee comprises three members namely Mr. Narasimha Rao (Chairman & Independent Director), Mr. V.R. Shankara (Independent Director) and Mrs. Suchitra Nandury (Non-Independent Director).

Audit Committee:

The Audit Committee comprises three members namely Mr.J. Narasimha Rao (Chairman & Independent Director), Mr. V.R. Shankara (Independent Director) and Mrs.Suchitra Nandury (Non-Independent Director). All the recommendations made by the Audit Committee were taken on note by the Board.

Vigil Mechanism:

The Vigil Mechanism of the Company, which also incorporates a whistle blower policy in terms of the SEBI (LODR) Regulations, 2015, includes Vigilance and Ethics officer, Senior executive of the Company. Protected disclosures can be made by a whistle blower through an e-mail, or telephone or a letter to the officer or to the Chairman of the Audit Committee. The Policy on vigil mechanism and whistle blower policy may be accessed on the Company's website at the link: <http://www.pcalindia.com>.

PHOTON CAPITAL ADVISORS LIMITED

Secretarial Audit Report for the financial year ended 31st March, 2021

[Pursuant to Section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Photon Capital Advisors Limited,
Hyderabad.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Photon Capital Advisors Limited (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

1. We have examined the books, papers, Minute books, forms, returns filed and other records maintained by the company for the financial year ended on 31st March 2021, according to the Provisions of:
 - (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
 - (ii) The Securities Contracts (Regulation) Act, 1956 (SCRA) and rules made there under;
 - (iii) The Depositories Act, 1996 and the Regulation and Bye Laws framed there under;
 - (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
 - (v) Labour Laws
 - (vi) The following Regulations and Guidelines Prescribed under the securities and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (a) The Securities exchange Board of India (Substantial Acquisition of shares and Takeovers) Regulations, 2011
 - (b) The Securities Exchange Board of India (Prohibition of insider Trading) Regulations 2015;
2. Provisions of the following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') are applicable to the Company under the financial year under report: -
 - (a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - (b) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - (c) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (e) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - (f) The Securities and Exchange Board of India (Buy back of securities) Regulations, 2013;
3. We have also examined compliance with the applicable regulations of SEBI (LODR) regulations, 2015.

PHOTON CAPITAL ADVISORS LIMITED

We hereby report that during the period under review the Company has complied with the provisions of the Companies Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

We further report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with the following laws applicable specifically to the Company:

A. Rules and regulations of Reserve Bank of India in respect of Non-Banking Financial Company.

We further report that:

Adequate notices were given to all directors to convene and conduct the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All the decisions of the Board is carried through unanimously and recorded the same in the minutes. We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We have examined the relevant registers, records, forms, returns and disclosures received from the Directors of Photon Capital Advisors Limited having CIN: L65910TG1983PLC004368 and having registered office at Plot. No.90-A, Road No.9, Jubilee Hills, Hyderabad-500 033, Telangana (hereinafter referred to as 'the Company'), produced before us by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C Sub clause 10(i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In our opinion and to the best of our information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in) as considered necessary and explanations furnished to us by the Company & its officers, We hereby certify that none of the Directors on the Board of the Company as stated below for the Financial Year ending on 31st March, 2021 have been debarred or disqualified from being appointed or continuing as Directors of companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs, or any such other Statutory Authority.

Sr. No.	Name of the Director	DIN	Date of appointment in Company
1	NARASIMHA RAO JOGA	00024260	05.02.2005
2	TEJASWY NANDURY	00041571	03.11.2003
3	VR SHANKARA	00041705	08.11.1993
4	SOBHARANI NANDURY	00567002	29.09.2014
5	SUCHITRA NANDURY	00568167	29.05.2014

Ensuring the eligibility of for the appointment / continuity of every Director on the Board is the responsibility of the management of the Company. Our responsibility is to express an opinion on these based on our verification. This certificate is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

CEO AND CFO CERTIFICATION

To,
The Board of Directors
Photon Capital Advisors Limited
Hyderabad.

We, Mrs. Sobharani Nandury, Chief Executive Officer and Whole Time Director and Mr. Sreedhar Babu Kanuri, Chief Financial Officer of Photon Capital Advisors Limited, to the best of our knowledge and belief, certify that:

1. We have reviewed financial statements and all the notes on annual accounts of the Company and the Board report.
2. These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading.
3. These statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
4. There are no transactions entered into by the Company during the year which are fraudulent, illegal or violate of the Company's Code of Conduct.
5. We accept responsibility for establishing and maintaining internal controls for financial reporting and we have evaluated the effectiveness of Company's internal control systems pertaining to financial reporting. We have not come across any reportable efficiency in the design or operation of such internal controls.
6. We have indicated to the Auditors and the Audit Committee:
 - a. That there are no significant changes in internal control over financial reporting during the year.
 - b. That there are no significant changes in accounting policies during the year; and
 - c. That there are no instances of significant fraud of which we have become aware.

**AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE AS PER PARA E
SCHEDULE V OF SEBI (LODR) REGULATIONS, 2015.**

To,
The Members of,
Photon Capital Advisors Limited.

We have examined the compliance of conditions of Corporate Governance by Photon Capital Advisors Limited, for the financial year ended on 31st March 2021, as stipulated in SEBI (LODR) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination has been limited to a review of the procedures and implementation thereof adopted by the Company for ensuring compliance with the conditions of the Corporate Governance as stipulated in the said Clause. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and based on the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in SEBI (LODR) Regulations, 2015.

We state that such compliance is neither an assurance as to future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

PHOTON CAPITAL ADVISORS LIMITED

INDEPENDENT AUDITORS' REPORT

To the Members of

Photon Capital Advisors Limited, Hyderabad

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Photon Capital Advisors Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics issued by the Institute of Chartered Accountants of India. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	Fair Valuation of investments	
	The Company's investments (other than investment in Subsidiary) are measured at fair value at each reporting date and these fair value measurements significantly impact the Company's results. Within the Company's investment portfolio, the valuation of certain assets such as Unquoted equity requires significant judgment as a result of quoted prices being unavailable and limited liquidity in these markets.	We have assessed the Company's process to compute the fair value of various investments. For quoted instruments we have independently obtained market quotations and recalculated the fair valuations. For the unquoted instruments, we have obtained an understanding of the various valuation methods used by management and analyzed the reasonableness of the principal assumptions made for estimating the fair values and various other data used while arriving at the fair value measurement.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report, Corporate Governance Report but does not include the standalone financial statements, consolidated financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information included in the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

PHOTON CAPITAL ADVISORS LIMITED

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

PHOTON CAPITAL ADVISORS LIMITED

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act based on our audit, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with Accounting Standards specified under Section 133 of the Act read with Rule 7 of Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have pending litigations on its financial position in its standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016, ('the Order') issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in "Annexure B' a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure A to the Independent Auditor's Report

(Referred to in paragraph 1(f) under 'Report on Other Legal Regulatory Requirements' section of our report to the Members of Photon Capital Advisors Limited the Company of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Photon Capital Advisors Limited** ("the Company") as of 31 March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143 (10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

PHOTON CAPITAL ADVISORS LIMITED

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure B to the Auditors' Report

(Referred to in paragraph 2 under "Report on Other Legal and Regulatory Requirements" section of our report of even date)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) As explained to us, the fixed assets have been physically verified by the management in a periodical manner, which in our opinion is reasonable, having regard to the size of the Company and the nature of its business. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company does not hold any immovable properties. Accordingly the provisions of paragraph 3 (1) (c) of the Order is not applicable to the Company.
- (ii) The Company does not deal inventories and accordingly the provisions of para paragraph 3 (ii) of the Order is not applicable to the Company.
- (iii) The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Act. Accordingly, paragraph 3 (iii) (a) to (c) of the Order is not applicable.
- (iv) In our opinion and according to the information and explanations given to us, the Company has made investments which are in compliance with Section 186 of the Act. The Company has not granted loans, has not provided guarantees and securities.
- (v) According to the information and explanations given to us, the Company has not accepted deposits within the meaning of Sections 73 to 76 of the Act and the rules framed thereunder.
- (vi) The Central Government has not prescribed the maintenance of cost records under sub-section (1) of section 148 of the Act.
- (vii) (a) According to the information and explanations given to us and the records of the Company examined by us, the Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, value added tax, goods and service tax, wealth tax, service tax, customs duty, excise duty, cess and any other statutory dues as applicable with the appropriate authorities and there were no arrears of outstanding statutory dues as at the last day of the financial year concerned for a period of more than six months from the date they became payable.
- (b) According to the information and explanations, there are no dues payable in respect of provident fund, employees' state insurance, income-tax, sales-tax, value added tax, goods and services tax, wealth tax, service tax, customs duty, excise duty which have not been deposited on account of any disputes.
- (ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year. In our opinion and according to the information and explanations given to us, the term loans have been applied for the purpose for which the loans were obtained.
- (x) To the best of our knowledge and belief and according to the information and explanations given to us, no fraud on or by the Company was noticed or reported during the year.
- (xi) In our opinion and according to the information and explanations given to us the Company has not paid/provided managerial remuneration Accordingly, paragraph 3 (xi) of the Order is not applicable
- (xii) The Company is not a Nidhi Company Accordingly paragraph (xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards.
- (xiv) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year Accordingly paragraph (xiv) of the Order is not applicable.
- (xv) In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with directors and hence provisions of section 192 of the Act are not applicable.
- (xvi) The company is registered under section 45-IA of the Reserve Bank of India Act 1934.

PHOTON CAPITAL ADVISORS LIMITED

Notes to the Financial Statements for the year ended 31st March, 2021

1. Background

Photon Capital Advisors Limited (the "Company") is a public limited company having its registered office situated at Plot No.90-A, Road No-9, Jubilee Hills, Hyderabad, Telangana - 500 033, India. The Company was incorporated on 31st December, 1983 under the provisions of the Companies Act applicable in India. The Company is engaged in the business of investment and financial services.

2. Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(i) Compliance with Ind AS

The financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Amendment Rules, 2016 and Companies (Indian Accounting Standards) Amendment Rules, 2017, the relevant provisions of the Companies Act, 2013 ('the Act') and other relevant provisions of the Act.

These financial statements of the company as at and for the year ended 31st March, 2021 (including comparatives), were duly approved and authorised for issue by the Board of Directors of the Company on 29th June 2021.

(ii) Basis of Preparation of Financial Statements

The financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities that are measured at fair value;
- Employee defined benefit plans - plan assets measured at fair value less present value of defined benefit obligation;

2.1 Significant Judgments, Estimates and Assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures, and the disclosure of contingent liabilities at the date of the financial statements.

Estimates and assumptions are continuously evaluated and are based on management's experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

In particular, the Company has identified the following areas where significant judgments, estimates and assumptions are required. Further information on each of these areas and how they impact the various accounting policies are described below and also in the relevant notes to the financial statements. Changes in estimates are accounted for prospectively.

Judgments

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognised in the financial statements:

a) Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company including legal, contractor, land access and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence and potential quantum of contingencies inherently involves the exercise of significant judgments and the use of estimates regarding the outcome of future events.

b) Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market change or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

c) Impairment of Non-financial Assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists or when annual impairment testing for an asset is required, the Company estimates the assets recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered

impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

d) Estimation of Defined Benefit Obligations

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

e) Fair Value Measurement of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active market, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

f) Estimation of Current Tax and Deferred Tax

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each Balance Sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to adjustment to the amounts reported in the financial statements.

g) Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected credit loss rates (ECL). The Company uses judgments in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

2.2 Property, Plant and Equipment

Tangible Assets

Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Derecognition

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of assets.

Depreciation methods, estimated useful lives

Depreciation is calculated using the straight-line basis at the rates arrived at based on the useful lives prescribed in Schedule II of the Companies Act, 2013. The company follows the policy of charging depreciation on pro-rata basis on the assets acquired or disposed off during the year. Leasehold assets are amortised over the period of lease. Gains or losses on disposal are determined by comparing proceeds with carrying amount. Individual assets costing less than Rs. 5,000 are depreciated in full in the year of purchase.

2.3 Leases

- (i) Assets acquired under lease where the Company has substantially all the risks and rewards of ownership are classified as finance lease. Such leases are capitalized at the inception of lease at lower of the fair value and present value of minimum lease payments.
- (ii) Assets acquired under lease where the significant portion of risks and rewards of ownership are retained by the lesser are classified as operating lease. Lease rentals are charged to profit and loss account on accrual basis.

2.4 Impairment of tangible assets

The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset

does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the company estimates the asset's or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

2.5 Investments

- i) Classification The Company classifies its financial assets in the following measurement category:
 - Measured subsequently at fair value
 - For assets measured at fair value, gains and losses are recorded in other comprehensive income.
- ii) Measurement At initial recognition, the company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Debt instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset.

- (i) Long term investments are carried at cost. Diminution in the value of investments, other than temporary, is provided for
- (ii) Current investments are carried at fair value
- (iii) Unlisted and not-actively traded investments are stated at their fair value

2.6 Fair Value Measurement

The Company measures financial instruments such as investments in shares at fair value at each Balance Sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.7 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Income from services

Revenues from maintenance contracts are recognized pro-rata over the period of the contract as and when services are rendered. The company collects Goods & Services Tax on behalf of the government and, therefore, it is not an economic benefit flowing to the company. Hence, it is excluded from revenue.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

On sale of investments:

Revenue from sale of investments is recognised in the year of sale net of expenses.

Dividends

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

2.8 Retirement and other employee benefits**Short-term employee benefits**

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include salaries, social security contributions and short term compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under :

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

Long-term Employee Benefits

Compensated absences and other benefits like gratuity which are allowed to be carried forward over a period in excess of 12 months after the end of the period in which the employee renders the related service are recognised as a non-current liability at the present value of the defined benefit obligation as at the Balance Sheet date out of which the obligations are expected to be settled.

Defined contribution plans

Company's contributions paid/payable during the year are recognized in the Profit and Loss Account.

Defined benefit plans

For defined benefit plans in the form of gratuity, the cost of providing benefits is determined using 'the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income.

2.9 Taxes on Income**Income tax**

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax

Deferred tax liabilities are provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. Deferred tax liabilities are generally recognised in full.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the Balance Sheet date. Tax relating to items recognised directly in equity/ other comprehensive income is recognised in respective head and not in the Statement of Profit & Loss.

The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and is adjusted to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax assets and deferred tax liabilities are offset only if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2.10 Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period.

2.11 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liability is disclosed in the case of :

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.
- a present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are neither recognised nor disclosed in the Financial Statements.

2.12 Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.13 Equity, Reserves and Dividend Payments

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

Retained earnings include current and prior period retained profits. All transactions with owners of the Company are recorded separately within equity.

Dividend distributions payable to equity shareholders is included in other liabilities when the dividends have been approved in a general meeting prior to the reporting date.

2.14 Rounding off amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

2.15 Recent Accounting Developments:

The Code on Social Security, 2020 has been approved by the Indian Parliament subject to certain pending formalities, which would impact the contributions made by the Company towards various employee benefits like Provident Fund and Gratuity. The Ministry of Labour and Employment had released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company needs to assess the impact and its evaluation once the subject rules are notified.

16.1 As per Ind AS 19 "Employee Benefits", the disclosures of employee benefits as defined in the Indian Accounting Standard are given below:

(i) Leave obligations

The leave obligation covers the Company's liability for earned leave which is unfunded.

(ii) Post-employment obligations

a) Gratuity

The Company provides for gratuity for employees as per the Payment of Gratuity Act, 1972. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The Company operates post retirement gratuity plan with LIC of India. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

PHOTON CAPITAL ADVISORS LIMITED

Notes to the Financial Statements for the year ended 31st March, 2021

iv) Significant estimates and sensitivity Analysis

Rupees in lakhs

The sensitivity of the defined benefit obligation to changes in key assumptions is:

Particulars	Key assumptions		Defined benefit obligation					
			Increase in assumption by			Decrease in assumption by		
	31 March 2021	31 March 2020	Rate	31 March 2021	31 March 2020	Rate	31 March 2021	31 March 2020
Discount rate	0.07	0.07	1.00%	(10.20)	3.96	1.00%	11.90	5.04
Salary growth rate	0.04	0.04	1.00%	12.40	5.07	1.00%	(10.90)	3.94
Withdrawal rate	-	-	1.00%	2.60	4.59	1.00%	(2.90)	4.31

The above sensitivity analysis is based on a change in each assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions, the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

v) Risk exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

Interest rate risk:

The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Salary inflation risk:

Higher than expected increases in salary will increase the defined benefit obligation.

Demographic risk:

This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

24. Financial instruments and risk management

Fair values

- The carrying amounts of other financial liabilities(current), cash and cash equivalents, investments and other financial liabilities(current) are considered to be the same as fair value due to their short term nature.
- The fair value of financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.
- Set out below is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximation of fair values:

PHOTON CAPITAL ADVISORS LIMITED

Notes to the Financial Statements for the year ended 31st March, 2021

(i) Categories of financial instruments

Rupees in lakhs

Particulars	Level	As at 31 st March, 2021		As at 31 st March, 2020	
		Carrying amount	Fair value*	Carrying amount	Fair value*

Financial liabilities					
Measured at amortised cost					
Current					
Other Financial Liabilities	3	3.03	3.03	2.91	2.91
Total		3.03	3.03	2.91	2.91

*Fair value of instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques, which maximise the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instruments are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instruments is included in level 3.

Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date. In respect of investments as at the transaction date, the Company has assessed the fair value to be the carrying value of the investments as these companies are in their initial years of operations obtaining necessary regulatory approvals to commence their business.

25. Fair Value Hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and Liabilities.

Quantitative disclosures fair value measurement hierarchy for assets as at 31st March, 2021:

Rupees in lakhs

Particulars	Date of valuation	Total	Fair value measurement using		
			Quoted prices in active markets	Significant observable inputs	Significant unobservable inputs
			(Level 1)	(Level 2)	(Level 3)
Liabilities measured at amortised cost:					
Other Financial Liabilities	31st March, 2021	3.03	-	-	3.03

Quantitative disclosures fair value measurement hierarchy for liabilities as at 31st March, 2020:

Particulars	Date of valuation	Total	Fair value measurement using		
			Quoted prices in active markets	Significant observable inputs	Significant unobservable inputs
			(Level 1)	(Level 2)	(Level 3)
Liabilities measured at amortised cost:					
Other Financial Liabilities	31st March, 2020	2.91	-	-	2.91

The management assessed that fair value of financial assets and liabilities significantly approximate their carrying amounts largely due to the short term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The Company determines fair values of financial assets or liabilities by discounting the contractual cash inflows / outflows using prevailing interest rates of financial instruments with similar terms. The initial measurement of financial assets and financial liabilities is at fair value. Further, the subsequent measurements of all assets and liabilities is at amortised cost, using effective interest rate method.

The following methods and assumptions were used to estimate fair values:-

- The fair value of the Company's interest bearings borrowings are determined using discount rate that reflects the entity's discount rate at the end of the reporting period. The own non-performance risk as at the reporting period is assessed to be insignificant.

For other non-current financial assets and liabilities the fair value is the same as the amortized cost, measured using the discount rate at the time of initial recognition of financial assets and liabilities.

A one percent change in the unobserved inputs used in fair valuation of level 3 Assets and liabilities does not have a significant impact in its value.

Fair value of financial assets and financial liabilities

The carrying value of the current financial assets and current financial liabilities are considered to be same as their values, due to their short-term nature. The non-current borrowings and securities deposits are carried at amortized cost which is considered as their fair value.

PHOTON CAPITAL ADVISORS LIMITED

Notes to the Financial Statements for the year ended 31st March, 2021

26. Financial risk management

Rupees in lakhs

The Company is exposed to market risk (fluctuation in foreign currency exchange rates, price and interest rate), liquidity risk and credit risk, which may adversely impact the fair value of its financial instruments. The Company assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Company.

(a) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices.

(b) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding to meet obligations when due and to close out market positions. Company's treasury maintains flexibility in funding by maintaining availability under deposits in banks.

Management monitors cash and cash equivalents on the basis of expected cash flows.

27. Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the company's capital management is to maximise the shareholder value.

The company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The company monitors capital using a gearing ratio, which is debt divided by total capital.

Gearing ratio in % (debt/ equity)	-	-

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no borrowings in current period

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2021 and 31 March 2020

28. Impact of Covid-19

The Company has considered the possible effects that may result from the pandemic relating to Covid-19 in the preparation of these standalone financial statements including the recoverability of carrying amounts of financial and non-financial assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company has, at the date of approval of these financial statements, used internal and external sources of information including credit reports and related information and economic forecasts and expects that the carrying amount of these assets will be recovered. The impact of Covid-19 on the Company's financial statements may differ from that estimated as at the date of approval of these standalone financial statements.

29. Note on Code on Security, 2020

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

30. Previous year's figures have been regrouped/reclassified, wherever necessary, to correspond with current year's classification / disclosure

PHOTON CAPITAL ADVISORS LIMITED

INDEPENDENT AUDITORS' REPORT

To the Members of

Photon Capital Advisors Limited, Hyderabad

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of **Photon Capital Advisors Limited** (hereinafter referred to as "the Holding Company") and its subsidiary Nicos Consulting Private Limited (the Holding Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2021, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act"), in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2021, of its consolidated loss (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group, in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	Fair Valuation of investments	
	The Group's investments are measured at fair value at each reporting date and these fair value measurements significantly impact the Holding Company's results. Within the Holding Company's investment portfolio, the valuation of certain assets such as unquoted equity requires significant judgement as a result of quoted prices being unavailable and limited liquidity in these markets.	We have assessed the Group's process to compute the fair value of various investments. For quoted instruments we have independently obtained market quotations and recalculated the fair valuations. For the unquoted instruments, we have obtained an understanding of the various valuation methods used by management and analysed the reasonableness of the principal assumptions made for estimating the fair values and various other data used while arriving at the fair value measurement.

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in included in the Director's Report, and Corporate Governance Report but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information included in the annual report, if we conclude that that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

PHOTON CAPITAL ADVISORS LIMITED

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Boards of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Directors either intend to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

PHOTON CAPITAL ADVISORS LIMITED

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of subsidiary, whose financial statement reflects total assets of Rs.577.97 lacs as at March 31, 2021, total revenues of Rs. 38.72 lacs and net cash outflows amounting to Rs.(0.56) lacs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit (including other comprehensive profit (net)) of Rs. 37.95 lacs for the year ended March 31, 2021, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the reports of the other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law relating to the preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of the preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with Rule 7 of Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2021 taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding Company is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

PHOTON CAPITAL ADVISORS LIMITED

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Group does not have any pending litigations on its financial position in its consolidated financial statements;
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company.

Annexure A to the Independent Auditor's Report

(Referred to in paragraph 1(f) under 'Report on Other Legal Regulatory Requirements' section of our report to the Members of Photon Capital Advisors Limited the Company of even date)

Annexure "A" to the Independent Auditor's Report

(Referred to in paragraph 1(f) under 'Report on Other Legal Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to the consolidated Ind AS financial statements of **Photon Capital Advisors Limited** ("hereinafter referred to as "the Holding Company"), its subsidiary company as of March 31, 2021 in conjunction with our audit of the consolidated Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company and its subsidiary company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Holding Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

PHOTON CAPITAL ADVISORS LIMITED

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Holding Company's subsidiary company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

PHOTON CAPITAL ADVISORS LIMITED

Notes to financial statements for the year ended 31st March, 2021

1. Group information

Photon Capital Advisors Limited (the "Company") is a public limited company having its registered office situated at Plot No.90-A,Road No-9, Jubilee Hills,Hyderabad,Telangana - 500 033, India. The Company was incorporated on 31st Dceember, 1983 under the provisions of the Companies Act applicable in India. The Company is engaged in the business of investment and financial services. Nicosu Consultancy Pvt Ltd is a subsidiary incorporated in India (together referred to as Group).

2. Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

(i) Compliance with Ind AS

The financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Amendment Rules, 2016 and Companies (Indian Accounting Standards) Amendment Rules, 2017, the relevant provisions of the Companies Act, 2013 ('the Act') and other relevant provisions of the Act.

These financial statements of the company as at and for the year ended 31st March,2021 (including comparatives), were duly approved and authorised for issue by the Board of Directors of the Company on 29th June 2021.

(ii) Basis of Preparation of Financial Statements

The financial statements have been prepared on a historical cost basis, except for the following:

- Certain financial assets and liabilities that are measured at fair value;
- Employee defined benefit plans – plan assets measured at fair value less present value of defined benefit obligation;

2.1 Significant Judgments, Estimates and Assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures, and the disclosure of contingent liabilities at the date of the financial statements.

Estimates and assumptions are continuously evaluated and are based on management's experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

In particular, the Company has identified the following areas where significant judgments, estimates and assumptions are required. Further information on each of these areas and how they impact the various accounting policies are described below and also in the relevant notes to the financial statements. Changes in estimates are accounted for prospectively.

Judgments

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognised in the financial statements:

a) Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company including legal, contractor, land access and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence and potential quantum of contingencies inherently involves the exercise of significant judgments and the use of estimates regarding the outcome of future events.

b) Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market change or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

c) Impairment of Non-financial Assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists or when annual impairment testing for an asset is required, the Company estimates the assets

recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

d) Estimation of Defined Benefit Obligations

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

e) Fair Value Measurement of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active market, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

f) Estimation of Current Tax and Deferred Tax

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities. The Company reviews at each Balance Sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to adjustment to the amounts reported in the financial statements.

f) Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected credit loss rates (ECL). The Company uses judgments in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

2.2 Property, Plant and Equipment

Tangible Assets

Property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Derecognition

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of assets.

Depreciation methods, estimated useful lives Depreciation is calculated using the straight-line basis at the rates arrived at based on the useful lives prescribed in Schedule II of the Companies Act, 2013. The company follows the policy of charging depreciation on pro-rata basis on the assets acquired or disposed off during the year. Leasehold assets are amortised over the period of lease. Gains or losses on disposal are determined by comparing proceeds with carrying amount. Individual assets costing less than Rs. 5,000 are depreciated in full in the year of purchase.

2.3 Leases

(i) Assets acquired under lease where the Company has substantially all the risks and rewards of ownership are classified as finance lease. Such leases are capitalized at the inception of lease at lower of the fair value and present value of minimum lease payments.

(ii) Assets acquired under lease where the significant portion of risks and rewards of ownership are retained by the lesser are classified as operating lease. Lease rentals are charged to profit and loss account on accrual basis.

2.4 Impairment of tangible assets

The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the company estimates the asset's or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

2.5 Investments

i) Classification : The Company classifies its financial assets in the following measurement category:

- Measured subsequently at fair value.

For assets measured at fair value, gains and losses are recorded in other comprehensive income.

ii) Measurement: At initial recognition, the company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Debt instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset.

- (i) Long term investments are carried at cost. Diminution in the value of investments, other than temporary, is provided for
- (ii) Current investments are carried at fair value
- (iii) Unlisted and not-actively traded investments are stated at their fair value

2.6 Fair Value Measurement

The Company measures financial instruments such as investments in shares at fair value at each Balance Sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

2.7 Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Income from services

Revenues from maintenance contracts are recognized pro-rata over the period of the contract as and when services are rendered. The company collects Goods & Services Tax on behalf of the government and, therefore, it is not an economic benefit flowing to the company. Hence, it is excluded from revenue.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

On sale of investments:

Revenue from sale of investments is recognised in the year of sale net of expenses.

Dividends

Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

2.8 Retirement and other employee benefits**Short-term employee benefits**

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include salaries, social security contributions and short term compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under :

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

Long-term Employee Benefits

Compensated absences and other benefits like gratuity which are allowed to be carried forward over a period in excess of 12 months after the end of the period in which the employee renders the related service are recognised as a non-current liability at the present value of the defined benefit obligation as at the Balance Sheet date out of which the obligations are expected to be settled.

Defined contribution plans

Company's contributions paid/payable during the year are recognized in the Profit and Loss Account.

Defined benefit plans

For defined benefit plans in the form of gratuity, the cost of providing benefits is determined using 'the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur, directly in other comprehensive income.

2.9 Taxes on Income**Income tax**

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax

Deferred tax liabilities are provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits

and unused tax losses can be utilised. Deferred tax liabilities are generally recognised in full.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the Balance Sheet date. Tax relating to items recognised directly in equity/ other comprehensive income is recognised in respective head and not in the Statement of Profit & Loss.

The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and is adjusted to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax assets and deferred tax liabilities are offset only if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

2.10 Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period.

2.11 Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liability is disclosed in the case of :

- a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.
- a present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are neither recognised nor disclosed in the Financial Statements.

2.12 Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

2.13 Equity, Reserves and Dividend Payments

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

Retained earnings include current and prior period retained profits. All transactions with owners of the Company are recorded separately within equity.

Dividend distributions payable to equity shareholders is included in other liabilities when the dividends have been approved in a general meeting prior to the reporting date.

2.14 Rounding off amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

Nature and purpose of other reserves

- (1) Capital Reserve is used to record forfeited shares. The reserve is utilised in accordance with the provisions of the Act.
- (2) The General Reserve is used from time to time to transfer profits/loss from retained earnings for appropriation purposes. As the General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the General reserve will not be reclassified subsequently to the statement of profit and loss.
- (3) Statutory Reserve represents the reserve created pursuant to the Reserve Bank of India Act, 1934 (the "RBI Act") and related regulations applicable to those companies. Under the RBI Act, a non-banking finance company is required to transfer an amount not less than 20% of its net profit to a reserve fund before declaring any dividend. Appropriation from this reserve fund is permitted only for the purposes specified by the RBI.
- (4) The reserves represents the cumulative profits of the Company . This Reserve can be utilised in accordance with the provisions of the Companies Act, 2013.

	Total	26.91	26.98

19.1 As per Ind AS 19 "Employee Benefits", the disclosures of employee benefits as defined in the Indian Accounting Standard are given below:

(i) Leave obligations

The leave obligation covers the Company's liability for earned leave which is unfunded.

(ii) Post-employment obligations

a) Gratuity

The Company provides for gratuity for employees as per the Payment of Gratuity Act, 1972. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The Company operates post retirement gratuity plan with LIC of India. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

Notes to Consolidated Financial Statements for the year ended 31st March, 2021

(Rupees in Lakhs)

The following table sets out the amounts recognised in the financial statements in respect of gratuity plan

Particulars	Year ended 31 st March 2021	Year ended 31 st March 2020
Change in defined benefit obligations:		
Obligation at the beginning of the year	4.46	2.30
Current service costs	0.49	0.51
Interest costs	0.27	0.18
Remeasurement (gains)/losses	(0.61)	1.48
Benefits paid	(0.78)	-
Obligation at the end of the year	3.84	4.46
Change in plan assets :		
Fair value of plan assets at the beginning of the year	5.10	3.98
Interest income	0.35	0.33
Remeasurement (gains)/losses	0.07	0.01
Employer's contributions	0.91	0.79
Benefits paid	(0.83)	(0.02)
Fair value of plan assets at the end of the year	5.60	5.10
Expenses recognised in the statement of profit and loss consists of:		
Employee benefits expense :		
Current service costs	0.49	0.51
Net interest expenses	(0.07)	(0.16)
	0.41	0.35
Other comprehensive income :		
(Gain)/Loss on Plan assets	0.07	0.01
Actuarial (gain)/loss arising from changes in financial assumptions		
Actuarial (gain)/loss arising from changes in experience adjustments	(0.55)	1.01
	(0.48)	1.02
Expenses recognised in the statement of profit and loss	0.41	0.35

Amounts recognised in the balance sheet consists of

Particulars	Year ended 31 st March 2021	Year ended 31 st March 2020
Fair value of plan assets at the end of the year	5.60	5.10
Present value of obligation at the end of the year	3.84	4.46
Recognises as		
Retirement benefit liability - Non-current	3.77	4.38

PHOTON CAPITAL ADVISORS LIMITED

Notes to Consolidated Financial Statements for the year ended 31st March, 2021

(Rupees in Lakhs)

iv) Significant estimates and sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in key assumptions is:

Particulars	Key assumptions		Defined benefit obligation					
			Increase in assumption by			Decrease in assumption by		
	31 March 2021	31 March 2020	Rate	31 March 2021	31 March 2020	Rate	31 March 2021	31 March 2020
Discount rate	6.84%	6.70%	1.00%	(10.20)	3.96	1.00%	11.90	5.04
Salary growth rate	4.00%	4.00%	1.00%	12.40	5.07	1.00%	(10.90)	3.94
Withdrawal rate	0.00%	0.00%	1.00%	2.60	4.59	1.00%	(2.90)	4.31

The above sensitivity analysis is based on a change in each assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions, the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

v) Risk exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

Interest rate risk:

The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Salary inflation risk:

Higher than expected increases in salary will increase the defined benefit obligation.

Demographic risk:

This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

25 There are no Contingent Liabilities as on Balance Sheet Date.

26 There are no Capital and other commitments as on Balance Sheet Date.

27. Financial instruments and risk management

Fair values

- The carrying amounts of other financial liabilities(current), cash and cash equivalents, investments and other financial liabilities(current) are considered to be the same as fair value due to their short term nature.
- The fair value of financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.
- Set out below is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximation of fair values:

PHOTON CAPITAL ADVISORS LIMITED

Notes to Consolidated Financial Statements for the year ended 31st March, 2021

(Rupees in Lakhs)

(i) Categories of financial instruments

Particulars	Level	As at 31 st March, 2021		As at 31 st March, 2020	
		Carrying amount	Fair value*	Carrying amount	Fair value*
Financial assets					
Measured at amortised cost:					
Non-current					
Investments	1	573.06	573.06	534.41	534.41
Current					
Cash and Cash Equivalents	3	11.85	11.85	9.77	9.77
Measured at fair value through Other Comprehensive Income					
Investments	1	89.81	92.93	132.18	132.51
Measured at fair value through profit and loss					
Non-current					
Other financial assets	3	2.49	2.49	1.87	1.87
Total		677.21	680.33	678.23	678.56
Financial liabilities					
Measured at amortised cost					
Current					
Other Financial Liabilities	3	3.13	3.13	3.01	3.01
Total		3.13	3.13	3.01	3.01

*Fair value of instruments is classified in various fair value hierarchies based on the following three levels:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques, which maximise the use of observable market data and rely as little as possible on entity specific estimates. If significant inputs required to fair value an instruments are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs are not based on observable market data, the instruments is included in level 3.

Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date. In respect of investments as at the transaction date, the Company has assessed the fair value to be the carrying value of the investments as these companies are in their initial years of operations obtaining necessary regulatory approvals to commence their business.

28. Fair Value Hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and Liabilities.

Quantitative disclosures fair value measurement hierarchy for assets as at 31st March, 2021:

(Rupees in Lakhs)

Particulars	Date of valuation	Total	Fair value measurement using		
			Quoted prices in active markets	Significant observable inputs	Significant unobservable inputs
			(Level 1)	(Level 2)	(Level 3)
Assets measured at amortised cost:					
Other Financial Assets	31st March, 2021	2.49	-	-	2.49
Cash and cash equivalents	31st March, 2021	11.85	-	-	11.85

PHOTON CAPITAL ADVISORS LIMITED

Notes to Consolidated Financial Statements for the year ended 31st March, 2021

(Rupees in Lakhs)

Quantitative disclosures fair value measurement hierarchy for assets as at 31st March, 2020:

Particulars	Date of valuation	Total	Fair value measurement using		
			Quoted prices in active markets	Significant observable inputs	Significant unobservable inputs
			(Level 1)	(Level 2)	(Level 3)
Assets measured at amortised cost:					
Other Financial Assets	31st March, 2020	1.87	-	-	1.87
Cash and cash equivalents	31st March, 2020	9.77	-	-	9.77

Quantitative disclosures fair value measurement hierarchy for liabilities as at 31st March, 2021:

Particulars	Date of valuation	Total	Fair value measurement using		
			Quoted prices in active markets	Significant observable inputs	Significant unobservable inputs
			(Level 1)	(Level 2)	(Level 3)
Liabilities measured at amortised cost:					
Other Financial Liabilities	31st March, 2021	3.13	-	-	3.13

Quantitative disclosures fair value measurement hierarchy for liabilities as at 31st March, 2020:

Particulars	Date of valuation	Total	Fair value measurement using		
			Quoted prices in active markets	Significant observable inputs	Significant unobservable inputs
			(Level 1)	(Level 2)	(Level 3)
Liabilities measured at amortised cost:					
Other Financial Liabilities	31st March, 2020	3.01	-	-	3.01

The management assessed that fair value of financial assets and liabilities significantly approximate their carrying amounts largely due to the short term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The Company determines fair values of financial assets or liabilities by discounting the contractual cash inflows / outflows using prevailing interest rates of financial instruments with similar terms. The initial measurement of financial assets and financial liabilities is at fair value. Further, the subsequent measurements of all assets and liabilities is at amortised cost, using effective interest rate method.

The following methods and assumptions were used to estimate fair values:-

- The fair value of the Company's interest bearings borrowings are determined using discount rate that reflects the entity's discount rate at the end of the reporting period. The own non-performance risk as at the reporting period is assessed to be insignificant.

For other non-current financial assets and liabilities the fair value is the same as the amortized cost, measured using the discount rate at the time of initial recognition of financial assets and liabilities

A one percent change in the unobserved inputs used in fair valuation of level 3 Assets and liabilities does not have a significant impact in its value.

Fair value of financial assets and financial liabilities

The carrying value of the current financial assets and current financial liabilities are considered to be same as their values, due to their short-term nature. The non-current borrowings and securities deposits are carried at amortized cost which is considered as their fair value.

PHOTON CAPITAL ADVISORS LIMITED

Notes to Consolidated Financial Statements for the year ended 31st March, 2021

(Rupees in Lakhs)

29. Financial risk management

The Company is exposed to market risk (fluctuation in foreign currency exchange rates, price and interest rate), liquidity risk and credit risk, which may adversely impact the fair value of its financial instruments. The Company assesses the unpredictability of the financial environment and seeks to mitigate potential adverse effects on the financial performance of the Company.

(a) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices.

(b) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding to meet obligations when due and to close out market positions. Company's treasury maintains flexibility in funding by maintaining availability under deposits in banks.

Management monitors cash and cash equivalents on the basis of expected cash flows.

30. Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the company's capital management is to maximise the shareholder value.

The company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The company monitors capital using a gearing ratio, which is debt divided by total capital.

Particulars	31 st March, 2021	31 st March, 2020
Borrowings		
Debt	-	-
Equity		
Equity share capital	151.37	151.37
Other equity	902.21	912.95
Total Capital	1053.57	1064.32
Gearing ratio in % (debt/ equity)	-	-

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no borrowings in current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2021 and 31 March 2020.
