**Sub Intimation under Regulation 30 of SEBI (LODR) Regulations, 2015 – Grant of Marketing Authorisation in Indonesia**

Dear Sir/ Madam,

Venus Remedies Limited ("the Company") wishes to inform that it has received **marketing authorisation in Indonesia** for its antibiotic combination **Ceftazidime + Avibactam**, granted by the relevant Indonesian drug regulatory authority.

This approval marks the **first marketing authorisation for Ceftazidime + Avibactam for the Company in Indonesia**. The product is indicated for the treatment of serious infections caused by multi-drug resistant gram-negative pathogens, including complicated intra-abdominal infections and complicated urinary tract infections.

Indonesia is one of the largest pharmaceutical markets in Southeast Asia, with antibiotics representing a significant therapeutic segment due to the high burden of infectious diseases and growing focus on antimicrobial resistance. This authorisation enables the Company to commercialise the product in Indonesia through its existing distribution partnerships and is expected to **enhance the Company's presence in a strategically important market for anti-infectives**.

The development is aligned with the Company's strategy of expanding its footprint in South-East Asia and strengthening its portfolio of high-barrier-to-entry therapies.

Thanking you.

**Yours faithfully,**  
**for VENUS REMEDIES LIMITED**

**(Company Secretary)**
