Dear Sirs/Madam,

Sub: Clarification on share price movement

With reference to your email seeking clarification regarding the significant movement in the price and/or volume of the securities of the Company, we hereby submit as under:

The Company confirms that it does not possess any unpublished price sensitive information (UPSI) as defined under the SEBI (Prohibition of Insider Trading) Regulations, 2015, which is required to be disclosed to the Stock Exchanges and which could have a bearing on the movement in the price or volume of the Company's securities.

The Company maintains adequate internal controls and robust corporate governance practices to ensure compliance with applicable laws and to prevent any unauthorized dissemination of information.

We further clarify that the shares of the Company are freely traded on the Stock Exchanges and the movement in the price and/or volume of the securities appears to be purely market-driven, based on demand and supply factors, over which the Company has no control. Accordingly, the Company is not in a position to comment specifically on the reasons for such market movement.

The Company has been consistently complying with the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including Regulation 30, and assures that it shall continue to make all required disclosures in a timely manner, as and when applicable.

We request you to kindly take the above clarification on record.

Thanking You,
For Godavari Drugs Limited
