# ZAugust Kranti- Rememering the Quit India Movement

**Vinod Chandrashekhar Dixit**  
Free-lance Journalist, Writer & Cartoonist  
(dixitpatrakar@yahoo.in)

August 8 is celebrated as Quit India Movement day. On this day, Father of the nation, Gandhiji gave a call to the masses and urged them to raise their voice against British and asked them to "Quit India". Gandhi kick-started the Quit India movement on August 8, 1942, at the All India Congress Committee meeting in Mumbai's Gowalia Tank Maidan. He also infused it with the spirit of his phrase "do or die". On August 9, 1942 the Quit India Movement began which later triggered the British leaving the country and India attaining independence on August 15, 1947 a few years later. "Quit India" slogan is credited to another Congress leader, Yusuf Meherally, who is said to have come up with the phrase at a meeting of Gandhi's close associates in Mumbai some time before the launch of the movement. At the time, 39-year-old Meherally was the mayor of Bombay - the first

socialist to be elected to the post. Quit India day is observed every year on August 9 to mark the anniversary of Quit India movement. It was Mahatma Gandhi, who inspired the people of this vast nation to raise their voice against the oppressive British rule in a non-violent manner through this movement. The Quit India Movement also known as India August Movement or Bharat Chodo Andolan was launched at the Bombay session of the All India Congress Committee (AICC) by Mahatma Gandhi on August 8, 1942, it is also known as August Kranti or August Movement. In early hours of 9th August, all the top leaders - Gandhi, Nehru, Patel, Azad were arrested and Congress was declared an unlawful organization. Mahatma Gandhi delivered his speech marking the beginning of the Quit India Movement in Mumbai's Gowalia Tank Maidan also known as August Kranti Maidan. Besides Gandhi's ideology of non-violence and technique of Satyagraha, it was the strategy of struggle-truce-struggle that accelerated and sustained the urge for freedom and enabled India to achieve freedom in 1947. The efforts of Cripps mission bore no fruit and the prices of essential commodities were soaring high and the day does not appear to be far off for the deliverance from the British imperialism. With the arrest of all the national leaders, there was nobody to guide the popular agitation. The All India Congress Committee that met in Bombay in August

ratified this decision to go in for struggle. In his speech Gandhi made it very clear "I am not going to be satisfied with anything short of complete freedom. May be, he (the Viceroy) will propose the abolition of salt tax, the drink evil. But I will say nothing less than freedom". Our PM Modi has also termed the month of August as a month of revolution as the non-cooperation movement was launched on 1st of August 1920, Quit-India movement on 9th of August 1942 and on 15th August 1947 India became independent. The Quit India day is a way of commemorating the brave soldiers of the Indian freedom movement. Functions are organized in numerous schools across the nation to educate the younger generation about the great sacrifices made by the martyrs and the leaders of the nation to make India independent. Let us remember that the Quit India movement was the spontaneous participation of the masses compared to the earlier non-cooperation and civil disobedience movements. The Quit India Movement was an important milestone in the Indian freedom struggle. Under the leadership of Mahatma Gandhi, people across India came together to uproot imperialism. Gandhi was a great strategist of the 20th century mass political mobilization process motivated by self-reliant rule of the masses through more of non-violent means. **(B-15 Jyoti-Kalash Society, Jodhpur Tekra, Satellite, Ahmedabad - 380 015)**

# Late Vijaybhai's daughter-in-law cried after seeing his pictures

### Late Vijaybhai's daughter-in-law cried after seeing his pictures

Rajkot

Former Gujarat Chief Minister Vijaybhai Rupani, who died in the Ahmedabad plane crash, is celebrating his 69th birthday today (August 2). An exhibition of 111 unseen photographs of him has been held at the Shyamaprasad Mukherjee Art Gallery in Rajkot for two days from today. Late Vijaybhai Rupani's wife Anjaliben, son Rishabh, and daughter-in-law arrived to view them today. The family members were filled with emotion after seeing the photographs of Vijaybhai's personality and unique style, in which the daughter-in-law cried. Then MP Purushottam Rupala said that the photo exhibition was to express the expression of late Vijaybhai, remembering his personality. Rajkot's senior photo-journalist Deven Amrelia from the year 2004 to 2025. Unforgettable pictures of the known-unknown, familiar, accessible-rare moments of the late Vijaybhai's life were captured in his camera, out of which an exhibition of 111 pictures was kept. A tagline was also given in one line below each of these pictures. The presence of the Rupani family in this photo exhibition of Vijaybhai Rupani became emotional. The family members got emotional after seeing the pictures of Vijaybhai with different styles. In the photo exhibition, 'the pictures were also seen together' through sentiment and dialogue.

I really liked one picture, which is of the victory procession: Radhika Rupani. Radhika Rupani, daughter of late Vijaybhai, said that today is my father's 69th birthday. Today, an exhibition of his pictures has been opened. This moment is a proud one for us. Pictures of typical customs as well as memories have been placed here. I want to tell everyone that you should come and refresh your memories of my father by looking at these pictures. All the pictures are typical and very memorable. All the pictures are very good, but I really liked one picture, which was taken during the victory procession.

I feel sorry that our fellow leader is not with us today: Rupala  
Former Union Minister and Rajkot MP Purushottam Rupala said that today is the birth anniversary of our respected leader, our fellow leader, late Vijaybhai. Today is the first birth anniversary in which he is not with us and I feel sorry for this. He has overcome a lot of struggle in public life since childhood and has become the Chief Minister of the state, due to which he came into contact with different sections of the society and various individuals in a wide way.

'Vijaybhai's contribution is also in this art gallery'  
He further added that his absence is being felt widely. To express that expression, an exhibition of photographs taken by photographer Deven Amrelia has been opened today. This art gallery, where the photo exhibition was held, also contains memories of Vijaybhai Rupani. Vijaybhai's contribution is also in this art gallery. An opportunity to enjoy many events of his life is being seen here.

I was standing near the car at that time. The monsoon is currently active in the state and many districts are facing flood conditions. At such times, the green valleys of Mount Abu attract tourists, but many people risk taking selfies in dangerous places.
