The said financial results were reviewed by the Audit Committee and approved by the Board of Directors at their Meetings held on 09-02-2026. The Statutory Auditors have carried out limited review of the above results and expressed an unmodified audit opinion.

The Ministry of Labour & Employment has published draft Central Rules and FAQs to facilitate assessment of the financial impact arising from these regulatory changes. Accordingly, the Company has assessed the financial implications based on an actuarial valuation in accordance with Ind AS 19 Employee Benefits read with FAQ issued by Institute of Chartered Accountants of India (ICAI), which has resulted in an increase in gratuity and compensated absences aggregating to Rs.26.57 Crores due to past service cost, in view of change in the definition of wages as per new labour codes. Since this impact arises from the enactment of new legislation and is non-recurring in nature, the Company has recognised the same under "Exceptional Items" in the Statement of Profit and Loss for the quarter and nine months ended 31-12-2025. The Company continue to monitor the finalisation of Central and State Rules and any further clarifications issued by the Government in relation to the Labour Codes and will appropriately give effect to such changes in the books, as and when required.

The Ministry of Labour & Employment has published draft Central Rules and FAQs to facilitate assessment of the financial impact arising from these regulatory changes. Accordingly, the Group has assessed the financial implications based on an actuarial valuation in accordance with Ind AS 19 Employee Benefits read with FAQ issued by Institute of Chartered Accountants of India (ICAI), which has resulted in an increase in gratuity and compensated absences aggregating to Rs.26.62 Crores due to past service cost, in view of change in the definition of wages as per new labour codes. Since this impact arises from the enactment of new legislation and is non-recurring in nature, the Company has recognised the same under "Exceptional Items" in the Statement of Profit and Loss for the quarter and nine months ended 31-12-2025. The Company continue to monitor the finalisation of Central and State Rules and any further clarifications issued by the Government in relation to the Labour Codes and will appropriately give effect to such changes in the books, as and when required.
