Encl.: As above

Bajaj Auto Introduces WEGO P9018, the Largest Electric Three-Wheeler in the Industry, with India's Highest Range of 296 Kms in the Segment

- Introducing the Bajaj WEGO P9018, with a range of 296 km, a 17.7 kWh battery and the highest passenger and luggage carrying capability in India's electric three-wheeler segment.
- The long range comes from the largest ever battery in electric three-wheelers, a new Battery Management System, regenerative braking and overall vehicle design.
- The BAJAJ WEGO P9018 is available at Rs.4,41,247/ (ex-showroom pan India).

Pune, 9th February 2026 – Bajaj Auto Ltd., the world's most valuable two-wheeler and three-wheeler company, today announced the launch of Bajaj WEGO P9018, the biggest electric three-wheeler with India's biggest battery and highest range, addressing evolving customer needs across urban, semi-urban and rural markets.

WEGO P9018: Built for Long-Distance, High-Volume Mobility

The WEGO P9018 is equipped with a 17.7 kWh battery, delivering a certified range of 296 km, making it the electric three-wheeler with the longest range in India. Designed to carry more passengers and luggage over medium to longer distances, the P9018 enables improved earnings, an industry first move.

The WEGO P9018 comes with an upgraded Battery Management System (BMS) and enhanced regenerative braking, which play a critical role in maximising efficiency and extending usable range. The vehicle also features a two-speed transmission, 36% gradability, and a 5-year warranty, ensuring dependable performance across varied operating conditions.

WEGO - We the People on the Go

The WEGO brand represents Bajaj Auto Ltd's legacy as India's original 'passenger-carrier' and its longstanding leadership in shaping last-mile mobility. It celebrates the drivers, operators, and communities who move India every day and rely on Bajaj Auto for reliability, performance, and livelihood.

Speaking on the launch, **Samardeep Subandh, President – Intra-City Business Unit, Bajaj Auto Ltd.**, said, "WEGO P9018 is the biggest electric three-wheeler in India, with the largest battery and exceptional range of 296 Kms on 1 charge. WEGO is a great fit for India's urban, semi-urban, and Rural Markets, which need large carrying capacity three-wheelers with long range. This new brand continues to bring the best-in-class three-wheelers to every segment and need for India's last-mile commuting market."

About Bajaj Auto Ltd:

With over 21 million motorcycles sold in over 100 countries, the Bajaj brand is truly "The World's Favourite Indian." It is India's No. 1 motorcycle exporter. The company is also the world's largest manufacturer of three-wheelers. Bajaj Auto is the first two-wheeler company in the world to have reached a market cap of INR two trillion and continues to be the world's most valuable two-wheeler and

three-wheeler company. It has been delivering products that have best-in-class design and technology and are built on uncompromised quality for the past 75 years. The company's unwavering commitment to new product initiatives has made it future-ready.
