Top 10 Customer Concentration*

*Note: Online Distribution Business segment with high volume low margin was terminated during FY19, resulted in customer diversification

Hardware coupled with solution & analytics

- Tie ups with 3 software companies to provide bundled software solutions to retail sector.

Leveraging rich B2B experience to be a D2C player

- Launched an on-demand service platform, namely 'Assure', catering to consumer durable electronic products, and service provided ranges from installation to upgradation and break/fix services.

Offering depth & expertise in Product Portfolio

- Diversifying non-printing product portfolio by launching new products and enhancing the products portfolio by improving performance and features.

Expanding presence and global aspirations

- Launched an online e-commerce portal on company's website and partnered with service providers.
- Launched a service delivery platform (SDP) system, which is AI/ML-enabled, and is integrated with field mobility, spare parts prediction and ordering system.

STRATEGIC PRIORITIES

Focus on Digitalisation

- Moved onto a subscription model for the service in house digital platform.
- Invested in artificial intelligence & machine learning during FY23.

Expanding offerings to parts and logistics business

- Has set up a strong go-to market strategy for the parts business.
- Act as an aggregator by sourcing parts from global brands and ensuring supply in the country.
- Direct sales of spares to customers.

Part of the 'Make in India initiative'

- TVS-E has undertaken backward integration of some of processes and replaced imports from neighbouring countries with in-house production of certain products.
