## **Technocraft Industries (India) Limited announces proposal to invest about £10 Million over the next three years to Drive UK Expansion and Create 18 New Jobs**

**Mumbai, India – October 9, 2025:** Technocraft Industries (India) Limited, amongst India's leading Engineering Company announced its proposal to invest £10 million over the next three years as part of its expansion strategy in the United Kingdom.

The investment underscores the company's commitment to strengthening its UK presence and will result in the creation of 18 highly skilled engineering and technical jobs across the country.

Speaking on the announcement, Shri Navneet Kumar Saraf, CEO of Technocraft Industries (India) Limited said:

*"The UK represents a key growth market for us, and this investment highlights our confidence in its talent base and innovation ecosystem. By creating highly skilled engineering and technical roles, we aim to contribute to the UK's industrial capabilities while supporting our global growth ambitions."*

The expansion is expected to support digital engineering services, enabling Technocraft to deliver innovative solutions to its UK and European customers.

This strategic investment reflects Technocraft's long-term vision of building sustainable growth while creating opportunities for local talent and strengthening partnerships with UK industry stakeholders.
