Dear Sir,

This is with reference to your email received by the Company dated December 09, 2020. In this regard, we would like to bring to your kind attention that there is no information/event/announcement (including impending announcement) to be provided to Stock Exchange that in our opinion would have a bearing on the price/volume behavior in our scrip.

The Company has been sharing all information/announcements that have a bearing on the price/volume behavior in the scrip with the Stock Exchange regularly. The spurt in volume of our script/increase in the share price is purely market driven.

Thanking you,

Yours faithfully,
