Dear Sir / Madam,

Sub: Disclosure under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

With reference to the 2024 order placed by Chittaranjan Locomotive Works, Chittaranjan (hereinafter referred to as "CLW") for the Supply, Installation, Testing, and Commissioning of On-Board KAVACH equipment for 2,500 Locomotives, the Company provides the following update:

Due to delays in the certification process, the Company could not complete the order within the stipulated timeline. A formal request for extension of the delivery period was submitted to CLW, however in its communication dated January 9, 2026, CLW has informed that the said request has not been considered.

The non-consideration of the extension request does not adversely impact the Company's financials, technical credentials, or eligibility to participate in current or future tenders floated by Indian Railways.

Indian Railways, through its production units, Chittaranjan Locomotive Works (CLW) and Baranagar Locomotive Works (BLW), has recently floated additional locomotive tenders. The bidding process has been completed, and the announcement of the results is expected shortly. The Company proposes to utilize existing inventory from this project for execution of upcoming CLW & BLW requirements, ongoing projects, and future opportunities.

This is for your information and records.

Thanking you,

For Kernex Microsystems (India) Limited

M B Narayana Raju
Whole-Time Director
